SCHOOL LAWS

OF THE

STATE OF OHIO

WITH CITATIONS
AND BLANK FORMS

1910

JOHN W. ZELLER

STATE COMMISSIONER OF COMMON SCHOOLS

OHIO SCHOOL LAWS

IN FORCE MAY 23, 1910.

BASED ON THE GENERAL CODE OF OHIO
AS AMENDED TO DATE.

BLANK FORMS AND DIRECTIONS TO SERVE AS
A GUIDE FOR SCHOOL OFFICERS
AND TEACHERS.

COMPILED UNDER THE DIRECTION OF
JOHN W. ZELLER
STATE COMMISSIONER OF COMMON SCHOOLS

COLUMBUS, OHIO:
THE F. J. HEER PRINTING CO.
1910

PREFACE.

This edition of the Ohio School Laws is issued in accordance with sections 356 and 357 of the General Code of Ohio, passed February 14, 1910.

These sections makes it the duty of the Commissioner to have printed and distributed as many copies of the law as he deems necessary for the use of the school officers in the State, as often as any change in the laws is made of sufficient importance to require a re-publication and distribution thereof.

The "New School Code" was adopted April 25, 1904, and the last issue of school laws was made July 12, 1906. That edition was exhausted when I came to the office.

There are, at least, two reasons for the necessity of this new issue.

The Codifying Commission, appointed three years ago, made its final report to the last session of the 78th General Assembly, which report was adopted February 14, 1910.

This Commission, composed of three able men, in their arduous work of codification, found it necessary to re-classify the laws, to make clear and definite obscure and indefinite expressions, to cut up long sections containing a half-dozen independent matters and place them in as many different sections, and to do other work which was necessary to make our laws more intelligible and more valuable to our people.

The Commission succeeded admirably in this work. This re-classification is the second necessity for the present issue. Then, too, quite a number of new school laws and amendments have been added to our school laws during the last four years, with which our school officials and teachers should be familiar.

To facilitate the use of this edition you will find a table of contents at the beginning of this volume and a cross index at the close.

You will also find valuable citations from the decisions of courts in this and other states, on many of the sections which throw much light on their meaning. For illustration, under Section 4750 which gives Boards of Education authority to make rules and regulations for the proper management of their schools, you will find sufficient court citations to guide you safely in the matter of punishment and management of disobedient pupils.

I deem it my duty to issue a sufficient number of copies so that not only the presidents and clerks of the boards of education may have copies, but that all other school officials and the superintendents of the city, village, and township districts may be supplied.

I trust that school men will become more familiar with our school laws. It is one of the functions of the superintendent to keep his board informed on school laws. He can render valuable service in many ways when he is familiar with the school code.

This volume is sent forth in the hope that it will be helpful to school officials and teachers in the discharge of their duties.

JOHN W. ZELLER,
Commissioner.

CONSTITUTION OF OHIO

RELATING TO PUBLIC SCHOOLS

ARTICLE I.

SECTION 7. * * * Religion, morality and knowledge, however, being essential to good government, it shall be the duty of the general assembly to pass suitable laws to protect every religious denomination in the peaceable enjoyment of its own mode of public worship, and to encourage schools and the means of instruction.

Of the rights of conscience; necessity of religion and knowledge.

"The system of public education in Ohio is the creature of the Constitution and statutory laws of the state. It is left to the discretion of the general assembly, in the exercise of the general legislative power conferred upon it (Art. II, § 1), to determine what laws are 'suitable' to secure the organization and management of the contemplated system of common schools, without express restriction, except that 'no religious or other sect or sects shall ever have any exclusive right to, or control of, any part of the school funds of this state.'" 21 O. S., 198-205; Day, J.

The compulsory education law comes within this section. 5 C. C., 645.

ARTICLE II.

SECTION 26. All laws of a general nature, shall have a uniform operation throughout the state; nor, shall any act, except such as relates to public schools, be passed, to take effect upon the approval of any other authority than the general assembly, except, as otherwise provided in this Constitution.

Laws having uniform operation.

ARTICLE VI.

SECTION 1. The principal of all funds, arising from the sale, or other disposition of lands, or other property, granted or intrusted to this state for educational and religious purposes, shall forever be preserved inviolate and undiminished; and, the income arising therefrom, shall be faithfully applied to the specific objects of the original grant, or appropriations.

Funds for educational and religious purposes.

SECTION 2. The general assembly shall make such provisions, by taxation, or otherwise, as, with the income arising from the school trust fund, will secure a thorough and efficient system of common schools throughout the state; but no religious or other sect, or sects, shall ever have any exclusive right to, or control of, any part of the school funds of this state.

School funds.

Religious instruction, or the reading of the Bible in the public schools, is not required by the Constitution. The board of education have the sole management of the schools, and the courts cannot direct what instruction shall be given or what books read. 23 O. S., 211.

A requirement of a board of education that the Bible be read in the schools as an opening exercise cannot be interfered with by the courts, and is not in violation of any constitutional rights. 1 N. P., 140.

It is an unlawful diversion of the school funds of the state of Ohio for a board of education to authorize the teaching of religion as a regular branch of study. Attorney General.

ARTICLE XII.

Taxation by
uniform rule.

SECTION 2. Laws shall be passed, by taxing by a uniform rule, all moneys, credits, investments in bonds, stocks, joint stock companies, or otherwise; and also all real and personal property, according to its true value in money; but burying grounds, public school houses, houses used exclusively for public worship, institutions of purely public charity, public property used exclusively for any public purpose, and personal property, to an amount not exceeding in value two hundred dollars, for each individual, may, by general laws, be exempted from taxation; but all such laws shall be subject to alteration or repeal; and the value of all property, so exempted, shall, from time to time, be ascertained and published, as may be directed by law.

School property is not liable to assessment for street improvement; nor can a judgment be rendered against the board of education for the payment of the assessment out of its contingent fund. 48 O. S., 83.

Sidewalk — School property not assessable for. 48 O. S., 87.

PART FIRST

POLITICAL

TITLE I. PRELIMINARY

CHAPTER 1.

GENERAL PROVISIONS.

INTERPRETATION OF STATUTES.

SECTION 27. In the interpretation of parts first and second, unless the context shows that another sense was intended, the word "bond" includes an "undertaking", and the word "undertaking" includes a "bond"; "and" may be read "or", and "or" read "and", if the sense requires it; words of the present include a future tense, in the masculine, include the feminine and neuter genders, and in the plural include the singular and in the singular include the plural number; but this enumeration shall not be construed to require a strict construction of other words in such parts, or in this code. (R. S. Sec. 23.)

Interpretation
of certain
words.

A construction which gives effect to every section and clause must be favored. 1 O., 381, 395; 2 O., 395, 398; 17 O. S., 52, 68; 3 O., 187, 193; 5 O., 147, 151.

"A statute should be so construed that the several parts will not only accord with the general intent of the legislature, but also harmonize with each other; and a construction of a particular clause, that will destroy or render useless any other provision of the same statute, can not be correct." 3 C., 187, 193; 2 O., 395, 398; 5 O., 48, 51.

What is plainly implied in a statute is as much a part of it as what is expressed. 50 O. S., 330.

The ordinary and natural import of words consistent with the common sense of the community is to be adopted in arriving at legislative intent. 5 O., 65, 71; 25 O. S., 26, 28.

In considering questions arising under the school legislation of the state, such construction should be placed upon its various enactments, and the several provisions thereof, as will give harmony to our educational system, and secure, as far as practicable, its equal benefits, and the reasonable facilities for the enjoyment to every locality. 21 O. S., 339.

Penal statutes must be construed strictly, and cannot be extended by implication to cases not strictly within their terms. 20 O., 7; 18 O., 11; 38 O. S., 659; 44 O. S., 347.

While the opinion of the state commissioner of common schools cannot have the force of a judicial interpretation, it is of great force as the opinion of an eminent educator, who was at the head of the school system of the state, and presumably familiar with the necessities of the schools. 2 C. C., 366; Stewart, J.

FLAG, EMBLEM, COAT OF ARMS.

SECTION 28. The flag of the state of Ohio shall be pennant shaped. It shall have three red and two white horizontal stripes; the union of the flag shall be seventeen five-pointed stars, white, in a blue triangular field, the base of which shall be the staff end or vertical edge of the flag, and the apex of which shall be the center of the middle red stripe. The stars shall be grouped around a red disc superimposed upon a white circular "O". The proportional dimensions of the flag and of its various parts shall be according to the official design thereof on file in the office of the secretary of state. (95 v. 445.)

Official flag
of state.

Floral emblem
of the state.

SECTION 29. The scarlet carnation is hereby adopted as the state flower of Ohio as a token of love and reverence for the memory of William McKinley. (97 v. 631.)

Device of coat
of arms of
the state.

SECTION 30. The coat of arms of the state of Ohio shall consist of the following device: A shield, in form, a circle; on it, in the foreground, on the right, a sheaf of wheat; on the left, a bundle of seventeen arrows, both standing erect; in the background, and rising above the sheaf and arrows, a mountain range, over which shall appear a rising sun. SECTION 4712. In township school districts, the board of education shall consist of five members elected at large at the same time township officers are elected and in the manner provided by law. (R. S. Sec. 3915.)

First election in township districts.

SECTION 4713. At the first election in a township district, a board of education shall be elected, as herein provided, two members to serve for two years and three to serve for four years. At the township election held every second year thereafter, their successors shall be elected for a term of four years. (R. S. Sec. 3915.)

As to serving until successor is elected. 7 C. C., 1, 4; aff'd 29 B., 396. When judges and clerks of election fail to sign pollbooks and tallysheets, to fill up blanks in the caption, or to carry out the aggregate votes, such omissions and mistakes may be corrected upon the trial of a contest, by parol evidence, and when so corrected, the documents, sustained by the parol proof, are competent evidence of the result of the election. 16 O. S., 184.

The evident intent of the law requires that when the polls are once opened, they should be kept open until the hour prescribed for finally closing; but the statute on the conduct of elections, section 5056, is said to be directory, and if so, "a departure from its strict observance will not necessarily invalidate an election, where no fraud has been practiced and no substantial right violated." 19 O. S., 25.

The officers of an election board cannot, after dissolving the board and dispersing, return and perform any official act regarding such election. When they have dispersed, they cease to be officers of the election — are *functi officio*. 21 O. S., 216; 14 O. S., 315.

Pollbooks duly certified and returned are *prima facie* evidence of the truth of their contents, but this presumption will be rebutted by proof that they are fraudulent and fictitious to such an extent as to render them wholly unreliable. 26 O. S., 549.

Quo warranto will lie where no provision for a contest is made by law — as was the case in the election of school directors against the respondent, whom the board recognized, and the fact that the relator has received a certificate is not conclusive. 8 Rec. 432; 4 B., 1065.

A person voted for under the name of E. H. Smith, whose name is H. E. Smith, there being no such man as E. H. Smith, should have the votes counted, if the judges decide that the person H. E. Smith was intended. 11 W. L. M., 589.

In case a candidate receiving the highest number of votes at an election is ineligible, the next highest candidate is not elected. 13 Cal., 145; 38 Maine, 597; 1 Chandler, Wis., 117.

McCrary on Elections, section 184: "The safe rule probably is that where an election board are found to have wilfully and deliberately committed a fraud, even though it affect a number of votes too small to change the result, it is sufficient to destroy all confidence in their official acts, and to put the party claiming anything under the election conducted by them, to the proof of his votes, by evidence, other than the returns." See *Judkins v. Hill*, 50 N. H., 140; *Knox Co. v. Davis*, 63 Ill., 405; *Russell v. State*, 11 Kan., 308.

Receiving illegal or improper votes will not alone vitiate an election. It must be shown affirmatively, in order to overturn the declared result that the wrongful action changed it. *Dillon on Municipal Corporations*, 261.

SECTION 4714. Electors residing in territory attached to a township school district for school purposes may vote for school officers and on all school questions at the proper voting place in the township in which such territory is attached. If the township is divided into different voting precincts, the board of education of such district shall assign the attached territory to the adjoining precinct or precincts. If such territory is attached to more than one precinct, a map shall be prepared, showing such assignment, which map shall be made a part of the records of the board. Electors may vote according to such assignment, but, if no assignment of territory is made, they shall vote, in the precinct nearest their residence. An elector residing in the township, but not in the township school district, shall not vote in such township school district. (R. S. Sec. 3916.)

Assignment of electors in attached territory for school purposes.

SECTION 4715. Each member of the township board of education shall receive as compensation two dollars for each meeting actually attended by such member, but for not more than ten meetings in any year. The compensation allowed members of the board shall be paid from the contingent fund. (R. S. Sec. 3920.)

Compensation of members of board.

SUBDISTRICTS.

SECTION 4716. The division of township school districts into subdistricts as they exist shall continue and be recognized for the purpose of school attendance, but the board of education may increase or diminish the number or change the boundaries of the subdistricts at any regular meeting. A map designating such changes shall be entered upon the records of the board. (R. S. Sec. 3921.)

Division of township into subdistricts.

The term "sub-district," as used in section 1 of this supplementary act of April 9, 1867 (64 v. 117), does not include the subordinate territorial divisions of separate school districts into which a city or village may be subdivided, but applies exclusively to township or county subdistricts. 19 O. S., 577.

SECTION 4717. In all township districts, the schools of which are not centralized or consolidated, there shall be elected on the second Monday of April each year by ballot, in each subdistrict by the qualified electors thereof one competent person having the qualifications of an elector therein, who shall be styled director. In case of a tie vote, the judges of the election shall decide it by lot. (R. S. Sec. 3921a.)

Failure to elect; procedure.

SECTION 4720. If there is a failure to elect a director in any subdistrict or a director elected therein refuses to serve, or otherwise, the township board of education shall appoint a director for such subdistrict. (R. S. Sec. 3921a.)

Meetings of qualified electors.

SECTION 4721. The qualified electors of the subdistrict may hold their meetings at any time upon the call of the director or of any five electors. Five days' notice shall be given of such meetings by posting notices in five public places in the vicinity. (R. S. Sec. 3921a.)

Duties of the director of subdistrict.

SECTION 4722. The director of each subdistrict shall preside at the school meetings of the district, record the proceedings thereof, and act as the organ of communication between the inhabitants and the township board of education. He shall take charge of the school house and property belonging thereto under the general order and direction of the township board of education, and preserve them. When so ordered by the board, he shall make all temporary repairs of the school house, furniture and fixtures and provide the necessary fuel for the school, reporting the cost thereof to the board of education for payment. He shall take the enumeration of his subdistrict and return it to the clerk of the board of education in the manner prescribed by law. (R. S. Sec. 3921a.)

JOINT SUBDISTRICTS.

Joint subdistricts abolished.

SECTION 4723. Joint subdistricts are abolished and the territory of such districts situated in the township in which the school house of the joint district is not located shall be attached for school purposes to the township school district in which such school house is located. Such territory shall constitute a part of such township school district, and the title of all school property located therein is vested in the board of education of the township to which the territory is attached. (R. S. Sec. 3923.)

Map of attached territory.

SECTION 4724. A map of such attached territory shall be prepared under the direction of the board of education of the township district to which the territory is attached and made a part of the records of the board. A copy of such map shall be filed with the auditor of the county in which such territory is situated, or, if the territory is in two or more counties, it shall be filed with the auditor of each county. (R. S. Sec. 3923.)

SECTION 4725. When such joint subdistrict is a part of townships, both of which have centralized schools and no school is maintained in such subdistrict, the boundaries of the civil township so situated shall form the boundaries of the township school districts, and each township shall have control of the territory of such joint subdistrict lying within its boundaries. (R. S. Sec. 3923.)

When joint subdistrict is part of townships having centralized schools.

CENTRALIZATION.

SECTION 4726. A township board of education may submit the question of centralization, and, upon the petition of not less than one-fourth of the qualified electors of such township district, must submit such question to the vote of the qualified electors of such township district at a general or special election called for that purpose. If more votes are cast in favor of centralization than against it, at such election, such board of education shall proceed at once to the centralization of schools of the township, and, if necessary, purchase a site or sites and erect a suitable building or buildings thereon. If, at such election, more votes are cast against the proposition of centralization than for it, the question shall not again be submitted to the electors of such township district for a period of two years. (R. S. Sec. 3927-2, as amended May, 1910.)

Submission of question of centralization.

SECTION 4727. When the schools of a township have been centralized such centralization shall not be discontinued within three years, and then only by petition and election, as herein required. If at such election more votes are cast against centralization than for it, the division into subdistricts as they existed prior to centralization shall thereby be re-established, at the next regular election and subdistrict directors shall be elected, as herein provided. (R. S. Sec. 3927-2.)

SECTION 4741. When a petition is signed by not less than one-third of the electors residing within the territory constituting a special school district, praying for the abandonment or continuance of such special district, is presented to the board of education of such district, or when such board, by a majority vote of the full membership

thereof, shall decide to submit the question of abandoning or continuing the special school district, the board shall fix the time of holding such election at a special or general election. The clerk of the board shall notify the deputy state supervisors of elections as herein provided in case of first election, of the date of such election and the purposes thereof, and such deputy state supervisors shall provide therefor. The clerk of the board of education shall post notices thereof in five public places within the district. (R. S. Sec. 3935.)

SECTION 4742. If the question is submitted at a special election in a district in two or more election precincts, it shall be held at the precinct nearest the school house in such special district, by the election officers of the precinct, and all the electors of the district may vote at such precinct. If the district is situated in two or more counties, the deputy state supervisors of the county in which such nearest election precinct is situated shall have charge of the election. If the question is submitted at a regular election, it shall be conducted in the same manner as the election of members of the board of education. (R. S. Sec. 3935.)

Where election shall be held and by whom conducted.

SECTION 4743. The ballot shall be in the regular form but without the circle at the top, and shall have printed thereon, "Abandonment of special school district, yes"; "Abandonment of special school district, no" or "Continuance of special school district, yes"; or "Continuance of special school district, no", as the case may be. The expense of the election shall be paid in the same manner as other school election expenses, and the returns thereof shall be made to the board of education of the special school district. If more votes are cast for abandonment than against it, or against continuance than for it, such board shall certify the result to the board or boards of education of the township or townships having territory in the special district, and the territory of the special district shall thereby revert to the township school district or districts from which it was originally taken, except as hereinafter provided in case of indebtedness of the special district. Otherwise such district shall continue to be and remain a legal special school district as theretofore constituted. (R. S. Sec. 3935.)

Form of ballot; result of election.

SECTION 4744. The legal title of the property of a special school district in case of abandonment or failure to continue shall become vested in the board or boards of education of the township or townships in which such property is situated. The school funds of such special district shall be paid into the treasury of the township district, and if such special district is in two or more townships, such funds shall be divided between them in proportion to the total tax valuation of property in the several districts. The abandonment of a special school district shall not be complete until the board of education of the district has provided for the payment of any indebtedness that may exist. (R. S. Sec. 3935.)

How funds shall be apportioned in case of abandonment.

4762. When other officers may act; restrictions.

When terms of members shall begin.

SECTION 4745. The terms of office of members of each board of education shall begin on the first Monday in January after their election, and each such officer shall hold his office four years and until his successor is elected and qualified. (97 v. 40 § 2.)

If a school district should fail to elect members of the board of education at a regular election, the members whose successors should have been chosen, continue to hold office until their successors are elected and qualified. Attorney General.

Oath of members of board and other officers.

SECTION 4746. Before entering upon the duties of his office, each person elected or appointed a member of a board of education or elected or appointed to any other office under this title shall take an oath to support the constitution of the United States and the constitution of this state and that he will perform faithfully the duties of his office. Such oath may be administered by the clerk or any member of the board. (R. S. Sec. 3979.)

Ballots for school board.

SECTION 5032. The names of candidates for members of the board of education of a school district, however nominated, shall be placed on one independent and separate ballot without any designation whatever, except for member of board of education and the number of members to be elected. (98 v. 116 § 1.)

How ballot for school board printed.

SECTION 5033. The ballots for members of the board of education shall be prepared and printed as follows: The whole number of ballots to be printed for the school district shall be divided by the number of candidates for member of board of education of the district, and the quotient so obtained shall be the number of ballots in each series of ballots to be printed. The names of candidates shall be arranged in alphabetical order and the first series of ballots printed. Then the first name shall be placed last and the next series printed, and so shall the process be repeated until each name shall have been first. These ballots shall then be combined in tablets with no two of the same order of names together, except when there is but one candidate. (98 v. 116 § 2.)

School districts in cities.

SECTION 5034. In city school districts, the ballots for each subdistrict shall contain the names of the candidates for member of the board of education from such subdistrict and also the names of the candidates to be elected at large. (97 v. 354 § 1.)

When the legislature has fixed by law the time for holding an election of officers, an election at any other time, unless provided for by law, is unauthorized and void. 20 O. S., 167.

When candidates for different terms are running for the office of mem-

ber of the board of education, the term each is to serve should be designated on the ballots and such designation cannot be disregarded by the judges of election. 20 O. S., 336.

A person so elected may appear before any person authorized by law to administer an oath, and may take his oath of office. This should be done in case the member-elect is, for any reason, unable to attend the meeting for organization. The certificate of the officer administering the oath should be sent to the board and copied in the records, to obviate all questions. For the same reason, a record should be made of the oath administered to each member.

Officers who have sworn to perform official duties may be compelled to perform them by writ of mandamus. This writ issues from the supreme, circuit or common pleas court. Section 12234 of the General Code.

They also may be restrained from doing illegal acts under color of authority as officers by writ of injunction. This writ issues from the supreme, circuit or common pleas court, or a judge thereof; or from the probate court, in case none of the above named judges are in the county. Section 11877, General Code.

But to boards of education is left large discretion as to the manner of performing their official duties, and courts will not interfere with this discretion. 23 O. S., 211.

Officers required by law to exercise their judgments, are not answerable for mistakes of law or mere errors of judgment, where there is neither fraud nor malice. *Jenkins v. Waldron*, 11 Johnson's Rep., 114.

An officer acting within the scope of his authority is only responsible for an injury resulting from a corrupt motive. 17 Ohio, 402.

A public officer who is required by law to act in certain cases, according to his judgment or opinion, and subject to penalties for his neglect, is not liable to a party for an omission arising from a mistake or want of skill, if acting in *good faith*. *Seamen v. Patten*, 2d Cain's Rep., 312.

But an officer entrusted by the common law or by statute is liable to an action for *negligence* in the performance of his trust or for *fraud* or neglect in the execution of his office. *Jenner v. Joliffe* 9 John, Rep., 381.

The performance of any act prohibited by statute, or any wilful neglect of duty, and for which no penalty is provided by enactment, is a misdemeanor. For the number of votes necessary in the election of officers of the board, see section 4752.

President and clerk of township boards to attend December meeting of township trustees; Sec. 3273.

Inspection of school funds in case of non-attendance of president and clerk as required by Sec. 3273; see Sec. 3315.

SECTION 4747. The board of education of each school district shall organize on the first Monday of January, after the election of members of such board. One member of the board shall be elected president, one as vice president and in township school districts the clerk of the township shall be clerk of the board. The president and vice president shall serve for a term of one year and the clerk for a term not to exceed two years. In all other districts a person who may or may not be a member of the board shall be elected clerk. The board shall fix the time of holding its regular meetings. (As amended April 28, 1910.)

Organization
of the board.

President of board of education is an officer within the meaning of section 8, G. C., and holds over until successor qualifies. *State v. Withrow*, 31 O. C., 215 (11 N. S., 569.)

SECTION 4748. A vacancy in any board of education may be caused by death, non-residence, resignation, removal from office, failure of a person elected or appointed to qualify within ten days after the organization of the board or of his appointment, removal from the district or absence from meetings of the board for a period of ninety days, if such absence is caused by reasons declared insufficient by a two-thirds vote of the remaining members of the board, which vote must be taken and entered upon the records of the board not less than thirty days after such absence. Any such vacancy shall be filled by the board at its next regular or special meeting, or as soon thereafter as possible, by election for the unexpired term. A majority vote of all the remaining members of the board may fill any such vacancy. (R. S. Sec. 3981.)

Vacancies in
board, how
filled.

Corporate
powers of
board of
education.

SECTION 4749. The board of education of each school district, organized under the provisions of this title, shall be a body politic and corporate, and, as such, capable of suing and being sued, contracting and being contracted with, acquiring, holding, possessing and disposing of real and personal property, and taking and holding in trust for the use and benefit of such district any grant or devise of land and any donation or bequest of money or other personal property and of exercising such other powers and privileges as are conferred by this title and the laws relating to the public schools of this state. (R. S. Sec. 3971.)

For "an act to authorize certain boards of education to sell real estate at private sale to municipal corporations," see 81 v. 93.

For "an act to authorize the use of school houses for literary entertainments, school exhibitions, singing schools, and religious exercises," see Sec. 7622.

A board of education is not liable, in its corporate capacity, for damages for an injury resulting to a pupil while attending a common school, from its negligence in the discharge of its official duty in the erection and maintenance of a common school building under its charge, in the absence of a statute creating a liability. 30 O. S., 37.

A dedication for school purposes is for a specific use, and confers no power of alienation so as to extinguish the use. 18 O. S., 221.

Boards of education are invested with the title to the property of their respective districts in trust for the use of public schools; and a lease of a public school house for the purpose of having a private or select school taught therein, for a term of weeks, is in violation of the trust; and such use may be restrained at the suit of a resident taxpayer of the district. 35 O. S., 143.

Where land was conveyed to a township board of education, its successors and assigns, for the use of school purposes only, and the board afterward sold the land at public outcry to C.; Held, that the sale was not in violation of the terms of the grant. 37 O. S., 262.

The board of education being a legal entity empowered to sue, has capacity to sue its defaulting treasurer without resorting to his bond. 51 O. S., 115.

An officer acting within the scope of his authority is only responsible for an injury resulting from a corrupt motive. 17 O., 402.

A board of education is not subject to quo warranto, since it cannot be ousted; it is not such a corporation as R. S., Sec. 6761 contemplates, but a state agency. 7 C. C., 152.

Corporations must take and grant by their corporate names. 2 Kent., 11 Ed., 351.

Board may
make rules;
local meet-
ings.

SECTION 4750. The board of education shall make such rules and regulations as it deems necessary for its government and the government of its employes and the pupils of the schools. No meeting of a board of education, not provided for by its rules or by law, shall be legal unless all the members thereof have been notified, as provided in the next section. (R. S. Sec. 3985.)

Board can not authorize clerk to become custodian of tuition funds under this section. 74 O. S., 80. See State ex rel. v. Wickham under section 7684.

As the act authorizing the board to make rules does not provide how they shall be enforced, the board has discretionary power over the subject. A rule that a pupil not prepared with a rhetorical exercise should be suspended unless excused for cause is reasonable. Neither the board nor the teacher suspending a pupil under such rule is liable for damages. 29 O. S., 89.

The rules must not be inconsistent with Sec. 3982 R. S., 52 O. S., 138, 149.

If a deliberative body adopts rules, but no rule for suspending a rule, a suspension cannot be by a bare majority, for the rule would then have no force as a rule. 2 C. C., 510, 517.

Corporal punishment may be inflicted if such are the rules of the school, and an unknown predisposition to certain diseases will not make an otherwise proper punishment tortious. 4 B., 81.

A reporter is on the floor of a school board as a privilege and not as a right, a gallery being provided for the rest of the public, and the board may expel him. 9 B., 242.

SCHOOL DISCIPLINE.

The conduct of the pupils upon any part of the premises connected with the school house or in the immediate vicinity of the same (the pupils being thus virtually under the care of the teacher), whether within the regular school hours or before or after them, is properly cognizable by the teacher. And any disturbance made by them within range injuriously affecting in any way the interests of the school, may clearly be the subject of reproof and correction by the teacher. Barden, School Law, p. 79.

The right of a schoolmaster to correct his scholars has always been practically and judicially sanctioned, but the chastisement must not exceed the limits of moderate correction; and though courts are bound, with a view to the maintenance of necessary order and decorum in schools, to look with all reasonable indulgence upon the exercise of this right, yet, whenever the correction shall appear to have been clearly excessive and cruel, it must be adjudged illegal. 10 Vt., 108.

The parent may be said to exercise a judicial authority in determining what punishment by *himself*, is proper for his child, but is liable, criminally, in a clear case of excess. *Johnson v. State*, 2 Hump, 283. The teacher also acts judicially in such a case, and is not to be made liable, civilly or criminally, unless he acted with express malice, or was guilty of such excess that malice must be implied. 2 Dev. and Bat., 365; 4 Ind. R., 290.

Whether under the facts the punishment is excessive, must be left to the jury to decide. *Commonwealth of Massachusetts v. Randall*, 4 Gray, 38.

If the effects of acts done out of school houses reach within the school-room during school hours, and are detrimental to good order and the best interests of the pupils, it is evident that such acts may be forbidden. 31 Ia., 562.

Though a schoolmaster has, in general, no right to punish a pupil for misconduct committed after the dismissal of school for the day and the return of the pupil to his home, yet he may on the pupil's return to school, punish him for any misbehavior, though committed out of school, which has a direct or immediate tendency to injure the school and to subvert the master's authority. 32 Vt. 114.

While the decisions in Ohio are very limited on this subject, it seems to be the consensus of opinion throughout the different states that the teacher's authority over a pupil extends to all actions taking place in the immediate vicinity of the school; that on the pupil's way to and from school the authority of the parent and teacher is concurrent, the parent taking precedent when both are present, and that the teacher can call a pupil to account for misconduct, committed at any time, tending to impair the usefulness of the school or to subvert the teacher's authority.

A court may review the action of a board and pass upon the reasonableness of any of its rules, but if they have erred, while discharging their duty in good faith, they are not liable to action therefor. 32 Vermont, 224.

The act of the board of education and the teachers, in matters of organizing, grading, and governing the school, will be conclusive, unless the power is abused or perverted under some apparently reasonable pretense. 23 Pick., 224; 2 Cushing, 198.

"A teacher, in the exercise of the power of corporal punishment, must not make such power a pretext for cruelty and oppression; but the cause must be sufficient, the instrument suitable, and the manner and extent of the correction, the part of the person to which it is applied, and the temper in which it is inflicted, should be distinguished with the kindness, prudence, and propriety which become the station." *Cooper v. McJunkin*, 4 Ind., 290.

A schoolmaster is not relieved from liability in damages for the punishment of a scholar which is *clearly* excessive and unnecessary, by the fact that he acted in good faith and without malice, honestly thinking that the punishment was necessary, both for the discipline of the school and the welfare of the scholar.

If there is any reasonable doubt whether the punishment was excessive, the teacher should have the benefit of the doubt. *Lander v. Seaver*, 32 Vt. R., 123; *Wharton's American Crim. Law*, 1250, and 1 *Sanders on Pl. Ev.*, 144.

In the case of *Martin Quinn v. Mary D. Nolan*, a suit tried in the superior court of Cincinnati, Judge Harmon, in charging the jury, used the following language:

"If the jury should find the defendant did not, in view of all the circumstances, inflict a greater degree of punishment upon the plaintiff's son than she was fairly entitled to do, and was proper, of course they must find for defendant. But, if they should find she did go beyond that, then it would be necessary to go further and inquire into the damages that should be allowed. The law holds a person responsible only for the natural and ordinary consequences of his acts, these consequences which the law presumes he might or should have foreseen at the time he committed the act. Therefore, it might make a difference in the amount of their finding if it should appear that the child was afflicted with or predisposed to certain diseases, and the defendant had no notice thereof from his parents, the boy himself, his appearance, or otherwise. If the defendant, from the knowledge she had of the boy and his appearance, would be justified in supposing him to be like other boys of his age, and inflicted only a proper punishment, then she would not be liable at all, even though unfortunately some hidden defect in the boy's constitution should cause injury to his health to follow. Or, if they should find for the plaintiff, this fact of ignorance on her part would prevent her from being liable for any consequence arising from such weakness or predisposition in the boy, of which she was ignorant in fact, and of which his appearance furnished no warning. It is the duty of parents who send their children to school, whose health or disposition would render the punishment permitted by the rules of the school dangerous or improper, to see the teacher is informed of the fact."

SECTION 475I. A special meeting of a board of education may be called by the president or clerk thereof or by any two members, by serving a written notice of the time

Special meeting of the board.

and place of such meeting upon each member of the board either personally or at his residence or usual place of business. Such notice must be signed by the official or members calling the meeting. (R. S. Sec. 3978.)

Quorum; yeas
and nays in
certain cases.

SECTION 4752. A majority of the members of a board of education shall constitute a quorum for the transaction of business. Upon a motion to adopt a resolution authorizing the purchase or sale of real or personal property or to employ a superintendent or teacher, janitor or other employe or to elect or appoint an officer or to pay any debt or claim or to adopt any text book, the clerk of the board shall publicly call the roll of the members composing the board and enter on the record the names of those voting "Aye" and the names of those voting "No". If a majority of all the members of the board vote aye, the president shall declare the motion carried. Upon any motion or resolution, a member of the board may demand the yeas and nays, and thereupon the clerk shall call the roll and record the names of those voting "Aye" and those voting "No". Each board may provide for the payment of superintendents, teachers and other employes by pay-roll, if it deems advisable, but in all cases such roll call and record shall be complied with. (R. S. Sec. 3982.)

Records of quasi corporations are not considered of that absolute verity that parol testimony is inadmissible to show facts upon which the record is silent. 5 O., 136.

An agreement by members of a township board of education, acting in their individual capacity, to purchase from another person apparatus for the schools of the township, and to ratify such contract of purchase at the next meeting of the board, is contrary to public policy, and therefore illegal and void, and not enforceable either against the board or the members thereof as individuals. 29 O. S., 419.

The order of the clerk on the treasurer is not negotiable, and the written acceptance of an order by a treasurer who has gone out of office imposes no greater obligation on the treasurer to pay than if it had been presented without such endorsement. 22 O. S., 144.

Calling the roll and entering the "ayes" and "noes" is mandatory else the election is void. 52 O. S., 138.

Where the minutes show the aye and nay vote and how each member voted but does not state expressly that the roll was called, this is sufficient compliance with this section. 13 C. C., 207.

An election to fill a vacancy on the board is not an election of an officer and would not come under the provisions of this section.

In case a board should really lose half or more of its members, the county commissioners must keep up the schools. As they may do all that a board could do, they may appoint a new board, or members enough to proceed with the appointment to the completion of a new board; see Sec. 7610.

In all cases except those which are declared to require a majority of all the members composing the board, a majority of a quorum is sufficient to pass a measure, and the roll need not be called unless demanded by a member of the board.

No member of a board can delegate his power to act to another person, either a member of the board or otherwise. It is said that this is sometimes done. But acts depending on such delegated votes are void. For heavy penalty attached to such assumption of official duty, see Revised Statutes, Sec. 6913.

Absence of
proceedings
or clerk.

SECTION 4753. If the president or clerk is absent at any meeting of the board of education, the members present shall choose one of their number to serve in his place pro tempore. If both the president and clerk are absent, both places shall be filled. On the appearance of either at the meeting after his place has been so filled, he shall immediately assume the duties of his office. (R. S. Sec. 3983.)

Record of
proceedings
and attestation
thereof.

SECTION 4754. The clerk of the board of education shall record the proceedings of each meeting in a book to be provided by the board for that purpose, which shall

be a public record. The record of proceedings at each meeting of the board shall be read at its next succeeding meeting, corrected, if necessary, and approved, which approval shall be noted in the proceedings. After such approval, the president shall sign the record and the clerk attest it. (R. S. Sec. 3984.)

A board of education can speak only through its records, and these must accordingly be complete, showing just what the board did, and no more. A motion made by a member, seconded by another member, stated by the president, and voted on by the board, is business, and is to be recorded, though not a single member voted for it. Any vote upon it, as to refer, to postpone, or to lay upon the table, is action, and should be recorded. If the board adjourn pending the consideration of the motion, the motion should be recorded. If the mover withdraws the motion, by consent of the board, by general consent it may also be omitted from the records.

The records of a special meeting should state by whom the meeting was called, as the legality of the proceedings depends upon the legality of the call.

If a record is inadequately entered, parol evidence may, it seems, be admitted to show that action was taken which is not found on the records at all. The commissioner of schools of Rhode Island decided, under instruction of Judge Brayton, of the supreme court, that "imperfections in a clerk's record of a resolution do not render invalid a tax properly voted." Yet all these imperfections in the record lead to trouble—some litigation, often to questions which only courts of law can decide, and in which their decision may be such as to defeat what was attempted to be done in the case.

The power to amend the records exists with the clerk while he is in office, but not after his term expires, nor for any purpose other than to make them truthful and complete as to fact. 11 Mass., 477; 17 Maine, 444.

Records of *quasi* corporations are not considered of that absolute verity that parol testimony is inadmissible to show facts upon which the record is silent. 5 Ohio, 136.

Recording of vote in certain cases; see Sec. 4752.

Where a board at a regularly called meeting, makes a contract with a qualified teacher, but no record is made of the proceedings, the teacher may prove, if he can do so by competent parol testimony, such official action of said board. 3 C. C., 517.

SECTION 4755. By the adoption of a resolution, a board of education may accept any bequest made to it by will or may accept any gift or endowment from any person or corporation upon the conditions and stipulations contained in the will or connected with the gift or endowment. For the purpose of enabling the board to carry out the conditions and limitations upon which a bequest, gift or endowment is made, it may make all rules and regulations required to fully carry them into effect. No such bequest, gift or endowment shall be accepted by the board if the conditions thereof shall remove any portion of the public schools from the control of such board. (R. S. Sec. 3975.)

Boards may accept bequests.

SECTION 4756. When a board of education decides to dispose of real or personal property, held by it in its corporate capacity, exceeding in value three hundred dollars, it shall sell such property at public auction after giving at least thirty days' notice thereof by publication in a newspaper of general circulation or by posting notices thereof in five of the most public places in the district in which such property is situated. When the board has twice so offered a tract of real estate for sale at public auction and it is not sold, the board may sell it at private sale, either as an entire tract or in parcels, as the board deems best. The president and secretary of the board shall execute and deliver deeds necessary to complete such sale. (R. S. Sec. 3971.)

How real property may be sold.

SECTION 4757. Conveyances made by a board of education shall be executed by the president and clerk

Conveyance and contracts.

thereof. No member of the board shall have directly or indirectly any pecuniary interest in any contract of the board or be employed in any manner for compensation by the board of which he is a member except as clerk or treasurer. No contract shall be binding upon any board unless it is made or authorized at a regular or special meeting of such board. (R. S. Sec. 3974.)

Member of board of education accepting compensation.

SECTION 12883. Whoever, being a member of a board of education, accepts or receives for his services as such member any compensation except as clerk or treasurer of such board or as otherwise provided by law, shall be imprisoned in the penitentiary not less than one year nor more than twenty-one years and fined double the amount of money or other property so accepted or received. (R. S. Sec. 6975.)

Officer or agent interested in contracts.

SECTION 12910. Whoever, holding an office of trust or profit by election or appointment, or as agent, servant or employe of such officer or of a board of such officers, is interested in a contract for the purchase of property, supplies or fire insurance for the use of the county, township, city, village, board of education or a public institution with which he is concerned, shall be imprisoned in the penitentiary not less than one year nor more than ten years. (R. S. Sec. 6969.)

Same as to other contracts.

SECTION 12911. Whoever, holding an office of trust or profit, by election or appointment, or as agent, servant or employe of such officer or of a board of such officers, is interested in a contract for the purchase of property, supplies or fire insurance for the use of the county, township, city, village, board of education or a public institution with which he is not connected, and the amount of such contract exceeds the sum of fifty dollars, unless such contract is let on bids duly advertised as provided by law, shall be imprisoned in the penitentiary not less than one year nor more than ten years. (R. S. Sec. 6969.)

Employing relative as teacher.

SECTION 12932. Whoever, being a local director or member of a board of education, votes for or participates in the making of a contract with a person as a teacher or instructor in a public school to whom he or she is related as father or brother, mother or sister, or acts in a matter in which he or she is pecuniarily interested, shall be fined not less than twenty five dollars nor more than five hundred dollars or imprisoned not more than six months, or both. (R. S. Sec. 6975a.)

Exchange of real estate.

SECTION 4758. Upon a vote of a majority of the members of a board of education and a concurring vote of the council of a municipal corporation, declaring that an exchange of real estate held by such board for school purposes for real estate held by such municipal corporation for municipal purposes will be mutually beneficial to such school district and municipal corporation, such exchange may be made by conveyances, executed by the mayor and clerk of the corporation and by the president and clerk of the board of education, respectively. (R. S. Sec. 3971.)

School property exempt from taxation.

SECTION 4759. Real or personal property vested in any board of education shall be exempt from taxation and from sale on execution or other writ or order in the nature of an execution. (R. S. Sec. 3973.)

Non-taxation of school property; Sec. 5349.

Provisions relating to taxation of school, ministerial, and other lands; Sec. 5330.

School property is not liable to assessment for street improvement; nor can a judgment be rendered against the board of education for the payment of the assessment out of its contingent fund. 48 O. S., 83.

Sidewalk — School property not assessable for. 48 O. S., 87.

Property purchased by a board of education, and upon which there is a mortgage lien, may be sold on foreclosure. 39 B., 76; Aff'd by Supreme Court.

SECTION 4760. Process in all suits against a board of education shall be by summons which shall be served by leaving a copy thereof with the clerk or president of the board. (R. S. Sec. 3976.)

Processes
against boards,
how served.

SECTION 4761. Except in city school districts, the prosecuting attorney of the county shall be the legal adviser of all boards of education of the county in which he is serving. He shall prosecute all actions against a member or officer of a board of education for malfeasance or misfeasance in office, and he shall be the legal counsel of such boards or the officers thereof in all civil actions brought by or against them and shall conduct such actions in his official capacity. When such civil action is between two or more boards of education in the same county, the prosecuting attorney shall not be required to act for either of them. In city school districts, the city solicitor shall be the legal adviser and attorney for the board of education thereof, and shall perform the same services for such board as herein required of the prosecuting attorney for other boards of education of the county. (R. S. Sec. 3977.)

Prosecuting
attorney or
city solicitor
to be counsel
of school
board.

It has been held by attorneys for the state that, since a board of education by the provisions of section 4749 is a body politic and corporate, and is vested with the power of suing and being sued, it is authorized, by implication, to employ legal counsel to assist the prosecutor in any case in which the board is plaintiff or defendant.

SECTION 4762. The duties prescribed by the preceding section shall devolve upon any official serving in a capacity similar to that of prosecuting attorney or city solicitor for the territory wherein a school district is situated, regardless of his official designation. No prosecuting attorney, city solicitor or other official acting in a similar capacity shall be a member of the board of education. No compensation in addition to such officer's regular salary shall be allowed for such services. (R. S. Sec. 3977.)

SECTION 4763. In each city, village and township school district, the treasurer of the city, village and township funds, respectively, shall be the treasurer of the school funds. In each special district the board of education shall choose its own treasurer, whose term of office shall be for one year beginning on the first day of September. (R. S. Sec. 4042.)

The relations between the board of education and the treasurer are such that one person can not be a member of the board and at the same time act as its treasurer. In passing upon the sufficiency of the treasurer's bond, if he be a member of the board, his own vote may determine the action of the board in reference to said bond.

Sec. 19. The state, any county, township, municipal corporation, or school board, shall not be precluded by the illegal loan or deposit by any officer or agent of public money, funds, property, bonds, securities, or assets, belonging to it, from suing for and recovering the same; and such suit shall not be held to be an adoption or satisfaction of such illegal transaction.

Embezzlement of school funds, penalty; see sections 12873, 12878.

What is prima facie evidence of embezzlement by public officers; see Sec. 13674.

Township trustees have no authority to release a treasurer from his liability for any portion of the school fund belonging to the township. 13 O., 495.

Bond of
treasurer.

SECTION 4764. Before entering upon the duties of his office, each school district treasurer shall execute a bond, with sufficient sureties, in a sum not less than the amount of school funds that may come into his hands, payable to the state, approved by the board of education, and conditioned for the faithful disbursement according to law of all funds which come into his hands, provided that when school moneys have been deposited under the provisions of sections 7604-7608 inclusive, the bond shall be in such amount as the board of education may require. (As amended May 10, 1910.)

Additional
sureties or
new bond.

SECTION 4765. Thereafter such treasurer may be required to give additional sureties on his accepted bond, or to execute a new bond with sufficient sureties to the approval of the board of education when such board deems it necessary. If he fails for ten days after service of notice in writing of such requisition, to give such bond or additional sureties, as so required, the office shall be declared vacant and filled as in other cases. (R. S. Sec. 4043.)

SECTION 4766. Each such bond, when so executed and approved, shall be filed with the clerk of the board of education of the district, and recorded. He shall cause a certified copy thereof or the names of additional sureties, to be filed with the county auditor without delay. (R. S. Sec. 4043.)

Filing and approval of bond.

SECTION 4767. Such board at the time of the approval of any bond or sureties, shall require the treasurer of the school funds to produce all money, bonds or other securities in his hands as such treasurer, and they then must be counted by the board or a committee thereof, in the presence of its clerk, who thereupon shall enter upon the records of the board, a certificate, setting forth the exact amount of money or securities so found in the hands of such treasurer. Such record shall be signed by the president and clerk of the board and be prima facie evidence that the amount therein stated was actually in the treasury at that date. (R. S. Sec. 4043.)

Counting of funds.

SECTION 4768. No treasurer of a school district shall pay out any school money except on an order signed by the president or vice-president, and countersigned by the clerk of the board of education, and when such school moneys have been deposited as provided by sections 7604-7608 inclusive, no money shall be withdrawn from any such depository, except upon an order signed by the treasurer and by the president or vice president and countersigned by the clerk of the board of education; and on money shall be paid to the treasurer of the district other than that received from the county treasurer, except upon the order of the clerk of the board, who shall report the amount of such miscellaneous receipts to the county auditor each year immediately preceding such treasurer's settlement with the auditor. (As amended May 10, 1910.)

When treasurer may receive or pay money.

A board of education has capacity to sue its treasurer for money received and not accounted for. The remedy is not limited to an action on the bond, but may be for money had and received. 51 O. S., 115.

The treasurer should not pay an order for what he believes to be an illegal object, until he can consult with other members of the board, and have the question fully investigated. A man of discretion is supposed to be chosen to this, as to other offices, that the chances for discovering errors and fraud may be multiplied.

SECTION 4769. The clerk of a board of education or the county auditor shall pay no money into the hands of the treasurer of a school district in excess of the amount of his bond. Should any such clerk or auditor violate this provision, he and his bondsmen shall be liable for any loss occasioned thereby. But where depositories for school funds have been created under the provisions of sections 7604-7608 inclusive, all school moneys shall be paid directly into such depository or depositories by the auditor upon the written order of the board of education signed by the president or vice president and countersigned by the clerk. In case the school funds have been deposited under the provisions of sections 7604-7608 inclusive, the limitation of payment herein contained shall not apply. Before giving

Maximum amount of funds which treasurer may hold.

such treasurer a warrant or order for school funds, the auditor may require the treasurer to file with him a statement showing the amount of such funds in his possession, signed by the clerk of the board of education. (R. S. Sec. 4048.)

Annual settlement by treasurer with county auditor.

SECTION 4770 Within the first ten days of September, each year, the treasurer shall settle with the county auditor for the preceding school year, and for that purpose he shall make a certified statement showing the amount of money received, from whom, and on what account, the amount paid out, and for what purpose. He shall produce vouchers for all payments made. If the auditor, on examination, finds the statement and vouchers to be correct, he shall give the treasurer a certificate of the fact, which shall prima facie be a discharge of the treasurer for the money paid. When the treasurer's term begins on the first day of September, the annual settlement shall be made by the outgoing treasurer. (R. S. Sec. 4044.)

If it is evident to the county auditor that the school moneys have been illegally paid out, as they would if paid to any member of a board of education on any contract with such board, or as an employee thereof, it is his duty to refuse the treasurer credit for the same. If moneys have been paid from the wrong fund, as from the school fund, when the law says it must be township fund, the auditor must not allow credit to such orders. He should insist on their correction by the board, or correct them himself by proper debit and credit. No voucher should be received by the auditor which he has reason to believe a court of law would reject. No paper is a voucher for the payment of money to A, which has not A's receipt on it, or accompanying it. An order properly made out, but merely marked "paid" by the treasurer, is not a receipt.

Compensation for making settlement.

SECTION 4771. For making such settlement, the treasurer shall be entitled to receive the sum of one dollar, and also five cents per mile for traveling to and from the county seat, to be paid from the county treasury, on the order of the county auditor. (R. S. Sec. 4044.)

Penalty for failure to make settlement.

SECTION 4772. If the treasurer of any school district willfully or negligently fails to make such annual settlement within the time so prescribed, he shall forfeit and pay fifty dollars, to be recovered in a civil action in the name of the state, which amount, when collected, shall be paid into the county treasury and applied to the use of the common schools in his district. In case of such failure, the county auditor shall proceed forthwith to recover the forfeiture by suit against the treasurer before a justice of the peace of the county. (R. S. Sec. 4045.)

Treasurer to deliver funds to successor.

SECTION 4773. At the expiration of his term of service, each treasurer shall deliver to his successor in office, all books, papers, money, and other property in his hands belonging to the district, and take duplicate receipts of his successor therefor. One of these he shall deposit with the clerk of the board of education within three days thereafter. (R. S. Sec. 4049.)

Penalty for failure or refusal to pay over public money; see Section 13674.

Bond of clerk.

SECTION 4774. Before entering upon the duties of his office, the clerk of each board of education shall execute a

bond, in an amount and with surety to be approved by the board, payable to the state, conditioned for the faithful performance of all the official duties required of him. Such bond must be deposited with the president of the board, and a copy thereof, certified by him, shall be filed with the county auditor. (R. S. Sec. 4050.)

Township clerk is authorized to administer oaths connected with school affairs; see Sec. 3303.

Board can not authorize clerk to become custodian of tuition funds. 74 O. S., 80.

Duties and powers of clerk, 170 D. N. P., 108; 29 O. C. C., 32 (N. S. 120).

SECTION 4775. The clerk of each board of education shall prepare the annual report of the receipts and expenditures of school money and the statistical statement in reference to the schools, required by law to be made by the board, and transmit it to the county auditor on or before the first day of September. But in each school district having a superintendent of schools, such report, except the receipts and expenditures of money, shall be made by the superintendent. (R. S. Sec. 4052.)

Annual statistical report of board of education.

Penalty for not making report; see Sec. 7790.

The board of education should see that the reports required by this section are filed before allowing compensation to the clerk for his services.

SECTION 4776. Except city districts, the board of education of each district shall require the clerk of the board annually, ten days prior to the election, to prepare and post at the place or places of holding such elections, or publish in some newspaper of general circulation in the district, an itemized statement of all money received and disbursed by the treasurer of the board, within the school year next preceding. (R. S. Sec. 4053.)

Publication of statement of receipts and expenditures by clerk.

SECTION 4777. At the expiration of his term of office, each clerk shall deliver to his successor all books and papers in his hands relating to the affairs of his district, including certificates, and copies thereof, and reports of school statistics, filed by teachers. (R. S. Sec. 4054.)

Clerk to deliver goods, etc., to successor.

SECTION 4778. The auditor of each county shall furnish to the clerk and treasurer of each school district in his county a suitable blank book, made according to the form prescribed by the bureau of inspection and supervision of public offices, in which each must keep an account of the school funds of his district. (R. S. Sec. 4055.)

How treasurer and clerk to keep accounts.

SECTION 4779. The clerk's account shall show the amounts certified by the county auditor to be due the district, all sums paid to the treasurer from other sources on his order, and all orders drawn by him on the treasurer, upon what funds and for what purposes drawn. (R. S. Sec. 4055.)

SECTION 4780. The treasurer's accounts shall show the amounts received from the county treasurer, all sums received from other sources on the order of the clerk, the amounts paid out, and from what funds and for what purposes paid. A separate account of each fund must be kept, and each account balanced at the close of the school year,

and the balance in the treasurer's hands belonging to each fund shown. (R. S. Sec. 4055.)

Embezzlement
by municipal
and school
officers.

SECTION 12878. Whoever, being a member of the council of a municipal corporation, or an officer, agent, clerk or servant of such corporation, or board or department thereof, or an officer, clerk or servant of a board of education, knowingly diverts, appropriates or applies funds, or a part of a fund raised by taxation or otherwise, to any use or purpose other than that for which it was raised or appropriated, or knowingly diverts, appropriates or applies money borrowed, or a bond of the corporation or part of the proceeds of such bond, to any use or purpose other than that for which such loan was made, or bond issued, shall be imprisoned in the penitentiary not less than one year nor more than twenty-one years and fined in double the amount of money or other property embezzled. (R. S. Sec. 6846.)

Compensation
of treasurer
and clerk.

SECTION 4781. The board of education of each school district shall fix the compensation of its clerk and treasurer, which shall be paid from the contingent fund of the district. If they are paid annually, the order for the payment of their salaries shall not be drawn until they present to the board of education a certificate from the county auditor stating that all reports required by law have been filed in his office. If the clerk and treasurer are paid semi-annually, quarterly, or monthly, the last payment on their salaries previous to August thirty-first, must not be made until all reports required by law have been filed with the county auditor and his certificate presented to the board of education as required herein. (R. S. Sec. 4056.)

When treasurer of school moneys may be dispensed with.

SECTION 4782. When a depository has been provided for the school moneys of a district, as authorized by law, the board of education of the district, by resolution adopted by a vote of a majority of its members, may dispense with a treasurer of the school moneys, belonging to such school district. In such case, the clerk of the board of education of a district shall perform all the services, discharge all the duties and be subject to all the obligations required by law of the treasurer of such school districts. (R. S. Sec. 4042a.)

When clerk shall perform the duties of treasurer.

SECTION 4783. When the treasurer is so dispensed with, all the duties and obligations required by law of the county auditor, county treasurer or other officer or person relating to the school moneys of the district shall be complied with by dealing with the clerk of the board of education thereof. Before entering upon such duties, the clerk shall give an additional bond equal in amount and in the same manner prescribed by law for the treasurer of the school district. (R. S. Sec. 4042a.)

Provisions when depository ceases to act.

SECTION 4784. If for any reason, a depository in such district ceases to act as custodian of the school moneys, they shall be placed in the custody of the treasurer of the city, village or township in which the school district is located or of the special school district upon such treasurer giving bond as required by law, to the approval of the board of

education. Such moneys shall be held and disbursed by the treasurer in all respects as required by law until another depository is provided for such moneys. Thereupon he shall place such money in the depository and his duties and obligations relating thereto shall then cease. (R. S. Sec. 4042a.)

TITLE XIV. PUBLIC ELECTIONS.

(97 v. 354 § 3.)

The constitutional power of the legislature to provide for common schools is not limited by the definition of elector in Conts., V, Sec. 1, and the right to vote for school officers may be conferred on women. 9 C. C., 134. This section limits the voting privileges of women. It does not entitle them to vote on such questions as special tax levy, bond issue, erection of public buildings, etc., although the same be for school purposes.

Registration
of women.

SECTION 4940. The provisions of this chapter relating to registration shall apply to women upon whom the right to vote for member of the board of education is conferred by law, but the names of such women may be placed on a separate list. (97 v. 254 § 3.)

The names of candidates shall be arranged in alphabetical order and the first series of ballots printed. Then the first name shall be placed last and the next series printed, and so shall the process be repeated until each name shall have been first. be declared elected, and the next highest, and so on, until the number required to be elected shall have been selected from the number having the highest number of votes. If any number of persons greater than the number to be elected at such election have the highest and an equal number of votes, the board making the canvass shall determine by lot which of the persons shall be duly elected. of school
funds by
auditor of
state.

SECTION 7583. In each February settlement sheet the state auditor shall enter the amount of money payable to the county treasurer on the apportionment of interest specified in section seventy-five hundred and seventy-seven, and also enter in each February settlement sheet the amount of money payable to the county treasurer on account of interest for the preceding year on the common school fund, and designate the source or sources from which the interest accrued. With each February settlement sheet he shall transmit a certified statement, showing the amount of interest derived from the common school fund payable to each original surveyed township or other district of country within the county. (R. S. Sec. 3956.)

Apportionment
to be made in
February
settlement.

SECTION 7584. The treasurer of each county, at each semi-annual settlement with the auditor of state, shall retain in the county treasury, from the state taxes collected by him, the amount of the funds herein mentioned shown by the settlement sheet of the auditor of state to be payable to him at that time. If such amount for any county exceeds the amount of state taxes collected therein, the auditor of state shall draw an order on the treasurer of state, in-

favor of the treasurer of such county, for the balance of school funds due his county, and transmit it to such county treasurer, and the treasurer of the state shall pay such order upon its presentation to him. (R. S. Sec. 3956.)

When county
line divides
township.

SECTION 7585. If parts of an original surveyed township or fractional township are situated in two or more counties, the amount of interest on common school fund due to such township shall be paid in the manner provided in the next two preceding sections to the treasurer of the county wherein the greatest relative portion of such township is situated. But if it be uncertain in which county such portion is situated, the amount of interest due to such township shall be paid to the treasurer of the oldest county in which any part of the township is situated. (R. S. Sec. 3957.)

Board of edu-
cation to fix
rate of
taxation.

SECTION 7686. Each board of education, annually, at a regular or special meeting held between the third Monday in April and the first Monday in June, shall fix the rate of taxation necessary to be levied for all school purposes, after the state funds are exhausted. (R. S. Sec. 3958.)

Levy to be
divided into
four funds.

SECTION 7587. Such levy shall be divided by the board of education into four funds: First, tuition fund; second, building fund; third, contingent fund; fourth, bonds, interest and sinking fund. A separate levy must be made for each fund. (R. S. Sec. 3958.)

"A notice, by a clerk of a board of education, of a tax voted by the board, to build a school house, delivered to the auditor on the 11th day of June, is sufficient authority to the auditor for carrying the tax into his duplicate." II Western Law Monthly, 589.

It is a general rule that statutes, so far as they limit a time for the performance of an act by a public officer, for the public benefit, are merely directory, when *time* is not the *essence* of the thing to be done, unless there are negative words, and the act is valid if done afterwards.

Tuition from non-resident pupils is to be paid to the board of education, and placed in the contingent fund. A teacher has absolutely no authority to retain money received for tuition of non-resident pupils.

Prior to the passage of the present school code (97 O. L. 334), a valid assessment for street improvements could not be levied against school property. Whether the division of the contingent school fund into separate funds by the present school code will render valid such assessments levied since the enactment of the school code, *quaere*. 15 O. D. N. P., 334; 43 O. S., 83.

The Attorney General inclines to the opinion that such special assessments against school property are not collectible under the present school code, and a test case involving this question is now pending in the Common Pleas Court, brought at his suggestion.

Levy of taxes
for special
school dis-
tricts

SECTION 7588. In all cases of special school districts lying wholly within one civil township, or if the special district lies in and is part of two or more civil townships of the same or different counties, or two or more special districts lie wholly or partly within one civil township, a tax for school purposes may be levied, not exceeding six mills, on the duplicate of all the taxable property in such township lying outside of all city and village school districts therein. Such levy shall be made when a petition in writing signed by two-thirds of the electors of such civil township is filed with the clerk of the board of education of the township, by a joint board consisting of the board of education of that township and the board of education of the

special school district, or of the board of education of that township and the boards of education of the special school districts as the case may be, acting in joint session, at a meeting or meetings to be called for that purpose, by the president of the township board of education between the third Monday in April and the first Monday in June of each year. If such boards fail so to meet, or fail to agree and make such levy then it shall be made by the county commissioners on the application of either board. (R. S. Sec. 3958a.)

SECTION 7589. The funds raised from such levy shall be divided between the board of education of the township and of the special school district, or between the board of education of the township and the boards of education of the special school districts, as the case may be, in proportion to the number of children of that township of school age living in the township outside of the special school district and living in the township within the special school district or districts. In addition to the general levy by the joint boards, either board may levy an additional tax, not to exceed six mills, on the duplicate of all the taxable property within its own territory. The funds arising from such levy shall be used only for schools within the territory where the additional levy is made. (R. S. Sec. 3958a.)

How funds
divided.

SECTION 7590. If the levy so made by such boards is inequitable to either, or insufficient to provide for and maintain the schools in either the township or special school districts, either board may appeal to the county commissioners of the county in which the township is situated to adjust and make the levy. The commissioners then may make such levy, not exceeding six mills, for the purposes named in the next two preceding sections, as they may deem just and equitable and sufficient to provide for and maintain the schools in such township and school district. If either of such boards of education meet to fix a levy for school purposes, as provided in section seventy-five hundred and eighty-six, before the levy is fixed by the joint board as above provided, and the levy so made by such board of education, acting independently, is more than six mills on the dollar of valuation of taxable property in its school district, then the excess of the levy above the six mills shall be subject to division in proportion and manner as provided in the next preceding section between the township and special districts. (R. S. Sec. 3958a.)

Appeal to
county com-
missioners.

SECTION 7591. Except as hereinafter provided, the local tax levy for all school purposes shall not exceed twelve mills on the dollar of valuation of taxable property in any school district, and in city school districts shall not be less than six mills. Such levy shall not include any special levy for a specified purpose, provided for by a vote of the people. (R. S. Sec. 3959.)

Maximum
levy.

Greater tax
may be
levied.

SECTION 7592. A greater or less tax than is authorized above may be levied for any or all school purposes. Any board of education may make an additional annual levy of not more than five mills for any number of consecutive years not exceeding five, if the proposition to make such levy or levies has been submitted by the board, to a vote of the electors of the school district, under a resolution prescribing the time, place and nature of the proposition to be submitted, and approved by a majority of those voting on the proposition. (R. S. Sec. 3959.)

Notice of
election.

SECTION 7593. Notice of such election must be given by publication of the resolution for three consecutive weeks prior thereto in some newspaper published and of general circulation in the district, or by posting copies thereof in five of the most conspicuous places in the district for a like period, if no such paper is published therein. (R. S. Sec. 3959.)

Amount of
levy to be
certified to
county au-
ditor.

SECTION 7594. The amount of the levy fixed by the boards of education under the next eight preceding sections, shall be certified to the county auditor, in writing, on or before the first Monday in June of each year by the boards of education, and on or before the first Monday in August of each year by the county commissioners when the levy is made by them, who shall assess the entire amount upon all the taxable property of the district, and enter it upon the tax duplicate of the county. The county treasurer shall collect it at the time and in the same manner as state and county taxes are collected, and pay it to the treasurer of the district upon the warrant of the county auditor. He shall receive one per cent on all moneys so collected and no more. (R. S. Sec. 3960.)

Boards of education required to certify levy for building and other purposes, to the county auditor, in addition to the levy provided for in Secs. 7591-7595; see Sec. 7626.

Where a board of education certifies an estimate of a school tax to the county auditor, who places the same on the tax list in a reduced form, a citizen and taxpayer of the school district who, five months thereafter, seeks by mandamus on his own relation, to compel the auditor to place the original estimate on the tax list, must satisfy the court that the board of education did not consent to the reduction. 39 O. S., 455.

County commissioners to act as board of education in case the latter neglects to perform its duty; see Sec. 7610.

Salary of
teachers.

SECTION 7595. No person shall be employed to teach in any public school in Ohio for less than forty dollars a month. When a school district has not sufficient money to pay its teachers forty dollars per month for eight months of the year, after the board of education of such district has made the maximum legal school levy, three-fourths of which shall be for the tuition fund, then such school district may receive from the state treasurer sufficient money to make up the deficiency. (98 v. 200 § 1.)

The 78th General Assembly at its regular session, 1910, appropriated \$50,000 to aid weak school districts.

State aid.

SECTION 7596. A board of education having such a deficit must make affidavits to the county auditor, who shall send a certified statement of the facts to the state auditor.

The state auditor shall issue a voucher on the state treasurer in favor of the treasurer of such school district for the amount of the deficit in the tuition fund. (98 v. 200 § 1.)

SECTION 7597. No district shall be entitled to state aid as provided in the next two preceding sections, unless the number of persons of school age in such district is at least twenty times the number of teachers employed therein. (98 v. 200 § 2.)

Certain districts not entitled to state aid.

SECTION 7598. When a school district is composed of territory in two or more counties, the rate of taxation shall be ascertained by the board of education of such district and be certified to the auditors of the several counties, who must place it on the tax duplicate. It shall be collected as provided in section seventy-five hundred and ninety-four. (R. S. Sec. 3963.)

When district situated in two or more counties.

SECTION 7599. The funds belonging to a district composed of territory in more than one county shall be paid by the treasurers of the other counties to the treasurer of the county having the greatest tax valuation in such district. The auditors of other counties must make settlement on account of such funds with the auditor of the county having the greatest tax valuation; and the treasurer of the district shall make the settlement with such auditor, required by section seventy-six hundred and two. (R. S. Sec. 3963.)

To whom funds paid.

SECTION 7600. After each annual settlement with the county treasurer, each county auditor shall immediately apportion the school funds for his county. The state common school fund must be apportioned in proportion to the enumeration of youth in each of the several school districts within the county, except if an enumeration of the youth of any district has not been taken and returned for any year, such district shall not be entitled to receive any portion of such fund. The local school tax collected from the several districts must be paid to the districts from which it was collected. Money received from the state on account of interest on the common school fund shall be apportioned to the school districts and parts of districts within the territory designated by the auditor of state as entitled thereto, in proportion to the enumeration of youth therein. All other money in the county treasury for the support of common schools, and not otherwise appropriated by law, shall be apportioned annually in the same manner as the state common school fund. (R. S. Sec. 3964.)

Apportionment of school fund.

The auditor's duty to apportion the state common school fund among the districts, according to the number of youth is not excused by his inability to apportion other funds. His failure to apportion such fund does not authorize the township school board to treat it as a contingent fund and apportion it at discretion. Hence the indebtedness of the township board for building school houses in an amount exceeding all the funds is no defense to a salary order of a teacher in a sub-district, entitled to one-fourth of the state common school fund, its contingent fund being exhausted. 9 C. C., 13.

SECTION 7601. Immediately after such apportionment is made, the auditor must enter it in a book to be kept for that purpose, and furnish a certified copy of the apportion-

Distribution of money after apportionment.

ment to each school treasurer and clerk in his county. He shall give to each of such treasurers an order on the county treasurer for the amount of money payable to him, and take his receipt therefor. (R. S. Sec. 3965.)

Boards of education can leave school moneys in county treasury and draw the same from time to time in amounts of not less than one hundred dollars; see Sec. 2690.

County auditors shall in no case permit treasurer to have in his hands school funds amounting to more than the amount of his bond; see Sec. 4769.

When county line divides original surveyed township.

SECTION 7602. When an original surveyed township or fractional township is situated in two or more counties, and the land granted thereto by congress for the support of public schools has been sold, the auditor of the county to whose treasurer the interest on the proceeds of such sale is paid must apportion such interest to the counties in which such township is situated, in proportion to the youth of the township enumerated in each. Such auditor shall certify to the auditor of each of the other counties the amount so ascertained to belong to the part of the township situated in his county, and transmit to the treasurer of each of such counties an order on the treasurer of his own county for such amount. The auditor of each county shall apportion the amount of such interest belonging to the part of the township in his county, to the districts or parts of districts entitled thereto, in proportion to the enumeration of youth therein, and certify and pay it to the proper school officers, as provided in the next preceding section. (R. S. Sec. 3966.)

Certificate of apportionment.

SECTION 7603. The certificate of apportionment furnished by the county auditor to the treasurer and clerk of each school district must exhibit the amount of money received by each district from the state, the amount received from any special tax levy made for a particular purpose, and the amount received from local taxation of a general nature. The amount received from the state common school fund and the common school fund shall be designated the "tuition fund" and be appropriated only for the payment of superintendents and teachers. Funds received from special levies must be designated in accordance with the purpose for which the special levy was made and be paid out only for such purpose, except that, when a balance remains in such fund after all expenses incident to the purpose for which it was raised have been paid, such balance will become a part of the contingent fund and the board of education shall make such transfer by resolution. Funds received from the local levy for general purposes must be designated so as to correspond to the particular purpose for which the levy was made. Moneys coming from sources not enumerated herein shall be placed in the contingent fund. (R. S. Sec. 3967.)

Depositing of school funds upon competitive bidding.

SECTION 7604. The board of education of any school district by resolution shall provide for the deposit of any or all moneys coming into the hands of its treasurer. But no bank shall receive a deposit larger than the amount of its

paid in capital stock, and in no event to exceed three hundred thousand dollars. (R. S. Sec. 3968, as amended May 10, 1910.)

Capital Stock means *capital*; hence unincorporated as well as incorporated banks may become depositaries. This section prior to amendment of 1910, held to be mandatory after passage of resolution. 15 O. D. N. P., 720.

SECTION 7605. In school districts containing two or more banks such deposit shall be made in the bank or banks, situated therein, that at competitive bidding offer the highest rate of interest which must be at least two per cent for the full time funds or any part thereof are on deposit. Such bank or banks shall give a good and sufficient bond in a sum not less than the amount deposited. The treasurer of the school district must see that a greater sum than that contained in the bond is not deposited in such bank or banks and he and his bondsmen shall be liable for any loss occasioned by deposits in excess of such bond. (R. S. Sec. 3968, as amended May 10, 1910.)

When district contains two or more banks.

SECTION 7606. The board shall determine in such resolution the method by which bids shall be received, the authority which is to receive them, the time for which such deposits shall be made and all details for carrying into effect the authority herein given. All proceedings in connection with such competitive bidding and deposit of moneys must be so conducted as to insure full publicity and shall be open at all times to public inspection. If in the opinion of a board of education there has been any collusion between the bidders, it may reject any or all bids and arrange for the deposit of funds in a bank or banks without the district as hereinafter provided for in districts not having two or more banks located therein. (R. S. Sec. 3968.)

Bids.

SECTION 7607. In all school districts containing less than two banks, after the adoption of a resolution providing for the deposit of its funds, the board of education may enter into a contract with one or more banks that are conveniently located and offer the highest rate of interest, which shall not be less than two per cent for the full time the funds or any part thereof are on deposit. Such bank or banks shall give good and sufficient bond in a sum at least equal to the amount deposited. The treasurer of the school district must see that a greater sum than that contained in the bond is not deposited in such bank or banks, and he and his bondsmen shall be liable for any loss occasioned by deposits in excess of such bond. (R. S. Sec. 3968, as amended May 10, 1910.)

Districts containing less than two banks.

SECTION 7608. The resolution and contract in the next four preceding sections provided for, shall set forth fully all details necessary to carry into effect the authority therein given. All proceedings connected with the adoption of such resolution and the making of such contract must be conducted in such a manner as to insure full publicity and shall be open at all times to public inspection. (R. S. Sec. 3968.)

What resolution to contain.

Liability of
treasurer
relieved.

SECTION 7609. When a depository is lawfully provided, and the funds are deposited therein, the treasurer of the school district and his bondsmen shall be relieved from any liability occasioned by the failure of the bank or banks of deposit or by the failure of the sureties therefor, or by the failure of either of them, except as above provided in cases of excessive deposits (R. S. Sec. 3968, as amended May 10, 1910.)

Neglect of
certain duties
by board.

SECTION 7610. If the board of education in a district fails in any year to estimate and certify the levy for a contingent fund as required by this chapter, or if the amount so certified is deemed insufficient for school purposes, or if it fails to provide sufficient school privileges for all the youth of school age in the district or to provide for the continuance of any school in the district for at least thirty-two weeks in the year, or to provide for each school an equitable share of school advantages as required by this title, or to provide suitable school houses for all the schools under its control, or to elect a superintendent or teachers, or to pay their salaries, or to pay out any other school money needed in school administration, or to fill any vacancies in the board within the period of thirty days after such vacancies occur, the commissioners of the county to which such district belongs, upon being advised and satisfied thereof, shall perform any or all of such duties and acts, in the same manner as the board of education by this title is authorized to perform them. All salaries and other money so paid by the commissioners of the county, shall be paid out of the county treasury as are other county expenses, but they shall be a charge against the school district for which the money was paid. The amount so paid shall be retained by the county auditor from the proper funds due to such school district, at the time of making the semi-annual distribution of taxes. (R. S. Sec. 3969.)

County commissioners can only employ teachers when the township board of education fails to do so; and when they have suspended school in two subdistricts and provided transportation to other districts it is not a failure to make lawful provision for school in such district and the county commissioners cannot interfere. Wayne Tp. (Bd of Ed.) v. Shaul, 17 Dec. 269 (4 N. S. 433.)

When the county commissioners have wrongfully interfered with the management of township schools the remedy of the township board of education is by injunction. Wayne Tp. (Bd. of Ed.) v. Shaul, 17 Dec. 269 (4 N. S. 433.)

Personal liability of board members.

SECTION 7611. The members of a board who cause such failure shall be each severally liable, in a penalty not to exceed fifty dollars nor less than twenty-five dollars, to be recovered in a civil action in the same of the state upon complaint of any elector of the district, which sum must be collected by the prosecuting attorney of the county and when collected be paid into the treasury of the county, for the benefit of the school or schools of the district. (R. S. Sec. 3969.)

Duty of
county auditor.

SECTION 7612. The auditor of each county shall collect, or cause to be collected, all fines and other money for the support of common schools in his county, and pay them

to the county treasurer. He also must inspect all accounts of interest accruing on account of section sixteen, or other school lands, whether it is payable by the state or by the debtors; and take all proper measures to secure to each school district in his county the full amount of school funds to which it is entitled. (R. S. Sec. 3970.)

Sec. 6497. Penalty against auditors, engineers, commissioners, and probate judges, who fail to perform certain duties relating to county ditches, sinkholes, etc.

SINKING FUND.

SECTION 7613. In any school district having a bonded indebtedness, for the payment of which, with interest, no provision has been made by a special tax levy for that particular purpose, the board of education of such district annually, on or before the thirty-first day of August, shall set aside from its revenue a sum equal to not less than one-fortieth of such indebtedness together with a sum sufficient to pay the annual interest thereon. (97 v. 352 § 1.)

Board of commissioners of the sinking fund.

SECTION 7614. The board of education of every district shall provide a sinking fund for the extinguishment of all its bonded indebtedness, which fund shall be managed and controlled by a board of commissioners designated as the "board of commissioners of the sinking fund of (inserting the name of the district), which shall be composed of five electors thereof, and be appointed by the common pleas court of the county in which such district is chiefly located, except that, in city or village districts the board of commissioners of the sinking fund of the city or village may be the board of the school district. Such commissioners shall serve without compensation and give such bond as the board of education requires and approves.

Who to provide funds.

Any surety company authorized to sign such bonds may be accepted by such board of education as surety. The cost thereof, together with all necessary expenses of such commissioners shall be paid by them out of the funds under their control. (97 v. 352 § 1.)

Sinking fund commissioners have control and management of school district's sinking fund, but treasurer of board of education has custody thereof. 16 O. D. N. P., 389.

Investment of sinking fund.

SECTION 7615. The board of commissioners of the sinking fund shall invest that fund in bonds of the United States, of the state of Ohio, of any municipal corporation, county, township or school district of any state or in bonds of its own issue. All interest received from such investments shall be deposited as other funds of such sinking fund, and reinvested in like manner. For the extinguishment of any bonded indebtedness included in such fund, the board of commissioners may sell or use any of the securities or money of such fund. (98 v. 45 § 2.)

Sinking fund commissioners may issue refunding bonds.

SECTION 7616. The board of commissioners of the sinking fund may refund, extend or renew the bonded debt of the school district or any part thereof, existing April 25, 1904, by issuing the bonds of such school district for such periods, not exceeding twenty years, in such denomination, payable at such place and at a rate of interest, not to exceed the rate previous to such refunding, extension or renewal. But the aggregate amount of the refunding, extending or renewing bonds so issued shall not exceed that of the bonds so refunded, extended or renewed. (97 v. 353 § 3.)

Report of sinking fund commissioners.

SECTION. 7617. The board of commissioners of the sinking fund shall make an annual report to the board of education giving a detailed statement of the sinking fund for each year ending with August thirty-first. Such report must be filed with the board of education on or before September thirtieth of each year and other reports may be required by such board of education when deemed necessary. (98 v. 45 § 4.)

Payment of bonds and interest.

SECTION 7618. The board of education shall appropriate to the use of such sinking fund any taxes levied for the payment of interest on its bonded indebtedness, together with the sum provided for in sections seventy-six hundred thirteen and seventy-six hundred and fourteen. Sums so appropriated shall be applied to no other purpose than the payment of such bonds, interest thereon and necessary expenses of such sinking fund commission. (98 v. 45 § 4.)

Bonds issued by board of education.

SECTION 7619. When a board of education issued bonds for any purpose, such issue first shall be offered for sale to the board of commissioners of the sinking fund, who may buy any or all of such bonds at par. Within five days of the time when notice is given, the board shall notify the board of education of its action upon the proposed purchase. After that time the board of education shall issue any portion not purchased by such commission according to law. (98 v. 45 § 4.)

The board of education of a district School-houses. may build, enlarge, repair and furnish the necessary school-houses, purchase or lease sites therefor, or rights of way thereto, or rent suitable schoolrooms, provide the necessary apparatus and make all other necessary provisions for the schools under its control. It also, shall provide fuel for schools, build and keep in good repair fences inclosing such school-houses, when deemed desirable plant shade and ornamental trees on the school-grounds, and make all other provisions necessary for the convenience and prosperity of the schools within the subdistricts. A school board is not liable as such for an injury to a pupil arising from negligence in the erection and maintenance of a public school building. 30 O. S., 37.

A board of education will be enjoined in the exercise of its discretion where it attempts without any valid reason or necessity to expend the public funds for the erection of a new school house in another place in the district when the old one is suitable and satisfactory and located near the center of the district. 13 C. C., 258.

Statutes do not require advertisement for bids nor letting of contract for coal to lowest bidder. *Gosline v. Toledo* (Bd. of Ed.), 30 O. C. C., 503 (11 N. S. 195.)

The law requires, under severe penalties to be visited on those who have control thereof, that "all school houses are to have ample means of convenient egress, and doors opening outward." For requirements as to certificates regarding the safety of such buildings, and the penalties relating to neglect, see Sections 1031-1036.

Concerning the full power of boards of education, teachers, or other citizens, to secure protection against the injury or defacement of "school houses, school yards, trees, fences, gates and bars," see General Code, section 12477, also section 12487. Any citizen may prosecute the transgressor in these cases. School houses, school furniture, and other school property belonging to the township, and not to the subdistrict, are entirely under the legal control of the township board.

It is the duty of the township board of education to exercise such supervision over the school houses in the several subdistricts, as may be necessary to prevent their being used in such a manner and for such purposes as may interfere with their use, for the legitimate and special purposes for which they were erected.

Display of
U. S. flag.

SECTION 7621. All boards of education are required to display the United States national flag upon all school-houses under their control, during all day school sessions in fair weather, which shall be displayed on the inside of the school-house on all other days. Such boards shall make all rules and necessary regulations for the care and keeping of such flags, the expense thereof to be paid out of their contingent funds. (92 v. 86 § 1.)

Regulating
use of
school-houses.

SECTION 7622. When, in the judgment of a board of education, it will be for the advantage of the children residing in any school district to hold literary societies, school exhibitions, singing schools, religious exercises, select or normal schools, the board of education shall authorize the opening of the school-houses for such purposes. The board of education of a school district in its discretion may authorize the opening of such school-houses for any other lawful purposes. But nothing herein shall authorize a board of education to rent or lease a schoolhouse when such rental or lease in any wise interferes with the public schools in such district, or for any purpose other than is authorized by this chapter. (R. S. Sec. 3987-1.)

Powers of boards of education; Sec. 4749.

Leasing a school house for a private school is a violation of the trust, and is not within the power of "disposing" of property in Sec. 3971, and a resident taxpayer may obtain injunction. 35 O. S., 143.

School houses should not be open for any purpose concerning the moral effect of which there is a difference of opinion among the residents of the district.

Directions for
bidding and
for letting
contracts.

SECTION 7623. When a board of education determines to build, repair, enlarge or furnish a school-house or school-houses, or make any improvement or repair provided for in this chapter, the cost of which will exceed in city districts, fifteen hundred dollars, and in other districts five hundred dollars, except in cases of urgent necessity, or for the security and protection of school property, it must proceed as follows:

1. For the period of four weeks, the board shall advertise for bids in some newspaper of general circulation in the district, and two such papers, if there are so many. If no newspaper has a general circulation therein, then by posting such advertisement in three public places therein. Such advertisement shall be entered in full by the clerk, on the record of the proceedings of the board.

2. The bids, duly sealed up, must be filed with clerk by twelve o'clock, noon, of the last day stated in the advertisement.

3. The bids shall be opened at the next meeting of the board, be publicly read by the clerk, and entered in full on the records of the board.

4. Each bid must contain the name of every person interested therein, and shall be accompanied by a sufficient guarantee of some disinterested person, that if the bid be accepted, a contract will be entered into, and the performance of it properly secured.

5. When both labor and materials are embraced in the work bid for, each must be separately stated in the bid, with the price thereof.

6. None but the lowest responsible bid shall be accepted. The board in its discretion may reject all the bids, or accept any bid for both labor and material for such improvement or repair, which is the lowest in the aggregate.

7. Any part of a bid which is lower than the same part of any other bid, shall be accepted, whether the residue of the bid is higher or not; and if it is higher, such residue must be rejected.

8. The contract must be between the board of education and the bidders. The board shall pay the contract price for the work, when it is completed, in cash, and may pay monthly estimates as the work progresses.

9. When two or more bids are equal, in the whole, or in any part thereof, and are lower than any others, either may be accepted, but in no case shall the work be divided between such bidders.

10. When there is reason to believe that there is collusion or combination among the bidders, or any number of them, the bids of those concerned therein shall be rejected. (R. S. Sec. 3988.)

Letting contracts for school houses when cost amounts to \$10,000 or more; see Secs. 2362, 2363, 2364.

Where the board awarded a contract to build a school house to the lowest responsible bidder for the whole work, but whose bid was defective, in that it did not state the price separately of labor and materials, and the relator's bid for labor and materials was the lowest offered, and yet was defective, in not having a sufficient guarantee, and he had notified the board that his bid was for the whole work or none; Held, that relator must show clear, legal right in himself, and cannot avail himself of defects in the other's bid; that defects may be waived where no public injury is worked thereby; that relator cannot complain that the whole work was awarded to a lower bidder, although his bid for a part was the lowest offered. 42 O. S. 374.

A bid under this section which separately states the labor and material, with the price of each, and with the provision attached that it is to be accepted as a whole, does not comply with this section. 4 N. P. 44.

The discretion of a board as to what system of apparatus it will put in cannot be controlled either by mandamus or injunction. Such bids are not competitive. 14 C. C., 15.

In order that one who has bid on public work can maintain an action of mandamus, he must show that he is the one with whom the contract should be made regardless of anybody's else rights. 14 C. C., 19.

A bid on heating and ventilating apparatus need not separately state the cost of labor and materials entering into the same. Id. 23.

When an advertisement for bids for public work is required, the board may reject them. 13 C. C., 603.

When an advertisement is not necessary, the board may make such stipulations as it desires. Id.

A board of education can not allow a contractor to amend and increase his bid on account of a mistake not appearing on the face of his bid after the bids of the other contractors have been opened and seen by him. 19 Dec. 89 (7 N. S. 590).

SECTION 7624. When it is necessary to procure or enlarge a school site, and the board of education and the owner of the proposed site or addition are unable to agree upon the sale and purchase thereof, the board shall make an accurate plat and description of the parcel of land which it desires for such purposes, and file them with the probate judge, or court of insolvency, of the proper county. Thereupon the same proceedings of appropriation shall be had which are provided for the appropriation of private property by municipal corporation. (R. S. Sec. 3990.)

Appropriation of land for school purposes.

Submission
of question
of bond issue.

SECTION 7625. When the board of education of any school district determines that for the proper accommodation of the schools of such district it is necessary to purchase a site or sites to erect a schoolhouse or houses, to complete a partially built schoolhouse, to enlarge, repair or furnish a schoolhouse, or to do any or all of such things, that the funds at its disposal or that can be raised under the provisions of sections seventy-six hundred and twenty-nine and seventy-six hundred and thirty, are not sufficient to accomplish the purpose and that a bond issue is necessary, the board shall make an estimate of the probable amount of money required for such purpose or purposes and at a general election or special election called for that purpose, submit to the electors of the district the question of the issuing of bonds for the amount so estimated. Notices of the election required herein shall be given in the manner provided by law for school elections. (R. S. Sec. 3991.)

When a proposition for a bond issue for erection or equipment of a school house has been voted down three times, further submission of the proposition may be enjoined as an abuse of discretion and authority on the part of the board. 19 Dec. 89 (7 N. S. 590).

Transfer of
surplus of
special tax or
loan.

SECTION 5654. When there is in the treasury of any city, village, county, township or school district, a surplus of the proceeds of a special tax, or of proceeds of a loan for a special purpose, which is not needed for the purpose for which the tax was levied, or the loan made, it may be transferred to the general fund by an order of the proper authorities entered on their minutes. (R. S. Sec. 2834.)

Reappropriation and transfer of surplus in established fund.

SECTION 5655. When there is in the treasury of such civil division, as provided in the next preceding section, at the annual meeting or meetings otherwise provided by law at which the annual tax levy is to be considered and adopted, a surplus not exceeding one thousand dollars in any one established fund or division of the funds, which is not needed for the purpose for which the fund was created, the money appropriated, or the tax levied, before such annual tax levy is made, it may be considered as unappropriated and may be reappropriated and transferred, by an order as is provided in such section, to another existing fund for which a tax is to be or would otherwise be levied. The sum which it would be necessary to raise by taxation for any purpose, if no such reapportionment was made, shall thereupon be reduced to the extent of the transfer thus made. This section shall not authorize such reapportionments or any transfer of funds at any other time than the meeting aforesaid to determine the tax levy nor authorize transfers at any one such meeting of over three thousand dollars in the aggregate, nor that the amount which may be lawfully raised by taxation for any purpose may be increased by such transfer. (R. S. Sec. 2834.)

Power to borrow to extend time, of debt.

SECTION 5656. The trustees of a township, the board of education of a school district and the commissioners of a county, for the purpose of extending the time of payment of any indebtedness, which from its limits of taxation such township, district or county is unable to pay at maturity, may borrow money or issue the bonds thereof, so as to change, but not increase the indebtedness in the amounts, for the length of time and at the rate of interest that said trustees, board or commissioners deem proper, not to exceed the rate of six per cent per annum, payable annually or semi-annually. (R. S. Sec. 2834a.)

Power to exchange bonds.

SECTION 5657. When it appears to the trustees of a township, board of education of a school district or commissioners of a county, to be for the best interests of such township, school

district or county to renew, refund or extend the time of payment of any bonded indebtedness which has not matured and thereby reduce the rate of interest thereon, they may issue, for that purpose, new bonds, and exchange the bonds with the holder or holders of such outstanding bonds if such holder or holders consent to make such exchange and to such reduction of interest. (R. S. Sec. 2834a.)

SECTION 5658. No indebtedness of a township, school district or county shall be funded, refunded or extended unless such indebtedness is first determined to be an existing, valid and binding obligation of such township, school district or county by a formal resolution of the trustees, board of education or commissioners thereof, respectively. Such resolution shall state the amount of the existing indebtedness to be funded, refunded or extended, the aggregate amount of bonds to be issued therefor, their number and denomination, the date of their maturity, the rate of interest they shall bear and the place of payment of principal and interest. (R. S. Sec. 2834a.)

Resolution as to such debts.

SECTION 5552. For the payment of the bonds issued under the next three preceding sections, the township trustees, board of education or county commissioners shall levy a tax, in addition to the amount otherwise authorized, each year during the period the bonds have to run sufficient in amount to pay the accruing interest and the bonds as they mature. (R. S. Sec. 2834a.)

Levy to meet payment of bonds.

SECTION 5660. The commissioners of a county, the trustees of a township and the board of education of a school district, shall not enter into any contract, agreement or obligation involving the expenditure of money, or pass any resolution or order for the appropriation or expenditure of money, unless the auditor or clerk thereof, respectively, first certifies that the money required for the payment of such obligation or appropriation is in the treasury to the credit of the fund from which it is to be drawn, or has been levied and placed on the duplicate, and in process of collection and not appropriated for any other purpose; money to be derived from lawfully authorized bonds shall, for the purpose of this section, be deemed in the treasury and in the appropriate fund. Such certificate shall be filed and forthwith recorded, and the sums so certified shall not thereafter be considered unappropriated until the county, township or board of education, is fully discharged from the contract, agreement or obligation, or as long as the order or resolution is in force. (R. S. Sec. 2834b, as amended May, 1910.)

Certificate of clerk necessary in certain cases.

Held unconstitutional for lack of uniformity of operation in so far as it applies to boards of education, and failure to comply with requirements of this section in incurring an obligation does not render an obligation void; but even if failure to comply with statutory requirements should render a note given by a board of education unenforceable at law, courts will not enjoin its collection. 8 O. C. C., N. S., 205 (Affirmed without report, 78 O. S., 443.) See also 11 O. C. C., 41 (Affirmed 53 O. S., 656.)

SECTION 5661. All contracts, agreements or obligations, and orders or resolutions entered into or passed contrary to the provisions of the next preceding section, shall be void, but such section shall not apply to the contracts authorized to be made by other provisions of law for the employment of teachers, officers, and other school employes of boards of education. (R. S. Sec. 2834b.)

Exceptions thereto.

See *McAlexander v. Haviland School District*, 19 Dec. 89 (7 N. S. 590.) When the statute requires that notice shall be given of the matter to be acted on, a failure to insert such matter will render void any act done with respect to the matter not so embraced as required. 18 Maine, 134; 12 Cushing, 291.

It cannot be too often repeated that a board of education speaks only through its records. Its acts, findings, and determinations are only known by its records. Hence, although the words of the statute may not clearly settle the question, yet it is safest to assume that this *determination* is to be an *official* determination. Purchasers of bonds are likely to scrutinize such matters closely, and they will question whether the board acquires jurisdiction to take steps for raising a tax unless it first officially "ascertains" and "determines" all the preliminary facts mentioned in the statute, and makes a record of such finding.

If question approved, board may issue such bonds.

SECTION 7626. If a majority of the electors, voting on the proposition to issue bonds, vote in favor thereof, the board thereby shall be authorized to issue bonds for the amount indicated by the vote. The issue and sale thereof shall be provided for by a resolution fixing the amount of each bond, the length of time they shall run, the rate of interest they shall bear, and the time of sale, which may be by competitive bidding at the discretion of the board. (R. S. Sec. 3992.)

Requisites of bonds.

SECTION 7627. Such bonds shall bear a rate of interest not to exceed six per cent per annum payable semi-annually, be made payable within at least forty years from the date thereof, be numbered consecutively, made payable to the bearer, bear date of the day of sale and be signed by the president and clerk of the board of education. The clerk of the board must keep a record of the number, date, amount, and the rate of interest of each bond sold, the amount received for it, the name of the person to whom sold, and the time when payable, which record shall be open to the inspection of the public at all reasonable times. Bonds so issued shall in no case be sold for less than their par value, nor bear interest until the purchase money for them has been paid. (R. S. Sec. 3992.)

Tax levy to pay bonds thus issued.

SECTION 7628. When an issue of bonds has been provided for under the next three preceding sections, the board of education, annually, shall certify to the county auditor or auditors as the case may require, a tax levy sufficient to pay such bonded indebtedness as it falls due together with accrued interest thereon. Such county auditor or auditors must place such levy on the tax duplicate. It shall be collected and paid to the board of education as other taxes are. Such tax levy shall be in addition to the maximum levy for school purposes, and must be kept in a separate fund and applied only to the payment of the bonds and interest for which it was levied. (R. S. Sec. 3993.)

Mandamus is the proper remedy to compel the board to appropriate moneys already in their treasury for that purpose, toward the payment of such bonds, and to levy such tax as may be necessary to complete such payment. 27 O. S., 96.

A board of education agreed to borrow a sum of money at an aggregate rate of interest of fifteen per cent., in manner following: For the amount so to be borrowed, bonds were to be issued bearing the authorized rate of interest, and for the excess of interest, orders on the treasury were to be issued, payable at the same time as the legal interest. The bonds were regularly issued, bearing eight per cent. interest, and sold at par, and the money was received and used as authorized. For the excess of interest, orders on the treasury were at the same time issued and delivered to the purchaser, as agreed to by the parties, but were never presented for payment, and after their maturity, he offered to return them for cancellation: Held, that this agreement to pay excess of interest is void, and, having never been executed in whole or in part, will not avoid a recovery on the bonds. 35 O. S., 519.

Certain bonds were issued by a board of education; they were afterwards redeemed before maturity, and placed in the hands of the treasurer for destruction. The treasurer failed to destroy them, but fraudulently used them as collateral security for an individual loan by an innocent third person: Held, that the board was not liable for the payment of the same. 41 O. S., 504.

SÁLE OF PUBLIC BONDS.

Advertisement of sale.

SECTION 2294. All bonds issued by boards of county commissioners, boards of education, or commissioners of free turn-pikes, shall be sold to the highest bidder after being advertised

three times, weekly, in a newspaper having general circulation in the county where the bonds are issued, and, if, the amount of bonds to be sold exceeds twenty thousand dollars, in an additional newspaper having general circulation in the state, three times, weekly. The advertisement shall state the total amount of bonds to be sold, the amount of each bond, how long they are to run, the rate of interest to be paid thereon, whether annually or semi-annually, the law or section of law authorizing the issue, the day, hour and place in the county where they are to be sold. (80 v. 68 § 1.)

SECTION 2295. None of such bonds shall be sold for less than the face thereof, with any interest that may have accrued thereon, and the privilege shall be reserved of rejection of any or all bids. If bids are rejected the bonds shall again be advertised. All moneys from both principal and premiums on the sale of such bonds, shall be credited to the fund on account of which the bonds are issued and sold. (80 v. 68 § 1.)

How sold;
when bids re-
jected.

SECTION 7629. The board of education of any school district may issue bonds to obtain or improve public school property, and in anticipation of income from taxes, for such purposes, levied or to be levied, from time to time, as occasion requires, may issue and sell bonds, under the restrictions and bearing a rate of interest specified in sections seventy-six hundred and twenty-six and seventy-six hundred and twenty-seven. The board shall pay such bonds and the interest thereon when due, but provide that no greater amount of bonds be issued in any year than would equal the aggregate of a tax at the rate of two mills, for the year next preceding such issue. The order to issue bonds shall be made only at a regular meeting of the board and by a vote of two-thirds of its full membership, taken by yeas and nays and entered upon its journal. (R. S. Sec. 3994.)

Issue of bonds
by boards of
education.

SECTION 7630. In no case shall a board of education issue bonds under the provisions of the next preceding section in a greater amount than can be provided for and paid with the tax levy authorized by sections seventy-five hundred and ninety-one and seventy-five hundred and ninety-two, and paid within forty years after the issue on the basis of the tax valuation at the time of issue. (R. S. Sec. 3994.)

Limit of
issue.

See act referred to under Sec. 7628.

An injunction would lie against a board of education which sought to issue bonds in excess of this authority; but only as to such excess, and not to the whole. 47 Mich., 226; 43 Ia., 48.

LIBRARIES.

SECTION 7631. The board of education of any city, village, township, or special school district, by resolution, may provide for the establishment, control and maintenance, in such district, of a public library, free to all the inhabitants thereof. For that purpose, by purchase, it may acquire the necessary real property, and erect thereon a library building; acquire, by purchase or otherwise, from any other library association, its library property; receive donations and bequests of money or property for such library purposes, and maintain and support libraries now in existence and controlled by the board. (98 v. 244 § 1.)

Establishment
of public
library.

Taxation.

SECTION 7632. Such board of education annually may make a levy upon the taxable property of such school district, in addition to all other taxes allowed by law, of not to exceed one mill for a library fund, to be expended by the board, for the establishment, support and maintenance of such public library. (98 v. 244 § 1.)

Libraries jointly owned by two or more school districts.

SECTION 7633. But when a donation or bequest of money or property has been or is made to two or more school districts jointly, or jointly and severally for the purpose of establishing and maintaining such public library, and the money so donated has been or may be expended in the purchase of a site and the erection of a library building thereon, the provisions of this subdivision shall apply. In such case the board of education of each of the districts annually may levy not exceeding one mill, in addition to all other taxes allowed by law, upon the taxable property of such school districts for the establishment, support and maintenance of such public library, and the library building may be located at a convenient place in either district. (98 v. 244 § 1.)

Board of trustees, appointment, term.

SECTION 7634. The control of such building and library and the expenditure of all moneys for the purchase of books and other purposes and the administration of the library shall be vested in a board of six trustees, three to be appointed by each of the boards of education for the term of five years. They must serve without compensation, and until their successors are appointed. In case of vacancy in the board, from refusal to serve, resignation or otherwise it shall be filled by the boards of education of such district, for the unexpired term. (98 v. 244 § 1.)

State library commissioners to give advice and attention to free public library officers; see Sec. 793.

Management and control of library.

SECTION 7635. The board of education may provide for the management and control of such library by a board of trustees to be elected by it as herein provided. (R. S. Sec. 3998-2.)

Library trustees, number, and eligibility of.

SECTION 7636. Such board of library trustees shall consist of seven members, who must be residents of the school district. No one shall be eligible to membership on such library board who is or has been for a year previous to his election, a member or officer of the board of education. The term of office shall be seven years, except that at the first election the terms must be such that one member retires each year. Should a vacancy occur in the board, it shall be filled by the board of education for the unexpired term. The members of the library board must serve without compensation and until their successors are elected and qualified. (R. S. Sec. 3998-2.)

Powers of board.

SECTION 7637. In its own name, such library board shall hold the title to and have the custody, and control of all libraries, branches, stations, reading rooms, of all library property, real and personal, of such school district, and of

the expenditure of all moneys collected or received from any source for library purposes for such district. It may employ a librarian and assistants, but previous to such employment their compensation shall be fixed. (R. S. Sec. 3998-2.)

SECTION 7638. By a two-thirds vote of its members such library board may purchase or lease grounds and buildings, and erect buildings for library purposes. It also may appropriate land for library purposes if the owner and the board cannot agree upon terms, and dispose of land when, in its opinion, it is no longer needed for library purposes. Conveyances made by the board shall be executed in its name by its president and secretary. It may accept any gift, devise or bequest for the benefit of such library. No member of the library board shall be interested, directly or indirectly, in any contract made by the board. It shall report annually in writing to the board of education. (R. S. Sec. 3998-2.)

May acquire land.

SECTION 7639. Such board of library trustees annually, during the month of May, shall certify to the board of education the amount of money needed for increasing, maintaining and operating the library during the ensuing year in addition to the funds available therefor from other sources. The board of education annually shall levy on each dollar of taxable property within such school district, in addition to all other levies authorized by law, such assessment not exceeding one mill, as shall be necessary to realize the sum so certified, which must be placed on the tax duplicate and collected as other taxes. (96 v. 9 § 4.)

Library fund; how provided and maintained.

SECTION 7640. The proceeds of such tax will constitute a fund to be known and designated as the library fund. Payments therefrom shall be made only upon the warrant of the library board of trustees, signed by the president and secretary thereof. (96 v. 9 § 4.)

Payments from library fund.

SECTION 7641. The board of education in any city, village, township or special school district may contract annually with any library corporation or other organization owning and maintaining a library or with any board of trustees appointed by authority of law, having the management and control of a library, for the use of such library by the residents of such district and it annually may levy a tax not exceeding one mill on the taxable property of such district to pay therefor. Such board of education shall require an annual report in writing from such library corporation or other organization or board of trustees. (As amended May 10, 1910.)

Board of education may contract with library association for use of library.

SECTION 7642. The board of education of any school district of the state, in which there is not a public library operated under public authority and free to all the residents of such district annually may appropriate not to exceed two hundred and fifty dollars from its contingent fund for the

School library.

purchase of books, other than school books, for the use and improvement of the teachers and pupils of such school district. The books so purchased shall constitute a school library, the control and management of which shall be vested in the board of education, which may receive donations and bequests of money or property therefor. (96 v. 9 § 6.)

Museum.

SECTION 7643. The board of education of any school district, or board of trustees managing and controlling a library in any school district, may found and maintain a museum in connection with and as an adjunct to such library, and for such purpose may receive bequests and donations of money or other property. (96 v. 9 § 7.)

under its control, at such places as will be most convenient for the attendance of the largest number thereof. Every elementary day school so established shall continue not less than thirty-two nor more than forty weeks in each school year. All the elementary schools within the same school district shall be so continued. (R. S. Sec. 4007.)

SECTION 7644-1. The board of education in any city school district may establish such special elementary schools as it deems necessary for youth of school age who are afflicted with tuberculosis, and may cause all youth, within such district, so afflicted, to be excluded from the regular elementary schools, and may provide for and pay from the school funds, the expense of transportation of such youth to and from such special schools. (Passed May 10, 1910.)

Graded course
of study.

SECTION 7645. Boards of education are required to prescribe a graded course of study for all schools under their control in the branches named in section seventy-six hundred and forty-eight, subject to the approval of the state commissioner of common schools. (R. S. Sec. 4007.)

Neglect to
instruct pupils
in fire drills.

SECTION 12900. Whoever, being a principal or person in charge of a public or private school or educational institution having an average daily attendance of fifty or more pupils, wilfully neglects to instruct and train such pupils by means of drills or rapid dismissals at least once a month while such school or institution is in session, so that such pupils, in a sudden emergency may leave the school building in the shortest possible time and without confusion, or wilfully neglects to keep the doors and exits of such building unlocked during school hours, shall be fined not less than five dollars nor more than twenty dollars for each offense. (99 v. 231 §§ 1, 2.)

Same as to
dangers of
fire.

SECTION 12901. Whoever, being a teacher or instructor in a public, private or parochial school, wilfully neglects to devote less than thirty minutes in each month during which such school is in session to instructing the pupils thereof between the ages of six and fourteen years, as to dangers of fire, shall be fined not less than five dollars nor more than twenty dollars. (99 v. 231 §§ 1, 2.)

Duty of state
fire marshal.

SECTION 12902. The state fire marshal shall prepare a book for the purpose of the instruction of pupils provided in the next two preceding sections. Such book shall be conveniently arranged in a sufficient number of chapters or lessons to provide a different one thereof for each week of the maximum school year. One of such chapters or lessons shall be read each week by the teacher in such school. (99 v. 231 § 1.)

Duty of school
commissioner.

SECTION 12903. Such books shall be published at the expense of the state under the direction of the state school commissioner, who shall furnish a copy thereof to each teacher required to give such instruction. (99 v. 231 § 1.)

Exceptions
to same.

SECTION 12904. The next four preceding sections shall not apply to colleges and universities. (99 v. 232 § 4.)

Manual to
be issued.

SECTION 12905. The members of the boards of education, school directors, trustees or other body of persons having control of the schools of a township, village or city shall cause a copy of the next five preceding sections to be printed in the manual or handbook prepared for the guidance of teachers, where such manual is in use. (99 v. 232 § 3.)

SECTION 7646. Each township board of education shall establish and maintain at least one elementary school in each subdistrict under its control, unless transportation is furnished to the pupils thereof as provided by law. (R. S. Sec. 4007.)

One school to be in each subdistrict.

Change of boundaries and suspension of schools in sub-districts, conveyance of pupils; see Secs. 7730-7732.

In determining the question as to how many schools are necessary in the districts, either of townships, villages, or cities, three things should be considered: 1. Convenience of access. 2. Economy in expenditure. 3. A proper grading and classification of the pupils, in cases where grading is possible.

There is no reason why two or more school houses or two or more school rooms may not be provided in a sub-district.

SECTION 7647. The board of education in any city school district may establish and maintain a normal school within its district, and also establish and maintain such summer or vacation schools, school gardening and play grounds as to it seems desirable. (R. S. Sec 4007.)

Normal school.

SECTION 7648. An elementary school is one in which instruction and training are given in spelling, reading, writing, arithmetic, English language, English grammar and composition, geography, history of the United States, including civil government, physiology and hygiene. Nothing herein shall abridge the power of boards of education to cause instruction and training to be given in vocal music, drawing, elementary algebra, the elements of agriculture and other branches which they deem advisable for the best interests of the schools under their charge. (R. S. Sec. 4007-1.)

Elementary school defined.

SECTION 7649. A high school is one of higher grade than an elementary school, in which instruction and training are given in approved courses in the history of the United States and other countries; composition, rhetoric. English and American literature; algebra and geometry; natural science, political or mental science, ancient or modern foreign languages, or both, commercial and industrial branches, or such of the branches named as the length of its curriculum makes possible. Also such other branches of higher grade than those to be taught in the elementary schools, with such advanced studies and advanced reviews of the common branches as the board of education directs. (R. S. Sec. 4007-2.)

High school defined.

SECTION 7650. A college is a school of a higher grade than a high school, in which instruction in the high school branches is carried beyond the scope of the high school and other advanced studies are pursued, or a school in which special, technical or professional studies are pursued, and which, when legally organized, may have the right to confer degrees in agreement with the terms of the law regulating its practices or its charter; or in the absence of legislative direction, in agreement with the practices of the better institutions of learning of their respective kinds in the United States. (R. S. Sec. 4007-3.)

College defined.

High schools
classified.

SECTION 7651. The high schools of the state shall be classified into schools of the first, second, and third grades. All courses of study offered in such schools shall be in branches enumerated in section seventy-six hundred and forty-nine. (R. S. Sec. 4007-4.)

First grade.

SECTION 7652. A high school of the first grade shall be a school in which the courses offered cover a period of not less than four years, of not less than thirty-two weeks each, in which not less than sixteen courses are required for graduation. (R. S. Sec. 4007-4.)

Second grade.

SECTION 7653. A high school of the second grade shall cover a period of not less than three years, of not less than thirty-two weeks each, in which not less than twelve courses of study are required for graduation. (R. S. Sec. 4007-4.)

Third grade.

SECTION 7654. A high school of the third grade shall cover a period of not less than two years, of not less than twenty-eight weeks each, in which not less than eight courses of study are required for graduation. (R. S. Sec. 4007-4.)

Elementary
grade.

SECTION. 7655. Public schools of a less grade shall be denominated as elementary schools. A course of study shall consist of not less than four recitations a week continued throughout the school year. (R. S. Sec. 4007-4.)

Diploma to
be given to
graduates.

SECTION 7656. A diploma must be granted by the board of education to any one completing the curriculum in any high school, which diploma shall state the grade of the high school issuing it as certified by the state commissioner of common schools, be signed by the president and clerk of the board of education, the superintendent and the principal of the high school, if such there be, and shall bear the date of its issue. (R. S. Sec. 4007-5.)

Certificate as
to grade of
school.

SECTION 7657. A certificate shall also be issued to the holder of each diploma in which shall be stated the grade of the high school, the names and extent of the studies pursued and the length of time given to each study to be certified to in the same manner as set forth for a diploma. (R. S. Sec. 4007-5.)

Admission to
professional
school; ex-
ception.

SECTION 7658. A holder of a diploma from a high school of the first grade shall be entitled to a certificate of admission without examination to any college of law, medicine, dentistry, or pharmacy in this state, when the holder thereof has completed such courses in science and language as are prescribed by the legally constituted authorities regulating the entrance requirements of such college; except such institutions privately endowed which may require a higher standard for entrance examinations than herein is provided. (R. S. Sec. 4007-5.)

SECTION 7659. A holder of a diploma from any grade of high school or of a teacher's certificate from a county or city board of teacher's examiners, when he has pursued his studies under private tutorage or in an office, shall be eligible to take the examination for admission to the practice of law or to take the examination prescribed to enter a college of law, medicine, dentistry or pharmacy; except such institutions privately endowed, which may require a higher standard for entrance examinations than herein is provided. (R. S. Sec. 4007-5.)

Who eligible to take examination for admission to bar or to enter professional school; exception.

SECTION 7660. The clerk of the board of education of each district in which a high school is established and maintained shall furnish to the state commissioner of common schools definite and accurate information concerning the length of time necessary for the completion of the high school curriculum or curriculums, the courses of instruction offered therein, and such other information as the commissioner requires in relation to the high school work of the district, and in the form and manner he prescribes. Such information shall be filed when high schools are established or any changes made in curriculums. (R. S. Sec. 4007-6.)

Information as to character of high school.

SECTION 7661. Upon examination of the information thus filed, or after personal inspection of work done if he deems this advisable, or both, the state commissioner of common schools, shall determine the grade of each such high school and, under the seal of his office, certify to the clerk of the board of education his finding as to the grade of the high school maintained by such board. But he may withhold his approval of any curriculum, when it appears to him that it does not comply with legal and reasonable requirements. When it appears that any curriculum, already approved, has been so modified as to change the grade of the high school, either by advancing or reducing its grade, he shall certify his finding and all diplomas issued thereafter shall bear the grade so designated by him. (R. S. Sec. 4007-6.)

Certificate as to grade of school; withholding approval.

SECTION 7662. No school shall be considered a high school that has not furnished the information and received a certificate as provided above, nor be entitled to the privileges and exceptions provided by law for high schools. (R. S. Sec. 4007-6.)

Penalty for failure to give information.

SECTION 7663. A board of education may establish one or more high schools, whenever it deems the establishment of such school or schools proper or necessary for the convenience or progress of the pupils attending them, or for the conduct and welfare of the educational interests of the district. (R. S. Sec. 4009.)

Any board of education may establish high school.

This section fully authorizes boards of education to establish high schools without submitting the question to a vote of the electors of the district, unless it should be found necessary to levy a tax in excess of the maximum allowed by law and issue bonds; in which case an election is required; see Sec. 7625.

Discontin-
uance thereof.

SECTION 7664. Such school or schools, when established, shall not be discontinued under three years from the time of their establishment, except by a vote of three-fourths of all the members of the board of education of the district, at a regular meeting. (R. S. Sec. 4009.)

A township high school does not pass to a village incorporated out of the territory including it by reason of a general saving clause in the act of 1873. 41 O. S., 680.

Change of territory organizing a separate school district does not entitle the new district to seize on property within it that had been set apart by the township board for a higher school than a primary, although this would be within the letter of R. S., Sec. 3972, which relates to the subject. 46 O. S., 505.

Management
and control
of township
high schools.

SECTION 7665. When a township board of education establishes and maintains a high school or high schools within the district under its control, it shall have the the management and control thereof, and may employ and dismiss teachers, and give certificates of such employment, and for services rendered, directed to the township clerk. (R. S. Sec. 4009-1.)

School-
houses.

SECTION 7666. Such board of education shall build, repair, add to and furnish the necessary schoolhouses, purchase or lease sites therefor, or rent suitable rooms, and make all other necessary provisions relative to such schools as may be deemed proper. (R. S. Sec. 4009-1.)

Admission
of pupils.

SECTION 7667. Such board of education may regulate and control the admission of pupils from the elementary schools under its charge to such high school or high schools, according to age and attainments, may admit adults over twenty-one years of age, and pupils from other districts on such terms and under such rules as it adopts. It shall maintain such high school or high schools not less than twenty-eight nor more than forty weeks in any school year. (R. S. Sec. 4009-1.)

Estimate of
funds needed.

SECTION 7668. In townships where a high school or high schools are, or may be established, by the township board of education, it annually shall determine by estimate, as near as practicable, the entire amount of money necessary to be expended in the township for school and schoolhouse purposes, including the paying of teachers in such schools, the prolonging of the terms of the several elementary schools of the township after the state funds have been exhausted, the erecting, repairing and furnishing of school houses, and any other school purposes not exceeding in any one year ten mills on the dollar of the taxable property of the township, which amount shall be certified in writing to the county auditor, by such township board, on or before the first Monday in June of each year. (R. S. Sec. 4009-2.)

Union of dis-
tricts for
high school
purposes.

SECTION 7669. The boards of education of two or more adjoining township school districts, or of a township district and of a village or special school district situated partially or wholly within the township, or of any two or more of such school districts, by a majority vote of the full membership of each board, may unite such districts for high

school purposes. Each board also may submit the question of levying a tax on the property in their respective districts, for the purpose of purchasing a site and erecting a building, and issue bonds, as is provided by law in case of erecting or repairing school houses; but such question of tax levy must carry in each district before it shall become operative in either. If such boards have sufficient money in the treasury to purchase a site and erect such building, or if there is a suitable building in either district owned by the board of education that can be used for a high school building it will not be necessary to submit the proposition to vote, and the boards may appropriate money from their funds for this purpose. (99 v. 462 § 1.)

SECTION 7670. Any high school so established shall be under the management of a high school committee, consisting of two members of each of the boards creating such joint district, elected by a majority vote of such boards. Their membership of such committee shall be for the same term as their terms on the boards which they respectively represent. Such high school shall be free to all youth of school age within each district, subject to the rules and regulations adopted by the high school committee, in regard to the qualifications in scholarship requisite for admission, such rules and regulations to be of uniform operation throughout each district. (99 v. 462 § 1.)

High school
committee.

SECTION 7671. The funds for the maintenance and support of such high school shall be provided by appropriations from the tuition or contingent funds, or both, of each district, in proportion to the total valuation of property in the respective districts, which must be placed in a separate fund in the treasury of the board of education of the district in which the school house is located, and paid out by action of the high school committee for the maintenance of the school. (99 v. 462 § 1.)

Funds, how
provided.

Township board of education may be compelled under this section by mandamus to appropriate its proportionate share of expense for the maintenance of such school from the tuition or contingent fund provided by such section; but it can not be compelled to make the appropriation from a levy made for the subsequent year unless it can be done without impairing the general school fund or the efficiency of the common schools. 30 O. C. C. 657.

SECTION 7672. Boards of education exercising control for the purpose of taxation over territory within a township or joint township high school district may levy upon all the taxable property within such territory, not exceeding five mills on one dollar in any one year, in addition to all other lawful levies for the maintenance of any township or joint township high school to which such territory belongs. All funds derived from levies so made shall be kept separate and be paid out for the maintenance of the school for which they were made. (99 v. 462 § 1.)

Tax levy,
five mills.

SECTION 7673. The school board of any village school district in which is located a university or college, organized under the laws of this state, as an institution of learning

Tax levy for
support of

not for profit, and under the management of a board of trustees, may levy a tax not exceeding two mills annually, in addition to all lawful taxes for all other purposes, upon all taxable property within such district for the support of such university or college. (99 v. 519 § 1.)

Admission of
high school
graduates.

SECTION 7674. In the event such levy is made, all holders of a high school diploma obtained from such village district high school shall have the right to attend such university or college for the period of two years, free of tuition. (99 v. 520 § 2.)

Disposition
of funds.

SECTION 7675. The funds arising from such tax levy shall be turned over to the board of trustees of such university or college by the county treasurer to be expended by them in the conduct of the university or college and for no other purpose. (99 v. 520 § 3.)

Schools at
children's
homes, or-
phans' asy-
lums and in-
firmaries.

SECTION 7676. The board of any district in which a children's home or orphans' asylum is established by law, or in which a county infirmary is established, when requested by the board of trustees of such children's home, orphans' asylum or the directors of such infirmary, shall establish a separate school in such home, asylum or infirmary, so as to afford to the children therein, as far as practicable, the advantages and privileges of a common school education. Such schools at infirmaries must be continued in operation each year until the share of all the school funds of the district belonging to such children, on the basis of the enumeration, is expended, and at such homes and asylums not less than forty-four weeks. If the distributive share of school funds to which the school at such a home or asylum is entitled by the enumeration of children in the institution is not sufficient to continue the schools for that length of time, the deficiency shall be paid out of the funds of the institution. (R. S. Sec. 4010.)

Management
of such
schools.

SECTION 7677. All schools so established in any such home, asylum or infirmary, shall be under the control and management of the respective boards of trustees or directors of such institution, which boards in such control and management so far as practicable, shall be subject to the same laws that boards of education and other school officers are who have charge of the common schools of such district. (R. S. Sec. 4010.)

Costs.

SECTION 7678. In the establishment of such schools the commissioners of the county in which such children's home, orphans' asylum or county infirmary is established, shall provide the necessary school room or rooms, furniture, fuel, apparatus and books, the cost of which for such schools must be paid out of the funds provided for such institution. The board of education shall incur no expense in supporting such schools. (R. S. Sec. 4010.)

SECTION 7679. In any township, special, village, or city district, or part thereof, parents or guardians of youth of school age may petition the board of education to organize an evening school. The petition must contain the names of not less than twenty-five youth of school age who will attend such school, and who for reasons satisfactory to the board are prevented from attending day school. Upon receiving such petition the board of education shall furnish a suitable room for the evening school and employ a competent person who holds a regularly issued teacher's certificate, to teach it. Such board may discontinue any such evening school, when the average evening attendance for any month fails below twelve. (R. S. Sec. 4012.)

Evening
schools.

SECTION 7680. Any person more than twenty-one years old may be permitted to attend evening school upon such terms and upon payment of such tuition as the board of education prescribes. (R. S. Sec. 4012a.)

Attendance
by person
more than
twenty-one
years old.

SECTION 7681. The schools of each district shall be free to all youth between six and twenty-one years of age, who are children, wards, or apprentices of actual residents of the district, including children of proper age who are inmates of a county or district children's home located in such a school district, at the discretion of its board of education. But all youth of school age living apart from their parents or guardians and who work to support themselves by their own labor, shall be entitled to attend school free in the district in which they are employed. (R. S. Sec. 4013.)

Who may be
admitted to
school free.

Attending school in other districts if nearer; see sections 7734, 7735.

The children inmates of the German Protestant Asylum of Cincinnati are not "children, wards, or apprentices of actual residents" in the school district within which said asylum is located, and therefore, under the act of Feb. 21, 1849, are not entitled to gratuitous admission to the privileges of the public schools of said district. 10 O. S., 448.

No regulation can be made under this section that does not apply to all children, irrespective of race or color. 45 O. S., 555.

Under this section persons under twenty-one years of age, though married, are entitled to all the privileges of the schools of the district in which they reside, notwithstanding they have not been enumerated in the school census, and in consequence can draw no part of the state school fund.

That portion of the above section relating to children living apart from their parents or guardians, who support themselves by their own labor, does not apply where a child moves into a district in which his parents do not live, with the express purpose of attending school, and incidentally works for his board and lodging; in such cases tuition can be charged.

SECTION 12906. Whoever, being a pupil in the public schools, organizes, joins or belongs to a fraternity, sorority or other like society composed of or made up of pupils of the public schools, shall be fined not less than ten dollars nor more than twenty-five dollars for each offense. (99 v. 253 §§ 1, 3.)

Pupil joining
fraternity;
penalty.

SECTION 12907. Whoever, being a teacher, principal or superintendent, having knowledge or reason to believe that a fraternity, sorority or like society composed or made up of pupils of the public schools, is being organized or maintained in the public schools or that a pupil attending such school is organizing, or is a member of, such fraternity, sorority or like society, fails forthwith to advise the president or secretary of the board of education in charge of such schools thereof, shall be fined not less than ten dollars nor more than twenty-five dollars for each offense. (99 v. 253 §§ 2, 3.)

Teacher, principal or superintendent failing to give notice of fraternity in schools.

Board of education to investigate charges of existence of fraternity; notice to members thereof.

SECTION 12908. Whoever, being a board of education in charge of public schools, upon being advised in accordance with the provisions of the next preceding section, within thirty days thereafter, fails to investigate such charges after not less than ten days' written notice to such pupils, their parents or guardians, or, being the secretary of such board of education, when such board has found the charges mentioned in the next preceding section to be correct and true, fails forthwith to notify in writing the pupils organizing, joining or belonging to such fraternity, sorority or like society, to disband and discontinue it and to withdraw therefrom within five days from the receipt of such notice, shall be fined not less than ten dollars nor more than twenty-five dollars for each offense. (99 v. 253 §§ 2, 3.)

Suspension of pupils.

SECTION 12909. Whoever, being a pupil in the public schools, organizing, joining or belonging to a fraternity, sorority or like society composed or made up of pupils of the public schools, fails to obey the notice provided for in the next preceding section, shall be forthwith suspended from the public schools by the superintendent or principal in charge thereof in cities or districts having such superintendents or principals, or the clerk of the board of education in villages, special and township districts not having such superintendent or principal, until such pupil shall comply with the order of such board of education. (99 v. 253 § 2.)

Non-resident pupils.

SECTION 7682. Each board of education may admit other persons upon such terms or upon the payment of such tuition as it prescribes. (R. S. Sec. 4013.)

Crediting of school tax on tuition.

SECTION 7683. When a youth between the age of six and twenty-one years or his parent owns property in a school district in which he does not reside, and he attends the schools of such district, the amount of school tax paid on such property shall be credited on his tuition. (R. S. Sec. 4013.)

Assignment of pupils.

SECTION 7684. Boards of education may make such an assignment of the youth of their respective districts to the schools established by them as in their opinion best will promote the interests of education in their districts. (R. S. Sec. 4013.)

Mandamus will not lie to compel board of education to promote a pupil to a higher grade than that for which he was successfully examined, notwithstanding such pupil is fitted to enter such grade, such question being discretionary with the board. *Sycamore (Bd. of Ed.) v. Wickham*, 83 O. S., 133.

Suspension and expulsion of pupils.

SECTION 7685. No pupil shall be suspended from school by a superintendent or teacher except for such time as is necessary to convene the board of education, nor shall one be expelled except by a vote of two-thirds of such board, and after the parent or guardian of the offending pupil has been notified of the proposed expulsion, and permitted to be heard against it. No pupil shall be suspended or expelled from any school beyond the current term thereof. (R. S. Sec. 4014.)

The father of a child entitled to the benefits of the public school of the sub-district of his residence may maintain an action against the teacher of the school, and the local directors of the sub-district, for damages for wrongfully expelling the child from school. 21 O. S., 666.

In many cases of incorrigibility, proceedings can be instituted against the offender as provided by section 7774, as a juvenile disorderly person (section 7768), instead of expulsion by the board, as it is in the interest of the commonwealth to keep the child in school, if possible.

The parent has no right to interfere with the order or progress of the school by detaining his child at home, or by sending him at times that prove an annoyance or hindrance to others. 31 Iowa, 568.

The right to attend school is not absolute, but conditional on compliance with the rules. 48 Vt., 473.

SECTION 7686. The board of each district may make and enforce such rules and regulations to secure the vaccination of, and to prevent the spread of small-pox among the pupils attending or eligible to attend the schools of the district, as in its opinion the safety and interest of the public require. Boards of health, councils of municipal corporations, and the trustees of townships, on application of the board of education of the district, at the public expense, without delay, shall provide the means of vaccination to such pupils as are not provided therewith by their parents or guardians. (R. S. Sec. 3986.)

Vaccination
of pupils.

Board of education may enforce reasonable rules as to vaccination. State v. Barborton (Ed. of Ed.), 29 O. C. C., 375; (7 N. S., 608.)
Affirmed 76 O. S., 297.

SECTION 7687. Teachers in the public schools may dismiss their schools, without forfeiture of pay, on the first day of January, the twenty-second day of February, the thirtieth day of May, the fourth day of July, the first Monday in September, the twenty-fifth day of December, and on any day set apart by proclamation of the president of the United States, or the governor of this state as a day of fast, thanksgiving or mourning. (R. S. Sec. 4015.)

Dismissal of
school on
holidays.

A teacher is not bound by the provisions of a contract which are in contravention of law.

He may dismiss his school on legal holidays without forfeiture of pay, notwithstanding the clause in his contract providing salary by the day.

Boards of education cannot compel teachers to make up for time lost on the above-mentioned days.

Hiring teachers by the day does not affect their rights under this section. It is held in Michigan that "school management should always conform to those decent usages which recognize the propriety of admitting to hold exercises on recognized holidays. All contracts for teaching during periods mentioned must be construed of necessity as subject to such days, and there can be no penalty laid upon such observances, in the way of forfeitures or reductions of wages." 39 Mich., 484.

SECTION 7688. Not later than April the governor of the state shall appoint and set apart one day in the spring season of each year, as a day on which those in charge of the public schools and institutions of learning under state control, or state patronage, for at least two hours must give information to the pupils and students concerning the value and interest of forests, the duty of the public to protect the birds thereof, and also for planting forest trees. Such day shall be known as Arbor day. (95 v. 38 § 1.)

Arbor day.

SECTION 7689. The school year shall begin on the first day of September of each year, and close on the thirty-first day of August of the succeeding year. A school week shall consist of five days, and a school month of four school weeks. (R. S. Sec. 4016.)

School year,
month, and
week.

Boards of education cannot compel pupils to attend school, or teachers to teach the same, more than five days in any one week, and teachers cannot make up for lost time by teaching six days in a week without express authority from the board of education.

Teachers have no right, without express authority of the board of education, to make up lost time by teaching on Saturday or on a holiday. The custom is so well established of keeping the schools in session the five working days of each week exclusive of Saturday, and of dismissing on the holidays named, that to change this custom would manifestly require action by the board. As the law does not prescribe the days of the week to be taught, the board may, under section 4750, authorize the intermission of school on Monday or any other day most convenient to the inhabitants. In a few districts in Ohio, there is no session on Monday.

Control of
schools vested
in boards.

SECTION 7690. Each board of education shall have the management and control of all of the public schools of whatever name or character in the district. It may appoint a superintendent of the public schools, truant officers, and janitors and fix their salaries. If deemed essential for the best interests of the schools of the district, under proper rules and regulations, the board may appoint a superintendent of buildings, and such other employes as it deems necessary, and fix their salaries. Each board shall fix the salaries of all teachers, which may be increased, but not diminished during the term for which the appointment is made. Teachers must be paid for all time lost when the schools in which they are employed are closed owing to an epidemic or other public calamity. (R. S. Sec. 4017.)

Stipulation that teacher would not accept compensation for attending teachers' institute held void. *Elizabeth Tp. (Bd. of Ed.) v. Burton*, 30 O. C. C., 411 (11 N. S. 103.)
See ex rel. v. Wickham under 7684.

SECTION 7690-1. All employes in each city school district shall be divided into two classes to be known as the classified and unclassified service. The unclassified service shall include the position of officers elected by the people or appointed to fill vacancies in such offices; persons who by law are to serve without remuneration; persons who are required by law to have a teacher's certificate; the superintendent of instruction, the director of schools and the clerk of the board of education, school physicians and nurses, secretaries, chief deputies in the offices of the director and clerk of the board of education, the chief truant officer, all unskilled labor when but temporarily employed, and such other appointees as the civil service commission may by rule determine. The classified service shall comprise all offices and positions not included in the unclassified service. (Passed April 26, 1910.)

SECTION 7690-2. The civil service commissioners of each city shall be and are hereby constituted the civil service commissioners of the board of education in each city school district and the board of education of such district shall provide for such clerical force, examiners, and the necessary expenses of such commissioners as may be necessary for the purpose of carrying out the provisions of this act.

The civil service commissioners shall keep separate registers and records of all positions and appointments in the classified service of the board of education. All applicants for admission into the classified service of the board of education shall be subject to examination, which shall be competitive, public and open to all residents of the city school district, with such limitations as to age, sex, residence, health, habits and moral character as said commission may prescribe. The commission shall prepare rules and regulations adapted to carry out the purposes of this act, which rules and regulations shall provide for the grading of positions similar in character, so as to permit the filling of

positions in the highest grades as far as practicable by promotions; and shall provide for public examinations to ascertain the fitness of all applicants for appointments in the classified service, and the result of such examinations shall be accessible to all persons. Such applicants shall take rank upon the register of the commission as candidates in the order of their relative standing without reference to priority of examination, and grades and standings so established shall remain the grades for a period of six (6) months or longer, if the commission so determine. (Passed April 26, 1910.)

SECTION 7690-3. Whenever an appointment is to be made to any position in the classified service, the board or officer shall notify the commission of any vacancy to be filled. The commission shall thereupon certify to such board or officer the three candidates the highest in the respective lists as shown by the result of such examination, and such board or officer shall thereupon appoint one of the three so certified. Any candidate whose name shall have been certified three times without appointment may be dropped from the register by the commission. (Passed April 26, 1910.)

SECTION 7690-4. It shall be the duty of each appointing officer or board to report to the civil service commission forthwith upon such appointment or employment the name of such appointee or employe, the title, the character of his employment, the date of the commencement of service, the salary or compensation thereof, and such other information as the commission may require in order to keep the roster herein provided; and it shall be the duty of said commission to prepare, conduct and keep in its office a complete roster of all persons in the classified service of the board of education, which roster shall be open to inspection at all reasonable hours. It shall show in reference to each of said persons his name, the date of his appointment to or employment in such service, his salary or compensation, the title of the position or office he holds, or nature of the duties thereof; and, in case of removal or resignation, the date of the termination of such service. (Passed April 26, 1910.)

SECTION 7690-5. No officer or employe within the classified service who shall have been appointed under the provisions of this act or who shall have been continuously in the employment of the board of education for a period of three (3) years shall be removed, reduced in rank or discharged except for some cause relating to his moral character or his suitableness and capacity to perform the duties of his position, though he may be suspended from duty without pay for a period of not exceeding thirty (30) days pending the investigation of charges against him. Such cause shall be determined by the removing authority and reported in writing with a specific statement of the reasons therefor to the commission, but shall not be made public without the consent of the person discharged. Before such removal,

reduction or discharge shall become effective the removing authority shall give such person a reasonable opportunity to know the charges against him and to be heard in his own behalf, and if such charges be not sustained by the commission he shall be reinstated in his position. (Passed April 26, 1910.)

SECTION 7690-6. Nothing herein contained shall prevent the board of education of each city school district from defining the duties of its various employees, and prescribing the rules and regulations under which they shall serve nor from exercising proper supervision over them. Nor shall the board of education of such city school district be precluded from securing labor or assistance for short periods within its discretion in cases of emergency. (Passed April 26, 1910.)

Terms.

SECTION 7691. No person shall be appointed as a teacher for a term longer than four school years, nor for less than one year, except to fill an unexpired term, the term to begin within four months of the date of the appointment. In making appointments teachers in the actual employ of the board shall be considered before new teachers are chosen in their stead. (R. S. Sec. 4017.)

If a board of education require its committee on teachers or, in city districts, the superintendent, to report the teachers for re-appointment and the newly appointed teachers on separate lists, the adoption of the report or the confirmation of the appointments by the superintendent is sufficient consideration as required by law.

The restriction that no contract is valid unless money is in treasury and set apart, does not apply to contracts authorized by the provisions of law to be made for employing teachers and other school employees; see Sec. 5660.

Vote necessary to elect superintendent and teachers; Sec. 4752.

The passage of a resolution to employ a certain teacher, notice sent to him, and the party accepting and entering upon his duties, constitutes a valid contract between the school board and the teacher. 12 C. C., 249.

Illegal provisions in a contract to employ a teacher, which are separate from the legal part and are not performed, do not invalidate his right to recover his salary, as where he was employed at a certain salary, with a provision that if he could not do the work alone he should have power to employ assistance at his own expense, but he performed the service without an assistant. 29 O. S., 161.

A committee on teachers appointed by the board may make recommendations to the board, but no teacher, or other employee, can be legally elected except at a meeting of the board of education, and by a majority vote of the entire board and after the manner directed in section 4752. If the meeting is a special one, each member must have been notified in accordance with the provisions of section 4751.

The dismissal of a teacher or other employee is business and must be transacted at a regular or special meeting, and reasons therefor must be spread upon the minutes.

If a teacher is employed for a definite time, and, during the period of his employment, the district officers close the schools on account of the prevalence of contagious diseases, and keep them closed for a time, and the teacher continues ready to perform his contract, he is entitled to full wages during such period. The act of God is not an excuse for non-performance of a contract, unless it renders performance impossible; if it merely makes it difficult and inexpedient, it is not sufficient. Although under such circumstances it is eminently prudent to dismiss school, yet this affords no reason why the misfortune of the district should be visited upon the teacher. Dewey v. Union School District of Alpena, 43 Mich., 480.

A person who engages to teach for a definite term, and leaves the school without just cause, cannot sustain an action for services already rendered. 29 Vt., 219.

It has been held in New York that absence of a teacher for a single day without consent of the trustees annuls the contract. New York Code of Instruction, pp. 705, 723, 731.

But a teacher abandoning his school because not sustained by the trustees in the enforcement of reasonable rules is entitled to wages for the time taught. 7 Vermont, 452; 55 Mo., 149.

The discharge of a janitor's duties is no part of a teacher's work; and, in the absence of a contract to perform such duties, he is under no legal

obligation to do so, no difference what may have been the custom in the district, nor how long acquiesced in.

The teacher cannot *compel* pupils to do any janitorial work, such as building fires or sweeping school houses. 97 Ill., 375.

Many city boards of education have as one of their standing rules that all of their employees shall hold their positions at the discretion of the board. This condition in a contract with employees hired for a specified time is null and void. The statute names the causes for which an appointee may be dismissed, and that appointee can be dismissed for no other. A rule of a board of education cannot override a state law.

Instructor or teacher having sexual intercourse with female pupil; see Sec. 13030. For definition of "term" as used in section 13030, see *Esley v. State*, 10 O. C. C., N. S., 169.

Boards of education are authorized to adopt and enforce necessary rules and regulations for the government of schools under their management and control. *Sewall v. Board of Education*, 29 O. S., 89; see Sec. 4750.

Where instruction in rhetoric is given in any grade or department of the school, and one of the rules adopted by the board for the government of the pupils therein provides that if any pupil should fail to be prepared with a rhetorical exercise at the time appointed therefor, he or she should, unless excused on account of sickness or other reasonable cause, be immediately suspended from such department, it was held that such a rule was reasonable. 29 O. S., 89.

SECTION 7692. Any board of education in a city school district may provide for the medical inspection of pupils attending the public schools. For that purpose it can employ competent physicians, nurses, and provide for and pay all expenses incident thereto from the public school funds, or by agreement with the board of health or other board or officer performing the functions of a board of health for such city. It may provide for medical and sanitary supervision and inspection of the schools which are under the control of such board of education and of the pupils attending such schools, by a competent physician selected by the parent or guardian of the child, but on failure of the parent or guardian, then by the district physicians and other employes to be appointed by such board of health. (R. S. Sec. 4018a.)

Medical inspection.

SECTION 7693. A board of education in a city school district making such agreement may provide and pay compensation to the employes of the board of health in addition to that provided by the city. (R. S. Sec. 4018a.)

Compensation.

SECTION 7694. A board of education in a city school district, may elect a director of schools, who shall serve as such for the term of two years, unless earlier removed. A vacancy in this office shall be filled for the unexpired term thereof. (R. S. Sec. 4017.)

Director of schools.

SECTION 7695. As director of schools, he shall execute for the board of education, in the name of the school district, its contracts and obligations, except that bonds issued must be signed by the president of the board, and attested by the clerk. He shall see that all contracts made by or with such board are fully and faithfully performed. Except teachers, assistant teachers, supervisors, principals, superintendent of instruction, clerk of the board of education, such director shall have the appointment subject to the approval and confirmation of the board of all employes, and may discharge them. He shall have the care and custody of all property of the school district, real and personal, except moneys, oversee the construction of buildings, in the

Powers.

process of erection, and the repairs thereof; and advertise for bids and purchase all supplies and equipments authorized by the board. (R. S. Sec. 4017.)

Duties.

SECTION 7696. Such director shall report to the board monthly, and oftener if required, as to all matters under his supervision, and report to the board a statement of its accounts, exhibiting the revenues, receipts, disbursements, assets and liabilities, the sources from which the revenues and funds are derived, and in what manner they have been disbursed. He shall keep accurate account of taxes levied for school purposes, and of all moneys due to, received and disbursed by the board; also, of all assets and liabilities and all appropriations made by it, and receive and preserve all vouchers for payments and disbursements made to or by the board. He must issue all warrants for the payment of money from the school fund, but no warrant shall be issued for the payment of any claim until it has been approved by the board. The pay roll for teachers, assistant teachers and supervisors must be countersigned by the superintendent of instruction. Such director shall attend all meetings of the board, and perform all of its executive functions not hereinbefore excepted in defining the duties of the director of schools. He must devote such portion of his time to the duties of his office as is required by the board of education at or before his election, and give a bond for the faithful discharge of his duties as director of schools, in such sum as the board determines, his sureties to be approved by it, which bond shall be deposited with the president of the board within ten days after his appointment. (R. S. Sec. 4017.)

Compensation.

SECTION 7697. Such director shall receive such compensation, not exceeding five thousand dollars per annum, as is fixed by the board before his election, which shall not be changed during his term of office. (R. S. Sec. 4017.)

May suspend or remove director.

SECTION 7698. By a two-thirds vote for cause, the board of education at any time may suspend or remove the director of schools, but such suspension or removal shall not be made unless the charges are preferred in writing, and an opportunity afforded to bring all offered pertinent testimony in as a defense, which testimony shall be received and considered by the board and made a part of its records. (R. S. Sec. 4017.)

Appointees; clerk's duty.

SECTION 7699. Upon the appointment of any person to any position under the control of the board of education, the clerk promptly must notify such person verbally or in writing of his appointment, the conditions thereof, and request and secure from him within a reasonable time to be determined by the board, his acceptance or rejection of such appointment. An acceptance of it within the time thus determined, shall constitute a contract binding both parties thereto until such time as it may be dissolved, expires, or the appointee be dismissed for cause. (R. S. Sec. 4017.)

The statutes regulating the hiring of teachers, must be strictly followed. Beck v. Rocky River Sch. Dist. (Bd. of Ed.), 29 O. C. C., 717 (9)

SECTION 7700. All resignations or requests for release from contract by teachers, superintendents, or employees, must be promptly considered by the board, but no resignation or release shall become effective except by its consent. (R. S. Sec. 4017.)

Resignations.

SECTION 7701. Each board may dismiss any appointee or teacher for inefficiency, neglect of duty, immorality, or improper conduct. No teacher shall be dismissed by any board unless the charges are first reduced to writing and an opportunity be given for defense before the board, or a committee thereof, and a majority of the full membership of the board vote upon roll call in favor of such dismissal. (R. S. Sec. 4017.)

Dismissals.

SECTION 7702. The board of education in each city school district shall appoint a suitable person to act as superintendent of the public schools of the district, for a term not longer than five school years, and to begin within four months of such appointment. (R. S. Sec. 4017a.)

Superintendent of city school district.

SECTION 7703. Upon his acceptance of the appointment, such superintendent, subject to the approval and confirmation of the board, may appoint all the teachers, and for cause suspend any person thus appointed until the board or a committee thereof considers such suspension, but no one shall be dismissed by the board except as provided in section seventy-seven hundred and one. But any city board of education, upon a three-fourths vote of its full membership, may re-employ any teacher whom the superintendent refuses to appoint. Such superintendent shall visit the schools under his charge, direct and assist teachers in the performance of their duties, classify and control the promotion of pupils, and perform such other duties as the board determines. He must report to the board annually, and oftener if required, as to all matters under his supervision, and may be required by it to attend any and all of its meetings. He may take part in its deliberations but shall not vote. (R. S. Sec. 4017a.)

Powers and duties.

SECTION 7704. On the third Monday of every January the clerk of the board of education of a city school district shall certify to the board of education of which he is clerk, the number of pupils enrolled in the public schools of that district, whereupon the board of such city school district may by resolution set aside from the contingent fund a sum not to exceed five cents for each child so enrolled, such sum of money to be known as the "service fund" to be used only in paying the expenses of such members actually incurred in the performance of their duties; such payments to be made only on statement of the several members furnished at the last meeting held in each month. (99 v. 322 § 1.)

"Service fund."

SECTION 7705. The board of education of each village, township and special school district may appoint a suitable person to act as superintendent, and to employ the teachers of the public schools of the district, for a term not longer

Superintendent of village, township, or special school district.

than three school years, to begin within four months of the date of appointment. But nothing herein shall prevent two or more districts uniting and appointing the same person as superintendent. (R. S. Sec. 4017a.)

Powers and
duties.

SECTION 7706. Upon his acceptance of the appointment, such superintendent may visit the schools under his charge, direct and assist teachers in the performance of their duties, classify and control the promotion of pupils, and perform such other duties as the board determines. He shall report to the board of education annually, and oftener if required, as to all matters under his supervision, and may be required by it to attend any and all of its meetings. He may take part in its deliberations, but shall not vote. But any board may permit or require the superintendent to devote a portion of his time to teaching, subject to its rules and regulations. (R. S. Sec. 4017a.)

General duties
of teachers.

SECTION 7707. Teachers must exercise reasonable care in regard to school property, apparatus, and supplies intrusted to their keeping. They shall strive to guard the health and physical welfare of the pupils in their schools, give sufficient instruction in the studies pursued, and endeavor to maintain good discipline over all the pupils under their charge. But no teacher shall be required by any board to do the janitor work of any school room or building, except as mutually agreed by special contract, and for compensation in addition to that received by him for his services as teacher. (R. S. Sec. 4018.)

A teacher may decline to perform janitor service until the board makes a special contract with him for such service for compensation in addition to his salary as teacher.

A teacher required by a board of education to do janitor work without having made a special contract so to do, and without extra compensation therefor, may recover the reasonable value of such services from such board. 16 O. D. N. P., 414.

Teachers dis-
missed for in-
sufficient
cause.

SECTION 7708. If the board of education of any district dismisses a teacher for any frivolous or insufficient reason, the teacher may bring suit against such district. If, on trial of the cause a judgment be obtained against the district, the board thereof shall direct the clerk to issue an order upon the treasurer for the sum so found due to the person entitled thereto, to pay it out of any money in his hands belonging to the district, applicable to the payment of teachers. In such suits process may be served on the clerk of the district, and service upon him shall be sufficient. (R. S. Sec. 4019.)

Since possession of a certificate is *prima facie* evidence of competency and good character the burden of sustaining a charge against the teacher for inefficiency, neglect of duty, immorality or improper conduct is thrown upon the person or persons preferring such charges.

Filing and
preservation
of copies and
prices of
school-books.

SECTION 7709. Any publisher or publishers of school-books in the United States desiring to offer school-books for use by pupils in the common schools of Ohio as herein-after provided, before such books may be lawfully adopted and purchased by any school board, must file in the office of the state commissioner of common schools, a copy of each book proposed to be so offered, together with the published

list wholesale price thereof. No revised edition of any such book shall be used in common schools until a copy of such edition has been filed in the office of the commissioner together with the published list wholesale price thereof. The commissioner must carefully preserve in his office all such copies of books and the prices thereof. (92 v. 282 § 1.)

SECTION 7710. When and so often as any book and the price thereof is filed in the commissioner's office as provided in the next preceding section, a commission consisting of the governor, secretary of state and state commissioner of common schools, immediately shall fix the maximum price at which such books may be sold to or purchased by boards of education, as hereinafter provided, which price must not exceed seventy-five per cent of the published list wholesale price thereof. The state commissioner of common schools immediately shall notify the publisher of such book so filed, of the maximum price fixed. If the publisher so notified, notifies the commissioner in writing that he accepts the price fixed, and agrees in writing to furnish such book during a period of five years at that price, such written acceptance and agreement shall entitle the publisher to offer the book so filed for sale to such boards of education. (92 v. 282 § 2.)

Maximum
price; notifica-
tion of pub-
lisher.

SECTION 7711. Such commissioner, during the first half of the month of June, in each year, must furnish to each board of education the names and addresses of all publishers who during the year ending on the first day of the month of June in each year, agreed in writing to furnish their publications upon the terms above provided. A board of education shall not adopt or cause to be used in the common schools any book whose publisher has not complied, as to such book, with the provisions of law relating thereto. (92 v. 282 § 3.)

Notices to
boards.

SECTION 7712. If a publisher who agreed in writing to furnish books as above provided, fails or refuses to furnish such books adopted as herein provided to any board of education or its authorized agent upon the terms herein provided, such board at once must notify such commission of such failure or refusal, and it at once shall cause an investigation of such charge to be made. If it is found to be true the commission at once shall notify such publisher and each board of education in the state that such book shall not thereafter be adopted and purchased by boards of education. Such publisher shall forfeit and pay to the state of Ohio five hundred dollars for each failure, to be recovered in the name of the state, in an action to be brought by the attorney-general, in the court of common pleas of Franklin county, or in any other proper court or in any other place where service can be made. The amount, when collected, must be paid into the state treasury to the credit of the common school fund of the state. (92 v. 283 § 4.)

Violation of
agreement by
publisher.

Text books;
how deter-
mined; five-
year term.

SECTION 7713. At a regular meeting, held between the first Monday in February and the first Monday in August, each board of education shall determine by a majority vote of all members elected the studies to be pursued and which of such text-books so filed shall be used in the schools under its control. But no text-books now in use or hereafter adopted shall be changed, nor any part thereof altered or revised, nor any other text-book be substituted therefor for five years after the date of the selection and adoption thereof, as shown by the official records of such boards, except by the consent at a regular meeting, of five-sixths of all members elected thereto. Books so substituted shall be adopted for the full term of five years. (99 v. 460 § 5.)

Injunction lies to restrain illegal change in school text-books. Lenhart v. Newton Tp. (Bd. of Ed.) 18 Dec. 825 (5 N. S., 129).

Text-books,
of whom
ordered.

SECTION 7714. Each board of education shall cause it to be ascertained, and at a regular meeting determine which, and the number of each of such books the schools under its charge require, and cause an order to be drawn for the amount in favor of the clerk of the board of education, payable out of the contingent fund. Such clerk at once shall order the books so agreed upon by the board, of the publisher, who on the receipt of such order must ship them to the clerk without delay. He forthwith shall examine the books, and, if found right and in accordance with the order, remit the amount to the publisher. The board of education must pay all charges for the transportation of the books, out of the school contingent fund. But if such boards of education at any time can secure of the publishers books at less than such maximum price, they shall do so, and without unnecessary delay may make effort to secure such lower price before adopting any particular text-book. (99 v. 460 § 5.)

Board of
education,
power and
duties of.

SECTION 7715. Each board of education shall make all necessary provisions and arrangements to place the books so purchased within easy reach of and accessible to all the pupils in their district. For that purpose it may make such contracts; and take such security as it deems necessary, for the custody, care and sale of such books and accounting for the proceeds; but not to exceed ten per cent. of the cost price shall be paid therefor. Such books must be sold to the pupils of school age in the district, at the price paid the publisher, and not to exceed ten per cent. therefor added. The proceeds of sales shall be paid into the contingent fund of such district. Boards also may contract with local retail dealers to furnish such books at prices above specified, the board being still responsible to the publishers for all books purchased by it. (99 v. 460 § 5.)

Old books,
purchase of.

SECTION 7716. When pupils remove from any district, and have text-books of the kind adopted in such district and not the kind adopted in the district to which they remove, and wish to dispose of them, the board of the district

from which they remove, if requested, shall purchase them at the fair value thereof, and resell them as other books. Nothing herein shall prevent the board of education from furnishing free books to pupils as provided by law. (99 v. 460 § 5.)

SECTION 7717. For the purpose of carrying into effect the foregoing provisions, and paying the expenses incident thereto, there is hereby appropriated out of any money in the state treasury, to the credit of the general revenue fund, not otherwise appropriated, the sum of five hundred dollars, to be disbursed and paid on the allowance and order of the commissioner of common schools. (99 v. 460 § 5.)

Appropriation.

SECTION 7718. A superintendent, supervisor or principal, employed by any board of education in the state shall not act as a sales agent, either directly or indirectly, for any person, firm or corporation whose school text books are filed with such state commissioner, for use in the public schools of the state, as provided by law. A violation of this provision shall work a forfeiture of their certificates to teach in the public schools of Ohio. (99 v. 460 § 5.)

Sales agents, who may not be.

SECTION 7719. Boards of education of city, village, township and special school districts in the state may purchase for each school in either of such districts one copy of "Howe's Historical Collections of Ohio," to be used as a reference book in the study of the history of the state. But such work in quality, style, binding and finish must be equal to the present published edition thereof, bound in half Russia leather, and shall not cost to exceed three dollars per volume, for each set of three volumes. The price of the books and cost of transportation shall be paid out of the contingent fund of such district. (89 v. 241 § 1.)

Purchase of Howe's Historical Collections of Ohio.

SECTION 7720. During the vacations of schools, or when they are out in session such books shall be taken care of in the same manner that maps, globes, dictionaries and other school apparatus are cared for and preserved. (89 v. 241 § 2.)

Care and preservation of books.

SECTION 7721. Physical training shall be included in the branches regularly to be taught in public schools in city school districts, and in all educational institutions supported wholly or in part by money received from the state. Boards of education of city school districts, and boards of such educational institutions must make provisions in the schools and institutions under their jurisdiction for teaching physical training, and adopt such methods as will adapt it to the capacity of pupils in the various grades therein. Other boards may make such provisions. The curriculum in all normal schools of the state shall contain a regular course on physical education. (97 v. 364 § 1.)

Physical culture in schools.

SECTION 7722. Any board of education may establish and maintain manual training, domestic science, and commercial departments; agriculture, industrial, vocational and

trades schools, also kindergartens, in connection with the public school system; and pay the expenses of establishing and maintaining such schools from the public school funds, as other school expenses are paid. (100 v. 17 § 1.)

Instruction
as to effect
of alcoholic
drinks on the
human system

SECTION 7723. The nature of alcoholic drinks and other narcotics, and their effects on the human system, in connection with the various divisions of physiology and hygiene, shall be included in the branches to be regularly taught in the common schools of the state, and in all educational institutions supported wholly, or in part, by money from the state. (94 v. 396 § 1.)

Provision
therefor.

SECTION 7724. Boards of education, and boards of such educational institutions shall make suitable provisions for this instruction in the schools and institutions under their respective jurisdictions, giving definite time and place therefor in the regular course of study; adopt such methods as will adapt it to the capacity of pupils in the various grades; and to corresponding classes as found in ungraded schools. The same tests for promotion shall be required in this as in other branches. (94 v. 396 § 1.)

Instruction
of teachers.

SECTION 7725. In all teachers' institutes, normal schools and teachers' training classes, hereafter established by the state, adequate time and attention shall be given to instruction in the best methods of teaching such branch. (94 v. 396 § 2.)

Examination
of teachers
required.

SECTION 7726. No certificate shall be granted to any person to teach in the common schools, or in any educational institution supported by the state who does not pass a satisfactory examination on such subject, and the best methods of teaching it. (94 v. 396 § 2.)

Duty of com-
missioner of
common
schools.

SECTION 7727. The state commissioner of common school shall see that the provisions in the next two preceding sections relating to county teachers' institutes, and schools and classes by whatever name hereafter established for training teachers, and the examination of teachers, are carried out. Each year, he must make full report of the enforcement of such sections in connection with his annual report. (94 v. 396 § 2.)

Forfeiture
for failure
to give in-
struction.

SECTION 7728. Any school official, or employe in any way concerned, in the enforcement of the next five preceding sections who wilfully refuses or neglects to provide for, or to give the instruction as to the nature and effect of alcoholic drinks and other narcotics, hereinbefore required, shall forfeit and pay for each offense the sum of twenty-five dollars. Mayors, justices of the peace and probate judges shall have concurrent jurisdiction with the common pleas court to try all such offenses. All forfeitures collected hereunder must be paid into the general county school fund of the county in which it was collected. (94 v. 397 § 3.)

When German
language may
be taught.

SECTION 7729. Boards of education may provide for the teaching of the German language in the elementary and

high schools of the district over which they have control, but it shall only be taught in addition, and as auxiliary to, the English language. All the common branches in the public schools must be taught in the English language. (R. S. Sec. 4021.)

SECTION 7730. The board of education of any township school district may suspend the schools in any or all subdistricts in the township district. Upon such suspension the board must provide for the conveyance of the pupils residing in such subdistrict or subdistricts to a public school in the township district, or to a public school in another district, the cost thereof to be paid out of the funds of the township school district. Or, the board may abolish all the subdistricts providing conveyance is furnished to one or more central schools, the expense thereof to be paid out of the funds of the district. No sub-district school where the average daily attendance is twelve or more, shall be so suspended or abolished, after a vote has been taken under the provisions of law therefor, when at such election a majority of the votes cast thereon were against the proposition of centralization, or when a petition has been filed thereunder and has not yet been voted upon at an election. (R. S. Sec. 3922.)

Suspension of schools in subdistricts; conveyance of pupils.

The courts will not interfere with the discretion of township boards of education in suspending schools in subdistricts. 17 O. D. N. P., 269.

SECTION 7731. No township schools shall be centralized under the next preceding section by the board of education of the township until after sixty days' notice has been given by the board, such notices to be posted in a conspicuous place in each subdistrict of the township. When transportation of pupils is provided for, the conveyance must pass within at least the distance of one-half of a mile from the respective residences of all pupils, except when such residences are situated more than one-half of a mile from the public road. But transportation for pupils living less than one and one-half miles, by the most direct public highway, from the school house shall be optional with the board of education. (R. S. Sec. 3922.)

Centralization, notice required.

SECTION 7732. Boards of education of special school districts may provide for the conveyance of the pupils of such districts to the school or schools of the districts or to a school of any adjoining district, the expense thereof to be paid from the school fund of the special school districts. But boards of education of such districts as provide transportation for the pupils thereof, shall not be required to transport pupils living less than one mile from the school-house; and such boards of education shall not discriminate between different portions of said districts or between pupils of similar ages or residing at similar distances from the school-house. (R. S. Sec. 3934, as amended April 27, 1910.)

Conveyance of pupils in special districts.

SECTION 7733. At its option, the board of education in any village school district may provide for the conveyance of the pupils of the district or any adjoining district, to the

school or schools of the district, the expense of conveyance to be paid from the school funds of the district in which such pupils reside. But such boards as so provide transportation, shall not be required to transport pupils living less than one mile from the school house or houses. (As amended May 10, 1910.)

Pupils may be sent from one district to another.

SECTION 7734. The board of any district may contract with the board of another district for the admission of pupils into any school in such other district, on terms agreed upon by such boards. The expense so incurred shall be paid out of the school funds of the district sending such pupils. (R. S. Sec. 4022.)

Who may be admitted to the public schools: see Sec. 4013.

The contract must be express, merely permitting the attendance of a non-resident pupil creates no liability. 50 O. S., 439.

Attendance at nearest school.

SECTION 7735. When pupils live more than one and one-half miles from the school to which they are assigned in the district where they reside, they may attend a nearer school in the same district, or if there be none nearer therein, then the nearest school in another school district, in all grades below the high school. In such cases the board of education of the district in which they reside must pay the tuition of such pupils without an agreement to that effect. But a board of education shall not collect tuition for such attendance until after notice thereof has been given to the board of education of the district where the pupils reside. Nothing herein shall require the consent of the board of education of the district where the pupils reside, to such attendance. (R. S. Sec. 4022a.)

The foregoing section does not require the board of education to admit pupils to a school outside the district in which they reside unless the school in their district is more than a mile and a half from their residence, and more remote from their residence than the school to which admission is sought. Boyce v. Board of Ed., 76 O. S., 365.

Expense per capita.

SECTION 7736. Such tuition shall be paid from either the tuition or the contingent funds and the amount per capita must be ascertained by dividing the total expenses of conducting the elementary schools of the district attended, exclusive of permanent improvements and repairs, by the total enrollment in the elementary schools of the district, such amount to be computed by the month. An attendance any part of a month will create a liability for the whole month. (R. S. Sec. 4022a.)

Not to apply when schools are centralized.

SECTION 7737. When the schools of a district are centralized or transportation of pupils provided, the provisions of the next two preceding sections shall not apply. (R. S. Sec. 4022a.)

No contract between the boards is necessary. If the receiving board give the permission, the sending board must pay, no permission of the sending board is necessary. 10 C. C., 617.

The distance is to be measured by the most direct public highway, from the school house to the nearest portion of the curtilage of the child's residence. 53 O. S., 290.

Sufficient school accommodations to be provided.

SECTION 7738. Every board of education in this state must provide sufficient accommodations in the public schools for all children in their districts compelled to at-

tend the public schools under the provisions of this chapter. Authority to levy the tax and raise the money necessary for such purpose, is hereby given the proper officers charged with such duty under the law. (R. S. Sec. 4022-13.)

SECTION 7739. Each board of education may furnish, free of charge, school-books, necessary to enable the parent or guardian, without expense therefor, to comply with the requirements of this chapter, to be paid for out of the contingent fund at its disposal. Such levy each year, in addition if necessary to that otherwise authorized, as may be necessary to furnish such school-books free of charge to all the pupils attending the public schools, is hereby authorized. But pupils wholly or in part supplied with necessary school-books shall be supplied only as other or new books are needed. All school-books furnished as herein provided, shall be the property of the district, and loaned to the pupils on such terms and conditions as each such board prescribes. (R. S. Sec. 4026.)

Free school-books.

Boards of education which furnish free text-books to pupils in the schools under their control may pay the exchange price when making an exchange of text-books; but it is unlawful to do so when the board has not previously adopted the free text-book plan as provided for by law.

SECTION 7740. Each board of county school examiners shall hold examinations of pupils of township and special districts, and of village districts in the subjects of orthography, reading, writing, arithmetic, English grammar and composition, geography, history of the United States, including civil government, and physiology. Two such examinations must be held annually, on the third Saturday of April, and one on the third Saturday of May, at such place or places as such board designates. (As amended April 15, 1910.)

Examination for entering high school.

SECTION 7741. The questions for all such examinations, throughout the state, shall be uniform and be prepared under the direction of the state commissioner of common schools. Sample lists must be mailed, under seal, to the clerks of such boards of examiners not less than ten days before each examination. Upon receipt of the lists, the boards are required to have a sufficient number of copies of them printed for use at the examination. Only such applicants as receive an average grade of seventy per cent, with no grade less than fifty per cent in any branch shall be passed. (R. S. Sec. 4029-1.)

Preparation of questions.

SECTION 7742. Upon written notice, filed by a successful applicant, with its clerk, each township board of education, must provide for holding a township commencement not later than the month of June, at some place within the civil township, and appoint some suitable person to have charge of it. (R. S. Sec. 4029-1.)

Township commencement.

SECTION 7743. At such commencement each successful applicant residing in the township school district or any special or joint sub-district whose school-house is located

within the civil township of which the township district forms a part, shall be required to deliver an oration or declamation, or read an essay. Thereupon such board of education must issue a certificate to each successful applicant, stating that such applicant took part in the commencement. (R. S. Sec. 4029-1.)

County commencement;
diploma.

SECTION 7744. The board of county school examiners shall provide for the holding of a county commencement not later than August fifteenth, at such place as it determines. At this commencement an annual address must be delivered, at the conclusion of which a diploma shall be presented to each successful applicant who has complied with the provisions hereof. Such diploma shall entitle its holder to enter any high school in the state. (R. S. Sec. 4029-1.)

Compensation
of county
examiner
and clerk.

SECTION 7745. The compensation of county examiners and clerks of boards thereof shall be the same as that fixed by law for the examination of teachers. Each member of such board of examiners, together with the clerk thereof, shall be allowed the minimum fee provided for holding examinations for teachers as remuneration for his services incident to the county Boxwell commencement. Such compensation and the necessary expenses incident to the examination and county commencement shall be paid out of the county treasury as provided by law as to examinations of teachers. No extra compensation shall be allowed to county examiners for holding the county commencement. (R. S. Sec. 4029-2.)

Expense of
commence-
ment.

SECTION 7746. The expenses incident to the township commencement shall be paid by the township board of education from the contingent fund of the township district. When the pupils of special districts take part in such commencements the board of education of such districts, from their contingent funds, shall pay to the township board of education their share of such expenses, such share to be based on the proportion of pupils, from each district, taking part in such commencements. (R. S. Sec. 4029-2.)

Diplomas,
effect of, as
to tuition.

SECTION 7747. The tuition of pupils holding diplomas and residing in township or special districts, in which no high school is maintained, shall be paid by the board of education of the school district in which they have legal school residence, such tuition to be computed by the month. An attendance any part of the month shall create a liability for the entire month; but a board of education maintaining a high school shall not charge more tuition than it charges for other non-resident pupils. (R. S. Sec. 4029-3.)

Third grade
high school,
duty of board
to graduates.

SECTION 7748. A board of education providing a third grade high school as defined by law shall be required to pay the tuition of graduates from such school residing in the district at any first grade high school for two years, or at a second grade high school for one year and a first grade high school for one year. Such a board providing a second

grade high school as defined by law shall pay the tuition of graduates residing in the district at any first grade high school for one year; except that, a board maintaining a second or third grade high school is not required to pay such tuition when a levy of twelve mills permitted by law for such district has been reached and all the funds so raised are necessary for the support of the schools of such district. No board of education is required to pay the tuition of any pupil for more than four school years; except that it must pay the tuition of all successful applicants, who have complied with the further provisions hereof, residing more than four miles by the most direct route of public travel, from the high school provided by the board, when such applicants attend a nearer high school, or in lieu of paying such tuition the board of education maintaining a high school may pay for the transportation of the pupils living more than four miles from the said high school, maintained by the said board of education to said high school. Where more than one high school is maintained, by agreement of the board and parent or guardian, pupils may attend either and their transportation shall be so paid. A pupil living in a village or city district who has completed the elementary school course and whose legal residence has been transferred to a township or special district in this state before he begins or completes a high school course, shall be entitled to all the rights and privileges of a Boxwell-Patterson graduate. (As amended May 10, 1910.)

The foregoing section being general in its application, includes all boards of education — city, village, township and special. Attorney General.

SECTION 7749. When the elementary schools of any township school district in which a high school is maintained are centralized and transportation of pupils is provided all pupils resident of the township school district holding diplomas shall be entitled to transportation to the high school of such township district, and the board of education thereof shall be exempt from the payment of the tuition of such pupils in any other high school for such a portion of four years as the course of study in the high school maintained by the board of education includes. (R. S. Sec. 4029-3.)

Transporta-
tion to high
school.

SECTION 7750. A board of education not having a high school may enter into an agreement with one or more boards of education maintaining such school for the schooling of all its high school pupils. When such agreement is made the board making it shall be exempt from the payment of tuition at other high schools of pupils living within three miles of the school designated in the agreement, if the school or schools selected by the board are located in the same civil township, as that of the board making it, or some adjoining township. In case no such agreement is entered into, the school to be attended can be selected by the pupil holding a diploma, if due notice in writing is given to the clerk of the board of education of the name of the school to be attended and the date the attendance is to begin, such

notice to be filed not less than five days previous to the beginning of attendance. (R. S. Sec. 4029-3.)

Tuition,
how paid.

SECTION 7751. Such tuition shall be paid from either the tuition or contingent funds and when the board of education deems it necessary it may levy a tax of not to exceed two mills on each dollar of taxable property in the district in excess of that allowed by law for school purposes. The proceeds of such levy shall be kept in a separate fund and applied only to the payment of such tuition. (R. S. Sec. 4029-3.)

What shall
constitute a
high school.

SECTION 7752. No board of education shall be entitled to collect tuition under this chapter unless it is maintaining a regularly organized high school with a course of study extending over not less than two years and consisting mainly of branches higher than those in which the pupil is examined. The standing or grade of all public high schools in the state shall be determined by the state commissioner of common schools, and his finding in reference thereto shall be final. (R. S. Sec. 4029-4.)

Inspectors,
appointment
and duties of.

SECTION 7753. To aid in the recognition and classification of high schools, established or seeking recognition in accordance with the provisions of this chapter, the state commissioner of common schools shall appoint two competent inspectors. Under the orders and supervision of the commissioner of schools such inspectors shall make examinations of any public schools in the state, visit teachers' institutes, confer with various school authorities and assist the state commissioner of common schools in such other ways as he may direct; but the inspection herein authorized shall not be a substitute for, or take the place of, the inspection made by the Ohio State University for university purposes. In making the first appointment one of the inspectors shall be named for one year and one for two years and thereafter the appointment shall be for two years. Such inspectors shall be paid an annual salary of two thousand dollars. (R. S. Sec. 4029-4a.)

Field agents,
report of.

SECTION 7754. The visitors or field agents of any institution of higher learning, supported wholly or in part by the state of Ohio, shall furnish the state commissioner of common schools with a report of all inspection of public high schools made by them. The reports shall be in such form as the commissioner may prescribe. (R. S. Sec. 4029-4b.)

Upon application by a board of education of any school district in Ohio to the state commissioner of schools, he shall grant permission to such board, and it thereupon may maintain within its limits one or more day schools, having an average attendance of not less than three pupils, for the instruction of deaf persons over the age of three, residents of this state. (98 v. 219 § 1.)

SECTION 7756. A board of education, which maintains one or more day schools for the instruction of the deaf, shall report to the state commissioner of schools annually, and as often as such commissioner directs, such facts concerning such school or schools as he requires. ((98 v. 219 § 2.)

If no school is maintained in a county, but persons residing therein attend such school in another county, then the county treasurer of the county not having such a school shall apportion and pay to the financial officer of the board of education of such other county the amount above specified for each pupil attending such school therein. (98 v. 219 § 3.)

SECTION 7758. The sums provided in the next preceding section shall be paid by such county treasurer as soon as may be after the receipt by him of the state common school fund in each year, upon satisfactory proof made to him by the president or clerk of the board of education maintaining such a school, of the number of pupils instructed therein, their residences, and the period of time such pupil was so instructed in such school or schools, the preceding school year. (98 v. 219 § 4.)

The so-called "oral" system shall be taught by such teachers. If after fair trial of nine months, any of such children, for any reason, is unable to learn such method, then no further expense shall be incurred in effort to teach such child in such primary schools. Every parent, guardian or other person having charge of any child between the ages of eight and fourteen years must send such child to a public, private or parochial school, for the full time that the school attended is in session, which shall in no case be for less than twenty-eight weeks. Such attendance must begin within the first week of the school term, unless the child is excused therefrom by the superintendent of the public schools, in city or other districts having such superintendent, or by the clerk of the board of education in village, special and township districts not having a superintendent, or by the principal of the private or parochial school upon satisfactory showing, either that the bodily or mental condition of the child does not permit of its attendance at school, or that the child is being instructed at home by a person qualified, in the opinion of such superintendent, or clerk as the case may be, to teach the branches named in the next preceding section. (As amended May 10, 1910.)

No child under sixteen years of age shall be employed or be in the employment of any person, company or corporation during the school term and while the public schools are in session, unless such child presents to such person, company or corporation an age and schooling certificate herein provided for as a condition of employment, who shall keep the same on file for inspection by the truant officer or officers of the department of workshops and factories. (As amended May 10, 1910.)

Age and
schooling cer-
tificate.

SECTION 7766. An age and schooling certificate shall be approved only by the superintendent of schools, or by a person authorized by him, in city or other districts having such superintendent, or by the clerk of the board of education in village, special and township districts not having such a superintendent, upon satisfactory proof that such child is over fourteen years of age, and that such child has been examined and passed a satisfactory fifth grade test in the studies enumerated in section seventy-seven hundred and sixty-two; provided, that residents of other states who work in Ohio must qualify as aforesaid with the proper school authority in the school district in which the establishment is located, as a condition of employment or service, and that the employment contemplated by the child is not prohibited by any law regulating the employment of children under sixteen years of age. Every such age and schooling certificate shall be signed in the presence of the officer issuing the same, by the child in whose name it is issued. The age and schooling certificate must be formulated by the state commissioner of common schools and furnished, in blank, by the clerk of the board of education. Any child between fourteen and sixteen years of age, who shall cease to work for any cause whatever shall report the fact and cause at once to the superintendent of schools, or by a person authorized by him, in city or other districts having such superintendent, or to the clerk of the board of education in village, township or special districts not having such superintendent; said child shall be required to return to school within two weeks, provided other employment is not secured within such time; provided, that should a child in the opinion of the superintendent or person authorized by him in cities and districts having such superintendent or the clerk of the board of education in village, township, or special districts lose his employment by reason of persistent, wilful misconduct or continuous inconstancy, he may be placed in school until the close of the current school year. The superintendent of schools, or the person authorized by him to issue age and schooling certificates, shall not issue such certificate until he

has received, examined and approved and filed the following papers duly executed: (1) The written pledge or promise of the person, partnership or corporation to legally employ the child, also the written agreement to return to the superintendent of schools or to the person authorized by the superintendent of schools to issue such certificate, the age and schooling certificate of the child, within two days from date of the child's withdrawal or dismissal from the service of the person, partnership or corporation, giving the reason for such withdrawal or dismissal; (2) The school record of such child properly filled out and signed by the principal or other person in charge of the school which such child last attended, giving the name, age, address, standing in studies enumerated in Section seven thousand seven hundred and sixty-two and number of weeks attendance in school during the year previous to applying for such school record, and general conduct; (3) A passport or duly attested transcript of the certificate of birth or baptism or other religious record, showing the date and place of birth of such child; a duly attested transcript of the birth certificate filed according to law with a registrar of vital statistics, or other officer charged with the duty of recording births, shall be conclusive evidence of the age of the child; or the affidavit of the parent or guardian or custodian of the child applying for an age and schooling certificate showing the place and date of birth of such child, which affidavit must be taken before the officer issuing the age and schooling certificate, who is hereby authorized and required to administer such oath, and who shall not receive or demand a fee therefor; (4) When a reasonable doubt exists in the mind of the superintendent or the person authorized by him that the child has not reached the normal development of a child of its age and is not in sound health and physically able to perform the work which it intends to do, he shall require of the parent or guardian a certificate from the board of health showing that the child is able to perform the work he is to be employed at. (As amended May 10, 1910.)

SECTION 7767. All minors over the age of fourteen and under the age of sixteen years, who have not passed a satisfactory fifth grade test in the studies enumerated in Section seventy-seven hundred and sixty-two, shall attend school as provided in Section seventy-seven hundred and sixty-three, and all the provisions thereof shall apply to such minors.

Attendance of
minors in cer-
tain cases.

In case the board of education of any school district establishes part time day schools for the instruction of youth over fourteen years of age who are engaged in regular employment, such board of education is authorized to require all youth who have not satisfactorily completed the eighth grade of the elementary schools, to continue their schooling until they are sixteen years of age; provided, however, that such youth if they have been granted age and schooling certificates and are regularly employed, shall be required to attend school not to exceed eight hours a week between the hours of 8 A. M. and 5 P. M. during the school term. All

youth between fourteen and sixteen years of age, who are not employed, shall be required to attend school the full time. (As amended May 10, 1910.)

Juvenile disorderly persons.

SECTION 7768. Every child between the ages of eight and fourteen years, and every child between the ages of fourteen and sixteen years not engaged in some regular employment, who is an habitual truant from school, or who absents itself habitually from school, or who, while in attendance at any public, private or parochial school, is incorrigible, vicious or immoral in conduct, or who habitually wanders about the streets and public places during school hours having no business or lawful occupation, or violates any of the provisions of this act, shall be deemed a delinquent child, and shall be subject to the provisions of law relating to delinquent children. (As amended May 10, 1910.) -

Many different meanings are likely to be attached to the phrases "regular employment," "habitual truant," "lawful occupation," etc., and in the absence of any decision of the court defining these expressions, it is very difficult, in fact scarcely possible, to draw an exact line of definition. Boards of education should adopt rules governing such matters. Such rules should inform the public as to the interpretation placed upon these expressions by the board, and if reasonable, would almost certainly be sustained by the courts.

Truant officers.

SECTION 7769. To aid in the enforcement hereof, truant officers shall be appointed as follows: In city districts the board of education must appoint and employ a truant officer, and may employ such assistants to such truant officer as may be deemed advisable; in special, village and township districts the board of education shall appoint a constable or other person as truant officer. The compensation of the truant officer and assistants shall be fixed and paid by the board appointing them. (As amended May 10, 1910.)

Powers.

SECTION 7770. 7785. Special reports by superintendents and teachers.
7786. When orders of clerk for teachers' pay illegal.

The records of each school, in addition to all other requirements shall be so kept as to exhibit the names of all pupils enrolled therein, the studies pursued; also, indicate the character of the work done, the standing of each pupil, and must be as near uniform throughout the state as is practicable. (R. S. Sec. 4059.)

by superintendents and
teachers.

SECTION 7785. Such boards may require superintendents and teachers to report matters the boards deem important or necessary for information in regard to the management and conduct of the schools and to make such suggestions and recommendations as they deem advisable relative to methods of instruction, school management, or other matters of educational interest. But orders may be drawn for the payment of special teachers of drawing, painting, penmanship, music, gymnastics, or a foreign language, on presentation of a certificate to the clerk, signed by a majority of the examiners, and the filing with him of a true copy thereof, covering the time for which the special teacher has been employed and the specialty taught. (R. S. Sec. 4051.)

The written acceptance of such order by the predecessor of the township treasurer, to whom it was presented for payment, imposes no greater obligation on the latter to pay the same, than he would have been under had it been presented without such acceptance. Id.

Not only the teacher, but each member of the board of education, is severally liable for the repayment of money paid under their vote and order, to a teacher who does not hold a certificate as required by law. The same rule applies to all payments made to teachers before reports required by law, by the State Commissioner of Common Schools, and by the board of education, have been made.

An assistant teacher who has not a legal certificate cannot be paid through an order drawn in favor of another teacher who had a certificate, nor can any uncertificated teacher, who is employed as a substitute, receive pay through another teacher.

The term "entire term of service," as used in this section, refers to the time of service covered by the order to be drawn, not to the entire time of employment.

(R. S. Sec. 4058.)

In what form to be made, etc.

SECTION 7789. On or before the twentieth day of September, annually, the auditor of each county shall prepare, and transmit to the commissioner of common schools, an abstract of all the returns of school statistics made to him from the several districts in his county, according to the form prescribed by the commissioner, a statement of the condition of the institute fund, and such other facts relating to schools and school funds as the commissioner requires. (R. S. Sec. 4060.)

Duty of county auditor as to school statistics, etc.

SECTION 7790. If the auditor neglects to prepare and return any of the abstracts or reports herein required, the county commissioners shall withhold from him all compensation for his services under this title, and he shall also be liable on his bond for any such neglect, in a sum not less than three hundred nor more than one thousand dollars, on complaint of the commissioner of common schools, and if the clerk of the board of education of any district fails to make the annual returns of school statistics required by this

(R. S. Sec. 4062.)

Further pen-
alties against
auditor.

SECTION 7792. A county auditor who willfully or negligently fails, in any year, to transmit to the commissioner of common schools the abstract of enumeration by law required of him, or to perform any other duty required of him in this title, shall be liable on his bond to the extent of twice the sum lost to the school districts of his county in consequence of such failure. Such sum shall be recovered in a civil action against him, on his bond, in the name of the state. The money so recovered must be paid into the county treasury, for the benefit of such districts, and apportioned as the school funds so lost would have been apportioned. (R. S. Sec. 4063.)

Compensation
of auditor.

SECTION 7793. The commissioners of each county, annually shall allow the county auditor a reasonable compensation for his services under this title, not to exceed five dollars for each city, village, special, and township school district in his county, to be paid out of the county treasury. But before such allowance shall be made for any year the auditor must present to the commissioners a statement, officially certified and signed by the commissioner of common schools, that he has transmitted to him all reports and returns of statistics for that year required by this title. children.

SECTION 12929. Whoever, being an officer having supervision over the annual enumeration of unmarried youths between six and twenty-one years of age, taken in conformity to law, increases or diminishes the number enumerated, shall be fined not less than five dollars nor more than one thousand dollars or imprisoned in the county jail not less than ten days nor more than thirty days. (R. S. Sec. 4041.)

STATE BOARD OF EXAMINERS.

SECTION 7805. There shall be a state board of examiners, consisting of five competent persons, resident of the state, to be appointed by the state commissioner of common schools. Not more than three of them shall belong to the same political party. (R. S. Sec. 4065.)

State board;
their appointment.

SECTION 7806. The term of office of such examiners shall be five years. The term of one of the examiners shall expire on the thirty-first day of August each year. When a vacancy occurs in the board, whether from expiration of the term of office, refusal to serve, or other cause, such commissioner shall fill it by appointment for the full or unexpired term, as the case demands. (R. S. Sec. 4065.)

Terms and
vacancies.

SECTION 7807. The board thus constituted may issue three grades of life certificates to such as are found to possess the requisite scholarship, and who exhibit satisfactory evidence of good moral character and of professional experience and ability. The certificate shall be for different grades of schools according to branches taught, and be valid in the schools specified therein. The clerk of the board must keep a record of the proceedings, showing the number, date

record thereof.

and grade of each certificate, to whom granted, and for what branches of study, and report such statistics to the commissioner, annually, on or before the thirty-first day of August. (R. S. Sec. 4066.)

The state board of examiners issues the following certificates: High school life, common school life and special life. High school life certificates are unlimited, common school life and special life are limited to the branches of study specified therein.

Effect thereof;
may be re-
voked for
cause.

SECTION 7808. All certificates issued by such board shall be countersigned by the commissioner of common schools. They shall supersede the necessity of any and all other examinations of the persons holding them, by any board of examiners, and be valid in any school district in the state, unless revoked by the state board for good cause. (R. S. Sec. 4067.)

Examination
fees.

SECTION 7809. Each applicant for a certificate shall pay to the board of examiners a fee of five dollars. The clerk of the board must pay to the state treasurer, all fees received, and file with the state auditor a written statement of the amount. (R. S. Sec. 4068.)

Compensation
of examiners.

SECTION 7810. Each member of the board shall be entitled to receive five dollars for each day he is necessarily engaged in official service, and also six cents per mile each way for traveling from and to his place of residence, by the most direct route of public travel to and from the places of meeting of the board, to be paid out of the state treasury on the order of the state auditor. All books, blanks and stationery required by the board must be furnished by the secretary of state. (R. S. Sec. 4068.)

COUNTY BOARD OF EXAMINERS.

County
boards.

SECTION 7811. There shall be a county board of school examiners for each county, consisting of three competent persons to be appointed by the probate judge. Two of such persons must have had at least two years' experience as teachers or superintendents, and have been within five years, actual teachers in the public schools. Each person so appointed shall be a legal resident of the county for which appointed. Should he remove from the county during his term, his office thereby shall be vacated and his successor be appointed. (R. S. Sec. 4069.)

Who inelig-
ible.

SECTION 7812. No examiner shall teach in, be connected with, or financially interested in any school which is not supported wholly or in part by the state, or be employed as an instructor in any teachers' institute in his own county; nor shall any person be appointed as, or exercise the office of examiner who is agent of or financially interested in any book publishing or book selling firm, company or business, or in any educational journal or magazine. If an examiner becomes connected with or interested in any school not under state control, or is employed in any such institution in

his own county, or becomes an agent of or interested in any book company or journal, or fails to hold the necessary teachers' certificate, or removes from the county, the probate judge upon being apprised of such fact, forthwith shall remove such examiner and appoint his successor. (R. S. Sec. 4069.)

Offices of county school examiner and councilman are incompatible. State v. Gard, 29 O. C. C. 426 (8 N. S. 599.)

SECTION 7813. The term of office of such examiner is three years. The term of one of the examiners shall expire on the thirty-first day of August, each year. The probate judge must revoke the appointment of any examiner, upon satisfactory proof that he is inefficient, intemperate, negligent, guilty of immoral conduct, or that he is using his office for personal or private gain. (R. S. Sec. 4069.)

Term.

SECTION 7814. When a vacancy occurs in the board, whether from expiration of the term of office, refusal to serve, or other cause, the probate judge promptly shall fill it by appointment for the full or unexpired term, and within ten days, report this to the state commissioner of common schools, together with the names of the other members of the board and the date of the expiration of their several terms of office. (R. S. Sec. 4069.)

Vacancies.

SECTION 7815. Annually, in the month of September, the board of county school examiners shall organize by choosing from its members a president, a vice-president, and a clerk. The president shall preside at all the meetings of the board. In his absence the vice president shall preside. The clerk shall keep a full and accurate record of the proceedings of the board, showing the number, date and character of each certificate issued, to whom, for what term and what branches of study, with such other statistics relating to the examination and proceedings of the board as the state commissioner of common schools requires, in the form and manner required by him, and make a report of all such items annually on or before the first day of September. (R. S. Sec. 4070.)

Organization of board; duties of officers.

SECTION 7816. The board shall make all needful rules and regulations for the proper discharge of its duties and the conduct of its work, subject to statutory provisions and the approval of the state commissioner of common schools. (R. S. Sec. 4070.)

Rules and regulations.

The prosecuting attorney is the legal adviser of county boards of examiners; see Sec. 2917.

SECTION 7817. Each board shall hold public meetings for the examination of applicants for county teachers' certificates on the first Saturday of every month of the year, unless Saturday falls on a legal holiday, in which case, it must be held on the succeeding Saturday, at such place or places within the county as, in the opinion of the board, best will accommodate the greatest number of applicants. Notice thereof shall be published in two weekly newspapers of dif-

Meetings for examinations; notice.

ferent politics printed in the county, if two papers thus are published, if not, then a publication in one only is required. In no case shall the board hold any private examination or antedate any certificate. (R. S. Sec. 4071.)

Majority's
power; ex-
amination
fees.

SECTION 7818. A majority of the board may examine applicants and grant certificates. As a condition of any applicant's being admitted to take the examination, each one shall pay to the board for the use of the county institute a fee of fifty cents. (R. S. Sec. 4071.)

It has been decided by two or more common pleas courts in Ohio, "that the examination of the candidate, and determination to grant the certificate being official acts, can only be legally performed at a session of the board duly organized, and that the whole board, as such, is to decide regarding the qualifications of each applicant to teach each branch certified to." See also case of McCortle v. Bates, 29 O. S., 419, as quoted in full under section 3982. All its reasoning regarding boards of education applies equally to examining boards.

Uniform
system of ex-
amination.

SECTION 7819. The questions for all county teachers' examinations, shall be prepared and printed under the direction of the state commissioner of common schools. A sufficient number of lists must be sent, under seal, to the clerks of such boards of examiners not less than five days before each examination, such seal to be broken at the time of the examination at which they are to be used, in the presence of the applicants and a majority of the members of the examining board. (R. S. Sec. 4071a.)

Divulging
school ex-
aminers'
questions.

SECTION 12939. Whoever, being a person connected with the preparation, printing, distribution or handling of questions for county teachers' examinations, makes public in any manner or gives information in regard to the nature or character of such questions, to an applicant for a certificate, or other person, prior to such examination in each branch of study respectively, or whoever is found in possession of any of such questions prior to the distribution thereof for the use of applicants at such examination, shall be fined not less than fifty dollars nor more than one hundred dollars, and imprisoned not less than thirty days nor more than ninety days. (R. S. Sec. 4071a.)

Disposition
of fees.

SECTION 7820. The clerk of the board of county school examiners must promptly collect all fees from applicants at each examination and pay them into the county treasury quarterly. He shall file with the county auditor a written statement of the amount, and the number of applicants, male and female, examined during the quarter. All money thus received, must be set apart by the auditor for the support of county teachers' institutes, to be applied as provided for in chapter eight of this title. (R. S. Sec. 4072.)

Teachers'
certificates.

SECTION 7821. County boards of school examiners may grant teachers' certificates for one, two, three, five and eight years from the day of the examination, which shall be valid in all village, township, and special school districts of the county wherein they are issued. In school districts situated in two or more counties, teachers' certificates obtained in either county shall be valid in such districts. (R. S. Sec. 4073.)

SECTION 7822. All teachers' certificates granted for one, two or three years shall be regarded as provisional certificates, and be issued and renewed only in compliance with such reasonable regulations and standards and upon such ratios as the board adopts. But when any teachers holds a two or three years' certificate, and for the last five years preceding has been continuously engaged in teaching in this state, such teacher shall be entitled to have such certificate renewed by passing an examination in theory and practice. (R. S. Sec. 4073.)

Provisional
certificates,
defined.

SECTION 7823. Applicants for five-years' or eight-years' certificates shall have had not less than forty months' experience in teaching and shall make not less than eighty-five per cent. in any branch and a general average of not less than ninety-two per cent., and such certificates shall be regarded as professional certificates. They shall be renewed without examination at the discretion of the examining board, except that no such certificate will be renewable if the holder thereof has not been actively engaged in teaching within the four years preceding. Such professional certificates shall be valid in any county in the state. (As amended May 10, 1910.)

Professional
certificates,
defined.

SECTION 7824. County boards of school examiners at their discretion may issue certificates without formal examinations to holders of certificates granted by other county and city boards of school examiners. (R. S. Sec. 4073.)

Effect of cer-
tificates of
other counties.

SECTION 7825. Each county board of school examiners may make its own regulations to grant certificates without formal examinations, except in theory and practice of teaching and in the science of education, to graduates of schools for the training of teachers, having at least a two-years' course of study in addition to graduation from a first least a four years' course of study in addition to graduation from a first grade high school. Certificates thus granted to such graduates may be issued, on application within one year after graduation, first for one year; and at their expiration, on satisfactory evidence of success in teaching, for longer terms. (R. S. Sec. 4073.)

Regulations,
as to issue of
certificates
without ex-
amination.

SECTION 7826. Between regular examinations, county boards of school examiners, at their discretion, may issue temporary certificates, which shall be valid only until the next regular examination held by such boards after the issue of such certificates. (R. S. Sec. 4073.)

Temporary
certificate.

SECTION 7827. No certificate shall be issued to any person who is less than eighteen years of age. If at any time the recipient of a certificate be found intemperate, immoral, incompetent or negligent, the examiners, or any two of them, may revoke the certificate; but such revocation shall not prevent a teacher from receiving pay for services previously rendered. Before any hearing is had

Minimum age
limit.

by a board of examiners on the question of the revocation of a teacher's certificate, the charges against the teacher must be reduced to writing and placed upon the records of the board. He shall be notified in writing as to the nature of the charges and the time set for the hearing, such notice to be served personally or at his residence; and be entitled to produce witnesses and defend himself. The examining board may send for witnesses and examine them on oath or affirmation which may be administered by any member of the board touching the matter under investigation. (R. S. Sec. 4073.)

Fees for
examiners
conducting
investigation.

SECTION 7828. The fees and the per diem of examiners for conducting such investigation at three dollars a day each and other expenses of such trial shall be certified to the county auditor by the clerk and president of the examining board and be paid out of the county treasury upon the order of the auditor. (R. S. Sec. 4073.)

No applicant who is not eighteen years of age at the time of the examination can receive a legal certificate.

The revocation of a teacher's certificate by the county school examiners for intemperance and immorality is not reviewable by the courts. Hence that board will not be compelled by mandamus to sign a bill of exceptions setting out the evidence on the trial to revoke. 1 N. P. 151.

The revocation of a certificate is not strictly a judicial proceeding. The law which clothes the boards of examiners with discretionary power, will protect them in the proper use of it. They cannot, of course, be mulcted in damages nor removed from office, for refusing to grant a certificate, nor for revoking a certificate, in the exercise of this discretion. If malice or other undue motive enter into the transaction, however, the candidate has his remedy in the courts, and the probate judge may remove any member for such cause, as a malfeasance in office — an immorality — one of the causes enumerated in the law.

Notice of revocation should at least be given to the boards of education concerned. A person cannot draw pay after his certificate is revoked.

A certificate cannot be antedated. See Sec. 7817.

An official trust cannot be delegated. See III Central Law Journal, p. 472. The board has no authority, therefore, to appoint a substitute to perform the duties of any of its members. A certificate depending on the signature of such substitute for its validity, is worthless. As all citizens are bound to know the law, so candidates and school authorities are bound to know who are legal, or, at least, *de facto* public officers.

What kind of
certificates
shall be
issued.

SECTION 7829. Three kinds of teachers' certificates only shall be issued by county boards of school examiners, which shall be styled respectively "teacher's elementary school certificate," valid for all branches of study in schools below high school rank, "teacher's high school certificate," valid for all branches of study in recognized high schools and for superintendents and "teacher's special certificate," valid in schools of all grades, but only for the branch or branches of study named therein. (R. S. Sec. 4074.)

Certificate a
prerequisite
to employment
of teacher.

SECTION 7830. No person shall be employed or enter upon the performance of his duties as a teacher in any elementary school supported wholly or in part by the state in any village, township or special school district who has not obtained from a board of school examiners having legal jurisdiction a certificate of good moral character; that he or she is qualified to teach orthography, reading, writing, arithmetic, English grammar and composition, geography, history of the United States, including civil government, physiology, including narcotics, literature, and that he or she possesses an adequate knowledge of the theory and practice of teaching. (R. S. Sec. 4074.)

SECTION 7831. No person shall be employed or enter upon the performance of his duties as a teacher in any recognized high school supported wholly or in part by the state in any village, township, or special school district, or act as a superintendent of schools in such district, who has not obtained from a board of examiners having legal jurisdiction a certificate of good moral character; that he or she is qualified to teach literature, general history, algebra, physics, physiology including narcotics, and, in addition thereto, four branches elected from the following branches of study: Latin, German, rhetoric, civil government, geometry, physical geography, botany, and chemistry; and that he or she possesses an adequate knowledge of the theory and practice of teaching. (R. S. Sec. 4074.)

Certificate of
high school
teacher and
superintendent.

SECTION 7832. No person shall be employed and enter upon the performance of his duties as a special teacher of music, drawing, painting, penmanship, gymnastics, German, French, the commercial and industrial branches, or any one of them, in any elementary or high school supported wholly or in part by the state in any village, township, or special school district, who has not obtained from a board of examiners having legal jurisdiction a certificate of good moral character; that he or she is qualified to teach the special branch or branches of study, and, in addition thereto, possesses an adequate knowledge of the theory and practice of teaching. (R. S. Sec. 4074.)

Certificate of
special teacher.

SECTION 7833. But no person holding a common school life certificate issued by the board of state examiners shall be required to have any other certificate to teach in the elementary schools of the state; nor be required by any board to be examined in any of the branches covered by such certificate in order to be granted the teaches' high school certificate authorized herein. (R. S. Sec. 4074.)

Recognition
or renewal of
certificates.

In Illinois, a certificate was not obtained till the middle of the term. A new contract was entered into at that time to pay the teacher double wages for the rest of the term. This was considered an attempt to do indirectly what there was no power to do directly; and therefore the contract was held void. 71 Ill., 532.

A person began teaching under a contract. He taught three weeks; then obtained a certificate and made a written contract to run three months from the time he began teaching. Held, that he was entitled to wages after certificate was obtained, but to no pay for the previous three weeks. 20 Minn., 72.

No money can be legally drawn for teaching a day without a certificate, and to receive public money illegally is a crime under Secs. 7756, 7829-7833.

The board of education at G., at a regular meeting, tendered C. the election as superintendent of a school in which branches other than those enumerated in the certificate issued to C. by the board of school examiners, were taught. C. accepted the employment tendered, and entered upon its duties. Held, that this constituted a valid contract, and in the absence of proof, other teachers being employed in the school, no presumption arises that C. actually taught branches not enumerated in his certificate. 12 C. C., 247.

As to penalty for bribing or attempting to bribe an officer, see Sec. 12823.

Teachers in schools at children's homes and in kindergarten schools, supported by public funds, must hold certificates.

SECTION 7834. Each member of the county board of school examiners is entitled to receive ten dollars for each examination of fifty applicants or less, fourteen dollars for each examination of more than fifty applicants and less

of board.

than one hundred, eighteen dollars for each examination of one hundred applicants and less than one hundred and fifty, twenty-two dollars for each examination of one hundred and fifty applicants and less than two hundred, and four dollars for each additional fifty applicants, or fraction thereof, to be paid out of the county treasury on the order of the county auditor. Books, blanks, and stationery required by the board shall be furnished by the county auditor. (R. S. Sec. 4075.)

Expenses of board.

SECTION 7835. Such board may contract for the use of suitable rooms in which to conduct examinations, for the printing of examination questions, may procure fuel and light, and employ janitors, to take charge of the rooms and keep them in order. Expenses so incurred, together with the cost of advertising notice of their meeting as required by law, shall be paid out of the county treasury on orders of the county auditor, who shall issue them upon the certificate of the president of the board, countersigned by the clerk. (R. S. Sec. 4075.)

Annual report of clerk; his bond.

SECTION 7836. On or before the first day of September in each year, the clerk of such board shall prepare, and forward to the state commissioner of common schools, a statement of the number of examinations held by the board, the number of applicants examined, the total number of certificates granted, and the number for each term mentioned in this chapter, the amount of fees received and paid to the county treasurer, the amounts received from the county treasury by the members of the board for their services, with such other statistics and information in relation to the duties of the board as such commissioner requires. He shall also deposit with the county auditor a bond, with surety to be approved by the auditor, in the sum of three hundred dollars, that he will pay into the county treasury, quarterly, the examination fees received by the board, and make the statistical returns required by this chapter. (R. S. Sec. 4076.)

Compensation of clerk.

SECTION 7837. The clerk shall receive for his services as clerk four dollars for each examination of sixty applicants or less, six dollars for each examination of more than sixty applicants and less than one hundred, eight dollars for each examination of one hundred applicants or more, to be paid out of the county treasury on the order of the county auditor. But no order shall be drawn for the month of August until the clerk produces a receipt from the state commissioner of common schools that he has filed all the reports for the year required by him. (R. S. Sec. 4070.)

CITY BOARD OF EXAMINERS.

City board of school examiners; appointment, term.

SECTION 7838. There shall be a city board of school examiners for each city school district, to be appointed by the board of education of the district. Such board shall consist of three persons. The majority of those appointed

must have had at least two years' practical experience in teaching in the public schools. All persons appointed shall be otherwise competent for the position and residents of the district for which appointed. The term of office of such examiners shall be three years; the term of one-third of them to expire on the thirty-first day of August, each year. (R. S. Sec. 4077.)

SECTION 7839. The board of education may revoke any appointment upon satisfactory proof that the appointee is inefficient, intemperate, negligent, or guilty of immoral conduct. When a vacancy occurs in the board, whether from expiration of term of office, refusal to serve, or other cause, the board shall fill it by appointment for the full or unexpired term, as the case demands. Within ten days after an appointment, the clerk of the board must report to the state commissioner of common schools the name of the appointee, and whether the appointment is for a full or an unexpired term. (R. S. Sec. 4077.)

Removals and vacancies.

SECTION 7840. Each city board of school examiners shall determine the standard of qualification for teachers, and may examine any school in the district when such examination is deemed necessary to ascertain a teacher's qualifications. But in the examination of applicants and the granting of certificates the board must be governed by the provisions of this chapter relating thereto. (R. S. Sec. 4078.)

Standard of qualification for teachers.

SECTION 7841. To secure a thorough examination of applicants in difficult branches, or special studies, the board may secure the temporary assistance of persons of sufficient knowledge in such branches or studies, who must promise on oath or affirmation, to be administered by the clerk of the board of examiners, to perform the duties of examiner faithfully and impartially. Superintendents of schools shall give to the board all necessary information in reference to branches and special studies to be taught, and the branches of study and grades of school which teachers will be required to teach. (R. S. Sec. 4078.)

Special examiners.

An expert secured by the board to conduct examinations in any particular branch should certify the result of the examination to the board; all certificates should be signed by members of the board and by such members only.

SECTION 7842. Each city board of school examiners must organize during the month of September each year by choosing from its members a president, vice-president, and clerk. The president shall preside at all the meetings of the board, and in his absence the vice-president shall preside. The clerk shall perform all the duties required in this chapter of the clerk of the board of county school examiners in so far as such duties apply. He also must give bond, in the sum of three hundred dollars with surety to be approved by the board of education, conditioned that he will perform faithfully the duties required of him by

this chapter, which bond shall be deposited with the clerk of such board. (R. S. Sec. 4079.)

Meetings for
examination;
notice.

SECTION 7843. Each board of city school examiners shall hold not less than two meetings each year, notice of which must be published in some newspaper of general circulation in the district. All examinations of applicants shall be conducted at the meetings of the boards thus called. The examination of every applicant must be in the presence of at least two members of the board. (R. S. Sec. 4080.)

Certificates.

SECTION 7844. Each city board of school examiners may grant teachers' certificates for one, two, three, five and eight years from the day of examination, which shall be valid within the district wherein they are issued. But certificates granted for one, two or three years must be regarded as provisional certificates and shall be issued and renewed only in compliance with such reasonable regulations and standards and upon such ratios as the board may adopt. (R. S. Sec. 4081.)

Renewal of
certificates.

SECTION 7845. When a teacher holds a two or three year certificate and has for the last five years preceding been continuously engaged in teaching in this state such teacher will be entitled to have such certificate renewed by passing an examination in theory and practice. (R. S. Sec. 4081.)

Professional
certificates.

SECTION 7846. Applicants for five-years' and eight-years' certificates shall have had not less than forty months' experience in teaching and shall make not less than eighty-five per cent. in any branch and a general average of not less than ninety-two per cent., and such certificates shall be regarded as professional certificates and be renewed without examination at the discretion of the examining board, except that no such certificate will be renewable if the holder has not been actively engaged in teaching within the four years preceding. (As amended May 10, 1910.)

Validity of
professional
certificates.

SECTION 7847. Such professional certificates shall be valid in any city in the state. City boards of school examiners at their discretion may issue certificates without formal examinations to holders of certificates granted by other city and county boards of school examiners. (R. S. Sec. 4081.)

Regulations, as
to granting
certificates
without ex-
aminations.

SECTION 7848. Each city board of school examiners may make its own regulations to grant certificates without formal examinations, except in theory and practice of teaching and in the science of education, to graduates of schools for the training of teachers, that have at least a two-years' course of study in addition to graduation from a first grade high school and of colleges or universities, having at least a four-years' course of study in addition to graduation from a first grade high school, as may be approved by them. Certificates thus granted to such gradu-

ates may be issued, on application within one year after graduation, first for one year; and at their expiration, on satisfactory evidence of success in teaching, for longer terms. (R. S. Sec. 4081.)

SECTION 7849. Between regular examinations, city boards of school examiners, at their discretion, may issue temporary certificates, which shall be valid only until the next regular examination held by the board after the issue thereof. (R. S. Sec. 4081.)

Temporary
certificates.

SECTION 7850. No certificates shall be issued to any person who is less than eighteen years of age, and if at any time the recipient of a certificate be found intemperate, immoral, incompetent, or negligent, the examiners, or any two of them, may revoke the certificate. But such revocation shall not prevent a teacher from receiving pay for services previously rendered. Before any hearing is had by a board of examiners on the question of the revocation of a teacher's certificate, the charges against the teacher must be reduced to writing and placed upon the records of the board. He shall be notified in writing as to the nature of the charges and the time and place set for the hearing. Such notice must be served either personally or at his residence. He shall be entitled to produce witnesses and defend himself. The president and secretary of the institute shall be ex-officio members of the executive committee and act as chairman and secretary thereof. (R. S. Sec. 4086.)

SECTION 7861. Such election of officers shall be held during the session of such institute and at a time fixed by the executive committee thereof. At least three days' notice of the election must be given the members of such institute by posting conspicuously in the room, where the institute is held, a notice of the time and place of holding it, and of the officers to be voted for. Vacancies.

SECTION 7863. Such executive committee shall manage the affairs of the institute. The committee must enter into a bond, payable to the state, with sufficient surety, to be approved by the county auditor, in double the amount of the institute fund in the county treasury, for the benefit of the institute fund of the county, and conditioned that the committee shall account faithfully for the money which comes into its possession, and make the report to the commissioner of common schools, required in section seventy-eight hundred and sixty-five. Duty of executive committee; bond.

SECTION 7864. The declaration and bond shall be filed with the county auditor. Within five days after the adjournment of the institute, its secretary shall report to the state commissioner of common schools the number of teachers in attendance, the names of instructors and lecturers attending, the amount of money received and disbursed by the committee and such other information relating to the institute as the commissioner requires. (R. S. Sec. 4088.)

Report of secretary.

Blanks for reports are sent to the county auditor for distribution.

SECTION 7866. The secretary may be allowed compensation not to exceed ten dollars for making such report and for his services as secretary, to be paid out of the institute fund of the county. No other compensation shall be allowed any officer or member of the executive committee. On failure to make such report, the secretary shall forfeit and pay to the state the sum of fifty dollars. (R. S. Sec. 4088.)

His compensation.

SECTION 7867. Upon the forfeiture of the committee's bond, the prosecuting attorney of the county shall prosecute an action thereon, in the name of the state, and collect any money which the committee failed to disburse according to law, and any penalty to which it may be liable under this chapter, and pay it into the county treasury, to the credit of the institute fund. (R. S. Sec. 4089.)

SECTION 7868. When a teachers' institute has not been held in a county within two years, the commissioner of common schools may hold or cause such institute to be held therein. The management thereof, and all pro-

ceedings in relation thereto, shall be the same as hereinbefore provided, except that the written declaration required shall not be necessary. (R. S. Sec. 4090.)

Teachers may
dismiss school
to attend
institute.

SECTION 7869. All teachers and superintendents of the public schools within any county in which a county institute is held while the schools are in session, may dismiss their schools for one week for the purpose of attending such institute. (R. S. Sec. 4091.)

Pay for
attending
institute.

SECTION 7870. The boards of education of all school districts are required to pay the teachers and superintendents of their respective districts their regular salary for the week they attend the institute upon the teachers or superintendents presenting certificates of full regular daily attendance, signed by the president and secretary of such institute. If the institute is held when the public schools are not in session, such teachers or superintendents shall be paid two dollars a day for actual daily attendance as certified by the president and secretary of such institute, for not less than four, nor more than six days of actual attendance, to be paid as an addition to the first month's salary after the institute, by the board of education by which such teacher or superintendent is then employed. In case he or she is unemployed at the time of the institute, such salary shall be paid by the board next employing such teacher or superintendent, if the term of employment begins within three months after the institute closes. Neither of such schools shall be located in any city or village which now has a college located therein.

SECTION 2. Within thirty days after the passage of this act the Governor shall appoint a commission composed of five persons, not more than three of whom shall be from any one political party, and no one of whom shall be personally or financially interested in any site determined upon by said commission. Said appointees shall constitute a commission with full power and authority to select suitable locations, lands, or lands and buildings and secure options on the same as said commission may find necessary for the establishment of said Normal Schools and upon such terms and conditions as said commission may deem to be for the best interests of the state and submit a report of their proceedings to the Governor for his approval on or before the first day of December, 1910. Each of such additional conferences or other religious bodies may elect as members of the board, the number in its class, one for one year, one for two years and one for three years, and so on to the extent of the number; and each also fill any vacancy in its class. Such board of trustees, composed according to the foregoing provisions, and as provided in section ninety-nine hundred and forty-five, without regard to the number of members so composing it, may increase its own numbers by the election of trustees at large, not exceeding the number of conferences or other religious bodies co-operating with or patronizing such university or college, and divide such trustees at large into classes, at its discretion. (R. S. Sec. 3739.)

Such visitors shall attend the meetings of the board of trustees of such university or college, and, with the trustees, constitute a joint board for the appointment and removal of all officers, professors, and instructors of the university or college. (R. S. Sec. 3742.)

SECTION 9941. If a conference or other religious body patronizing a university or college, and having a representation in its board of trustees, ceases to exist, or to patronize such institution, the right of such conference or other religious body to such representation shall cease, and its board of trustees be thereby and to that extent reduced in numbers. (R. S. Sec. 3743.)

When right of representation ceases.

At the same time such alumni may elect as visitors members of their association equaling in numbers one-half of the numbers of the conferences or other religious bodies co-operating with or patronizing such university or college, who shall have the same powers and duties as visitors appointed by such conference or other religious body. When women are members of the alumnal association so electing, they shall be eligible as visitors. The board of trustees shall be judge of the validity of the election and the returns thereof, of trustees and visitors elected under this section. (R. S. Sec. 3747.)

(R. S. Sec. 3748.)

SECTION 9947. After the polls are closed the result shall be ascertained and certified to by the judges and clerks, and the person or persons, not exceeding the number to be elected, who received the highest number of votes therefor, shall be declared elected as trustee as designated on the ballot. The two persons who receive the highest number of votes for visitors shall be declared elected, but their terms of office shall not begin until after the final adjournment of the regular meeting of the trustees for that year. If any two or more persons receive an equal number of votes for trustee or visitor, one of them, as is determined by lot by the judges, in the presence of all the electors who wish to be present, shall be the trustee or visitor, and be so declared. Duplicate certificates of election shall be signed by the judges and clerks, and delivered by them, one to each of the persons elected, and the other, with the poll-books duly certified by the judges and clerks, to the secretary of the board of trustees of the university or college, the next day after the election, which certificate he shall enter of record in the book containing the proceedings of the board of trustees. AN ACT

To amend sections 7877, 7878, and 7891 of the General Code relating to teachers' pensions.

Be it enacted by the General Assembly of the State of Ohio:

SECTION 1. That sections 7877, 7878 and 7891 of the General Code be amended to read as follows:

Sec. 7877. When the board of education of any school district has declared the advisability of creating a school-teachers' pension fund, its clerk shall notify each teacher in the public schools and high schools, if any, of the school district, by notice in writing of the passage of such resolution, and require the teachers to notify the board in writing within thirty days from the date of such notice whether they consent or decline to accept the provisions of law for creating such a fund; but teachers who, prior to the first day of July, 1911, were in the employ of a board of education which has created such a fund under this law shall not be denied the right of accepting the provisions hereof before the first day of January, 1912. After the election of the board of trustees herein provided for, two dollars (\$2.00) shall be deducted by the proper officers from the monthly salary of each teacher who accepted such provisions, and from the salary of all new teachers such sum to be paid into and applied to the credit of such pension fund; and such sum shall continue so to be deducted during the term of service of such teacher.

All persons employed for the first time as teachers by a board of education which has created such a pension fund shall be deemed new teachers for the purpose of this act, but the term new teachers shall not be construed to include teachers serving under reappointments. New teachers shall by accepting employment as such accept the provisions of this act and thereupon become contributors to said pension fund in accordance with the terms hereof. And the provisions of this act shall become a part of and enter into such contract of employment.

Sec. 7878. All moneys received from donation, legacies, gifts, bequests, or from any other source, shall also be paid into such fund, or into a permanent fund. If paid into a permanent fund, only the interest thereof shall be applied to the payment of pensions.
